The receipts and expenditures of Mifflin county, with the exception of the Poor House statement, appear in our paper to-day. As requested by the clerk of he Directors, we made application for the ficial copy, but found that the junior edof the Democrat had without orders taken upon himself the authority to dictate when, where and by whom the statement was to be published. For the want of this, we are also unable to fill up the blank in the Commissioners statement of orders granted to the Poor House. The late Treasurer, it will be perceived, comes out nearly even -his indebtedness to the State being about balanced by the amount the county owes

THROAT CUT.-A black fellow named Nelson Scofield went into a room on Monlay evening where a colored band were practicing on musical instruments, and used insulting and other outrageous language which resulted in some sparring between John Lee and him. He next attacked and got into a scuffle with David Walker, during which the former cut Walker with a razor and stabbed him in the side. Scofield was arrested and in default of \$500 bail, committed to jail by Esq. Hoover. Wasson however had a regular chase before he was captured, having led him first down the canal, and then up towards the ridge near the Water Company's lands.

FR. "I MUST HAVE A NEW BOOK!" was ding-donged into the ears of some hundreds of parents last week, creating some indignation, some grumbling, and probably some cursing. Having no one at this time to send to school, it matters little to us personally what changes are made, yet as conductor of a local press we feel bound to say that all such changes a few months befire the public schools close, are not only isjudiclous but unjust. Perhaps the book naced may have a few dots, accents, or exercises more than the one in ing the work at half price or thereabouts he a week or two, after which those who must buy " pay for the whistle." We hope some of our legislators will take this subet in hand and have a law passed prohiba the commencement of the term.

NARROW ESCAPE. - The Altoona Tribune ays that A. B. Long, of Lewistown, pipeyer on the Penna. R. R., made a narrow ape from a terrible death, on Friday ming a week. It appears that he was being a track in the yard, beneath a car attached to a train which was about moving if, and ere he could clear the track, the break of the last truck struck him and inocked him forward on the track. Luckhe succeeded in clearing the rails before the cars came upon him-not a little frightened, as any man would be, at his parrow escape.

Two Boys Arrested for Placing BSTRUCTIONS ON THE RAILROAD.—The emport Gazette of the 26th says on the Sanday previous, two boys were arrested of a number of persons from Millerstown, the were on their way home from that Pace, where they had been attending a aneral. As they passed the rope house, the Rope Ferry, on a hand car, they disbrered in advance of them two boys do-48 something on the track, and when they one up to them they saw that there were distructions placed on the rails sufficient throw a whole train of cars into the rivhhereupon they took both of them into totody and brought them back to Newon, where they had a hearing before Es-The Carpenter, who committed them to rison for trial at the April Court.

We are informed that the obstructions te placed in such a position and such a

water may be from ten to fifteen feet deep, which would have caused a great sacrifice of life and property. We have not learned the names of the boys, but one of them, we are informed, hailed from Lewistown. [Which of the candidates for the penitentiary is missing from here?]

George Frysinger was re-elected on Monday last by the Burgess and Town Council a Director to represent the Borough stock in the Lewistown Water Company.

Juniata County.

The Register says a young lad named Wm. Wright sustained some injuries about the head, by falling off a mule, on Wednesday, near the canal bridge in Mifflinton. The boy had rendered himself familiar to the cit-izens by his foolish behavior with his mules when on the street, and the accident was not

surprising to anybody.

The Lewisburg Chronicle says:—A wild cat was recently killed in East Buffalo township, after having been heard howling for several nights, being cornered in an ore drift. George Charles, drover, residing in Hartle

Centre County.

The Democrat says that on the 10th of January, Simon Beck, of Snydertown, Nittany Valley, was engaged in threshing for Daniel of the same place. Whilst thus engaged, the unfortunate man observed that the strap was slipping off the pulley and made an attempt to put it right with his hand, which was caught and drawn around the pulley, fracturing and mutilating the fore-arm in a most shocking manner, the bones being broken in such a manner as to pass through his garments. It was found necessary to amputate the limb, which operation was performed by Dr. H. P. Strauss, assisted by Drs. Gregg and Deshler, on Saturday, the 21st. When last heard from the patient was doing well and likely to recover.

There are six furnaces in Centre county, and of these only two are in operation, the Heela and Eagle. Within a few weeks two of the largest operating firms have stopped their works, thus throwing hundreds of work-men out of employment. Thousands of tons of iron of their manufacture are in the market, but there is no demand for it. What a beautiful commentary upon the democratic

Infanticide.-A girl named Dunn has been arrested in Altoona, charged with smothering her newly born infant to conceal its birth. She had wrapped it up in mg the introduction of new works except a skirt and placed it underneath the mattress on which she lay, where it remained until discovered by one of her neighbors. She was committed for trial.

Dyspepsia.

There is perhaps no disease which destroys the happiness and comfort of individuals, and families to the same extent as *Dyspepsia or Indigestion*. Previously to the discovery of the OXYGENATED BITTERS, there existed no medicine accessible to those suffering from this wide spread disease, which relieved it in any marked degree.

The power of these Bitters over the above named lisease as well as over all those having their origin in imperfect digestion, and functional diseases of the stomach, as well as Asthma and general Debility is beyond all question. Its speedy and permanent cures of some of the severest and stubborn cases on record is sufficient confirmation of this fact.

Detroit, Mich., June 16, 1857.

Messrs. S. W. Fowle & Co., Boston:—In reference to the Oxygenated Bitters, I can say, that after having the dyspepsia for several months, and almost dying with pain and heaviness in my stomach, I was prevailed upon by a friend who had been cured by the same medicine to try a bottle of Green's Oxygenated Bitters. Before using half a bottle I felt greatly relieved, and by the time I had used two bottles and a half I was entirely well, and still remain so. I know of several cases more distressing even than my own, which have been entirely citred by this invaluable medicine; and it gives me great pleasure to recommend it to any and all who may be suffering from this dreadful malady.

Grenada, Miss., June 5, 1855.

Dr. Seth S. Hance, Baltimore, Md.—Dear Sir: I take great pleasure in relating a case of spasms or fits, cured by your invaluable Pills. My. Brother, J. J. Ligon, has long been afflicted with this awful disease. He was first attacked while quite young. He would have one or two spasms at one attack at first; but as he grew older, they seemed to increase likewise. Up to the time he commenced taking your Pills, he had them very often and quite severe, prostrating him body and mind. His mind had suffered seriously; but now, I am happy to say, he is cured of those fits. He has enjoyed fine health for the last five months past. His mind has also returned to its original sprigtliness. All this I take a great pleasure in communicating, as it may be the means of directing others to the remedy that will cure them. Yours respectfully,

No person who is suffering from Fits. or Spasms,

No person who is suffering from Fits. or Spasms, should neglect sending to Dr. Hance, after this, for a supply of his inestimable medicine. His prices are stellows; one box \$3; two \$5; twelve \$24—sent by mail free, on the receipt of a remittance. Address Seth S. Hance, 108 Baltimore street, Baltimore, Md.

Co-tumbus and Springheld, arrived at 3 o'clock this afternoon. The guests were received at the depot by an immense crowd of citizens, and a procession was formed and marched to Pike's Opera House, where the reception took place. The streets on the line of march were densely thronged. The hospitalities of the city were tendered to the visitors by Mayor Bishop, and speeches were made by Judge Stow, Gov.
