LOCAL AFFAIRS.

SPRING ELECTIONS.—Both parties have gominated tickets in this borough, to be voted for at the election on Friday next. Party lines are however hard to draw on such occasions, and we presume therefore there will be the usual amount of splitting on both sides. We do not know whether the "Union is in danger" at this election—but even if it should be, we hope taxpayers will exercise discrimination enough to select the best men, so that if the safety of the Union *does* depend on this annual squabble, voters may at least have the pleasant reflection of having done their duty. In the meantime, let every candidate GO TO WORK—do his duty faithfully—and prepare to crow or——die gloriously for the sake of his country.

ATTEMPT AT ROBBERY.—The dwelling of Rev. H. Baker was again entered on Thursday evening of last week by some thieving scoundrel, but the doors leading into the parlor being locked he made his way into the pantry. He was discovered, probably before he had committed any depredation, and escaped in the darkness.

☞The M. E. Conference, in session at Lewisburg last week, made the following appointments:

CARLISLE DISTRICT.—John A. Gere, P. E—Carlisle Station—G. D. Chenowith; Carlisle Emory church—A. E. Gibson; Carlisle Circuit—Daniel Hartman, M. K. Foster; Mechanicsburg—R. Westley Black; Mount Holly Springs—Wm. H. Keith; Newport—Amos Smith, J. Clark Hagey; Petersburg—John Stine; New Bloomfield—J. Y. Rothrock, J. B. Mann; Mifflin Station—P. B. Reese; Mifflin Circuit—N. S. Buckingham, Thos. Care; Concord—F. E. Crever, J. T. Wilson; Lewistown Station—S. Kepler; Lewistown Circuit—J. Morehead, W. W. Brim; Kishacoquillas—A. A. Eskridge; Shirleysburg—G. W. Bouse, J. Cook; Shippensburg Station—Wm. Earnshaw; Shippensburg Circuit—Wesley Howe, I. Collins Stevens; Chambersburg—Wm Harden; Cumberland Valley Mission to be supplied.

Mr. Crever remains at Cumberland, Md.; J. H. Brown at Whitecoat, near Baltimore; Mr. Ross at York, assisted by Wm. M. Frysinger (son of the editor of the Gazette) who has been admitted on trial; James H. McCord at Frederick City.

AMERICAN EAGLE TRAPPED.—Mr. Case of Kishacoquillas valley, lately set a trap for a fox, but on examining it found he had caught a skunk. Throwing it to one side, he set the trap again. An eagle of large size, soaring above, made a dash at the inglorious animal, and lighting on the trap was caught.

☞On Sunday last a party was engaged in seining the feeder leading to the Lewistown Mill—thus breaking both the laws of God and man, almost within sight of the several churches.

☞The weather assumed a wintry appearance last week, with occasional snow squalls, and so continued up to yesterday, thus checking the growth of buds on fruit trees, which were fast springing into life.

The bill incorporating the Mifflin county Bank, which passed the House, has been favorably reported in the Senate, and may also pass that body.

The Late Commodore David Geissinger.—This distinguished naval officer, who died at his residence in Philadelphia, on Monday last, was a native of the state of Maryland. He became a midshipman in 1809, and in the second war with Great Britain was in the sloop-of-war Wasp in her famous cruise on the English coast in 1814. When the Wasp captured the British brig Atlanta, and sent her to Charleston as a prize, Mr. Geissinger was put in command of her—a lucky thing for him, as the Wasp was never again heard of. His commission as Captain dates from May 24th, 1838, twenty-nine years after he entered the service. He was for many years stationed at the Naval Asylum in Philadelphia. At the time of his death he was seventy years of age, and was the seventh among the captains on the retired list.

Cost of the John Brown Raid.—The Lynchburg Virginian, in stating the cost of the military arangements under Gov. Wise to be $200,000, says: "With all the revelations that subsequent events have brought to light, we do not hesitate to say that there never was a more wanton and wicked attempt to make capital out of an event, sad enough in itself, than has been evinced in the conduct of Gov. Wise throughout this whole affair. The whole country was kept in a tempest of excitement, and sectional animosities stimulated to the highest pitch; troops were marched and countermarched; brought home, and straightway ordered off again, for no necessity whatever."

☞A white girl, daughter of a planter, tried to elope with a slave in North Carolina a few weeks ago.

☞Thomas Scott, late Superintendent of the Pennsylvania Railroad, has been appointed to the Vice Presidency of the Company. Enoch Lewis, late Superintendent of the Western Division, has received the appointment to the place made vacant by the promotion of Mr. Scott.

☞A steamboat boiler explosion took place at Easton in this State on Tuesday last a week by which eight persons were killed outright, twelve maimed, and three are missing; it is reported to have been caused by grose carelessness or ignorance in the construction of the boiler.

☞Robert Tyler, late Chairman of the Democratic State Committee, in reply to an invitation to address a Foster ratificatian meeting in Philadelphia, said:

In several of the resolutions adopted by the Convention I fully concur; but I repudiate and refuse to accept the resolutions as a whole, and deny that they constitute a sound Democratic platform, or that they reflect the opinions of a majority of the Democratic party of Pennsylvania.

Horrible Murder.—At Cincinnati, on Wednesday, an Irishman named Patrick McHugh, approached his wife whilst she was at a friend's house, placed his arm around her neck and cut her throat with a razor.—The stroke was given with so much power as to cut away even a part of the vertebrae. She died almost instantly. McHugh had recently been liberated from the Penitentiary where he had served a sentence for a deadly assault on his wife.

Great Remedies!

To cure a severe Cough or Cold, use Dr. Wistar's Balsam of Wild Cherry—to cure Whooping Cough, Croup or Bronchitis, use Dr. Wistar's Balsam of Wild Cherry—to arrest predisposition to Consumption, use Dr. Wistar's Balsam of Wild Cherry—to cure Dyspepsia or Indigestion, use the Oxygenated Bitters—to cure Asthma, Acidity or Heart Burn, use the Oxygenated Bitters. These remedies perform all they promise. They relieve suffering, cure disease, restore health, thus affording consolation and comfort to the sick and afflicted, where discouragement and suffering existed before.

Clyde, Wayne Co., N. Y., March 10, 1857.

Messrs. S. W. Fowle & Co.—I am happy to state that I have used the Oxygenated Bitters in my practice for the last three years in the treatment of Dyspepsia, General Debility, Indigestion, and Affections of the Liver, with the most satisfactory results, and would cheerfully recommend to those suffering from these distressing diseases to give this valuable medicine a trial. Respectfully yours, J. E. SMITH, M. D.

Exeter, Me., Sept. 30.—This certifies that I have recommended the use of Wistar's Balsam of Wild Cherry for Diseases of the Lungs for two years past, and many bottles, to my knowledge, have been used by my patients, all with beneficial results. In two cases, where it was thought confirmed Consumption had taken place, the Wild Cherry effected a cure.

E. BOWEN, Physician at Exeter Corner.

The only genuine Balsam has the written signature of I. BUTTS on the wrapper.

Reason and Common Sense.

Our readers may remember we have on several occasions spoken in very eulogistic terms of a preparation which Dr. Seth S. Hance, of 108 Baltimore street, Baltimore, Md., has discovered for the cure of Epileptic Fits. Now, in doing so, we have been actuated by the very best motives, viz: the alleviation of human suffering. From circumstances which have lately come to our knowledge, we fear there is a certain class of persons who are not disposed to try this remedy in a common sense manner. We allude to the fact of selecting a particular case in a town where perhaps there are six or eight cases, and trying it on one case. Now, perhaps the case selected might be the only one of the whole number that it would not cure. This is neither doing themselves nor the medicine justice. If a dozen persons were stricken down with cholera in one town or neighborhood, would they all send for a physician, or would only one employ him, and all wait and see if he cured the first patient? That plan of procedure would be most absurd. So in the case of Dr. Hance's remedy, every one who has Fits should try it for a reasonable length of time. It will not cure in a day or week; nothing worth doing can be accomplished at once. What is easily done, is as easily undone. The growth of time is enduring. From the most respectable testimony we have examined, we feel assured that by a proper perseverance in this remedy, nine cases of Epilepsy out of ten may be cured. The Pills are sent by mail free of postage to any part of the world. Price, one box $3, two $5, twelve $24. You will find the address above.

Worms! Worms!

Various theories have been started relative to the origin of intestinal worms, and yet the question is still a vexed one among medical authorities. Of one fact, however, all are informed, and in which all agree—the fatal nature of the influence they exert on children. At this season of the year, the attacks of worms are most frequent as well as most dangerous. We take pleasure in directing the attention of parents to the Vermifuge of Dr. M'Lane, prepared by Fleming Bros., Pittsburgh. It is one of the most extraordinary medicines ever introduced to the public, and has never failed of success when tried.

☞Purchasers will be careful to ask for *Dr. M'Lane's Celebrated Vermifuge*, manufactured by Fleming Bros., of Pittsburg, Pa. All other Vermifuges in comparison with this medicine are worthless. Dr. M'Lane's genuine Vermifuge, also his celebrated Liver Pills, can now be had at all respectable drug stores. *None genuine without the signature of* FLEMING BROS.

Reverse of Fortune.—The St. Louis Republican relates the following: Kate Lecount, once one of the handsomest women in St. Louis, and some years ago worth $30,000, lately applied for admission to the county poor house. Five years since a man, by the name of Wilson, married her, or at least she supposed she was married to him, but it seems that the marriage was a fraud, and he in some way got hold of her property, squandered it and left her destitute. This was the beginning of misery.

A Life Saved by a Parrot.—The Syracuse Journal of Feb. 25, says: 'On Thursday last, while Mrs. Zimmerman, who resides at No. 59 Mulberry street, in this city, was cleaning the mantel piece, her clothes took fire, which so frightened her that she could not give the alarm, and had it not been for a faithful parrot which was in the same room, who cried 'fire, fire, fire,' thus giving the alarm to a lady in the yard, who rushed in and put out the fire, Mrs. Zimmerman must have been badly burned. As it is, she escaped without any serious injury to her person.'

A Sharp Transaction.—An exchange paper states that a fellow in Venango county, Pa., profited in the following manner by the "oil excitement" now prevailing so extensively in the Western and Northwestern part of Pennsylvania. He bored a hole in his land, poured a barrel of oil in it, and then called his neighbors to see the large yield. The result was that he sold his land for $2,000 in cash, pocketed the money, oiled his boots and "slid."

DR. O. PHELPS BROWN'S ACACIAN BALSAM

FOR THE PERMANENT CURE OF CONSUMPTION, BRONCHITIS, ASTHMA, COUGHS, COLDS, GENERAL DEBILITY, &C.

This remedy is offered as affording a means of speedy cure for the large number that die annually in our land of that fell scourge, Consumption, to which, unfortunately, so many predisposing causes exist. Youth and age are alike subject to its ravages.

EVERY PERSON

can name one or more of his acquaintances who is subject to some form of lung or throat complaint, which if not attended to in season, inevitably consigns the sufferer to a premature grave. To such, help is at hand if they will but avail themselves of it, and hope,—the harbinger of brighter days,—may be awakened without fear of chilling disappointment. Dr. O. PHELPS BROWN'S ACACIAN BALSAM does just what is claimed for it, and may be relied upon by the sick as being the most successful in curing lung and throat disorders, of any remedy known at the present day. The many phases assumed by Consumption justifies the apprehension of those who have reason to fear its approach, either from constitutional or hereditary tendency.

While the discoverer of this remedy does not believe that people should be constantly doing themselves with medicines

TO PREVENT SICKNESS,

there are many cases where disease is too long allowed to remain unchecked in the system; and a slight cough, regarded at first as simply an annoyance, comes only with the life of the patient. An impure state of the blood, through debilitation of the lungs, fills the system with morbid humors, and pulsation becomes feeble or accelerated to a feverish intensity—the heart, liver, and kidneys, separately performing functions of vital necessity to our well being, are impeded in their regular action—the digestive organs falter in their task, and refuse to perform the process of separating the nutritious elements from food, and the whole mental being is well-nigh ready to sink under the burden of life. The patient so afflicted, accounts his case a complication of disorders, and often refuses to resort to medication, from his thorough disbelief in any prospect of cure. To such

I ASK THE TRIAL

of the ACACIAN BALSAM, as thoroughly worthy the confidence of all. Every symptom of Consumption is surely and permanently eradicated by its use. Its effects are none other but strengthening and renovating to the entire system. Bronchitis, Asthma, Coughs, Colds, and General Debility, are effectually cured by its use. Night Sweats, Loss of Flesh, and Wasting away of the Muscles, Loss of Appetite, Soreness of the Throat, Chest, and Lungs, Liver Complaint, Palpitation of the Heart, Difficulty of Breathing—all these affections disappear in an incredibly short time after using Dr. O. Phelps Brown's Acacian Balsam.

It nourishes and strengthens the patient who is too much reduced to partake of ordinary food. It heals all internal sores, tubercles, and inflammation. It strengthens, braces, and revitalizes the brain, and is without a rival as a tonic, supplying electricity or magnetic force to every part of the enfeebled and prostrate body. It needs no lengthy trial to convince any that the ACACIAN BALSAM is truly the greatest remedy of the day, as its beneficial qualities are fully apparent in eight and forty hours after trial.

Let the invalid, then, no longer delay, but make the trial, and the result will surely be of the most gratifying character.

The ACACIAN BALSAM is prepared with the greatest care, and the best materials. No pains or expense are spared to make it what it is—the best known remedy of the age. It may be taken by either sex, of all ages, and at all seasons, with perfect safety; and it is none the less powerful in conquering those diseases which sap the foundation and destroy the lives of so many in our midst. Every family should have it, and regard it as a household treasure.

CONSUMPTION AND ASTHMA CURED.

Dr. H. James discovered, while in the East Indies, a certain cure for Consumption, Asthma, Bronchitis, Coughs, Colds, and General Debility. The remedy was discovered by him when his only child, a daughter, was given up to die. His child was cured, and is now alive and well. Desirous of benefiting his fellow-mortals, he will send to those who wish it, the recipe containing full directions for making and successfully using this remedy, free, on receipt of their names with stamp for return postage. When received, take it to Mrs. Mary Marks, Druggist, Lewistown, Pa. There is not a single symptom of consumption that it does not at once take hold of and dissipate. Night sweats, peevishness, irritation of the nerves, failure of memory, difficult expectoration, sharp pain in the lungs, sore throat, chilly sensations, nausea at the stomach, inaction of the bowels, wasting away of the muscles. DR. M'LANE'S

CELEBRATED

VERMIFUGE

AND

LIVER PILLS.

WE beg leave to call the attention of the Trade, and more especially the Physicians of the country, to two of the most popular remedies now before the public. We refer to

Dr. Chas. M'Lane's Celebrated

Vermifuge and Liver Pills.

We do not recommend them as universal Cure-alls, but simply for what their name purports, viz.:

THE VERMIFUGE,

For expelling Worms from the human system. It has also been administered with the most satisfactory results to various Animals subject to Worms.

THE LIVER PILLS,

For the cure of LIVER COMPLAINTS, all BILIOUS DERANGEMENTS, SICK HEAD-ACHE, &c. In cases of

FEVER AND AGUE,

preparatory to or after taking Quinine, they almost invariably make a speedy and permanent cure.

As specifics for the above mentioned diseases, they are Unrivaled, and never known to fail when administered in accordance with the directions.

Their unprecedented popularity has induced the proprietors,

FLEMING BROTHERS,

PITTSBURGH, PA.

to dispose of their Drug business, in which they have been successfully engaged for the last Twenty Years, and they will now give their undivided time and attention to their manufacture. And being determined that Dr. M'Lane's Celebrated Vermifuge and Liver Pills shall continue to occupy the high position they now hold among the great remedies of the day, they will continue to spare neither time nor expense in procuring the Best and Purest material, and compound them in the most thorough manner. Address all orders to

FLEMING BROS. Pittsburgh, Pa.

P.S. Dealers and Physicians ordering from others than Fleming Bros., will do well to write their orders distinctly, and *take none but Dr. M'Lane's, prepared by Fleming Bros. Pittsburgh, Pa.* To those wishing to give them a trial, we will forward per mail, post paid, to any part of the United States, one box of Pills for twelve three-cent postage stamps, or one vial of Vermifuge for fourteen three-cent stamps. All orders from Canada must be accompanied by twenty cents extra.
