THE ONLY PREPARATION WORTHY OF Universal Confidence & Patronage.

FOR STATESMEN, JUDGES, CLERGYMEN. Ladies and Gentlemen, in all parts of the world testify to the efficacy of Prof. Wm. Wood's Hair Restorative, and gentlemen of the Press are unanimous in its praise. A few testimonials only can be here given; see circular for more, and it will be impossible to doubt.

47 Wall Street, New York, Dec. 20th, 1858. GENTLEMEN: Your note of the 14th inst. has been received, saying that you had been benefited by the use of Wood's Hair Restorative, and requesting my certificate of the fact if I had no objection to give it.

I would like to see you cheerfully, because I think it due. My age is about 50 years; the color of my hair Auburn, and inclined to curl. Some five or six years since it began to turn gray, and I was, however, greatly surprised to lose its sensibility and ductility from upon it. Each of these disabilities increased with time, and about four months ago I was unable to comb my hair falling out of the top of my head and threatening to make me bald.

In this unpleasant predicament, I was induced to try Wood's Hair Restorative, mainly to arrest the falling out of my hair, for I had really no expectation that gray hair could ever be restored to its original color except from dyes. I was, however, greatly surprised to find that the use of two bottles only, that not only was the falling out arrested, but the color was restored to the gray hairs, and my hair, which was thin and ductility ceased to form on my head, very much to the gratification of my wife, at whose solicitation I was induced to try it.

For this, among the many obligations I owe to her sex, I strongly recommend all husbands who value the admiration of their wives to specify by my example, and use it if growing gray or getting bald.

Very respectfully, BEN. A. LAVENDER. My family are absent from the city, and I am no longer at No. 11, Carroll Place.

Stamton, Ala., July 26th, 1852. To Prof. O. J. Wood, Dear Sir: Your "Hair Restorative" has done my hair so much good since I commenced the use of it that I wish to make known to the PUBLIC of its effects on the hair, which are great. A man or woman may be nearly deprived of hair, and by a resort to your "Hair Restorative" the hair will return, none beautiful than ever. I trust this is my experience. Believe it all! Yours truly, WM. H. KENNEDY.

You can publish the above if you will, by publishing in our Southern papers you will get more patronage surely. I see several of your certificates in the Mobile Mercury, a strong Southern paper.

Wm. H. Kennedy.

WOOD'S HAIR RESTORATIVE. Professor O. J. Wood, Dear Sir: Having had the misfortune to lose the best portion of my hair, from the effects of the yellow fever, in New Orleans in 1851, I was induced to make a trial of your preparation, and to the pleasure of my wife, and my own, my hair is now thick and glossy, and no words can express my obligations to you in giving to the afflicted such a treasure.

Yours truly, J. H. BROWN. The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the medium holds at least twenty per cent. more than the large, and small, equals for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion, and retails for 25 cts. O. J. WOOD & CO., Proprietors, 414 Broadway, New York, and 114 Market Street, St. Louis, Mo. And sold by all good Druggists and Family Grocers Dealers.

HEALTH & ITS PLEASURES, OR Disease with its Agonies: CROSS BETWEEN THEM.

What is more fearful than a breaking down of the nervous system? To be excited or nervous is a small disease; most distressing, for where can a remedy be found? There is one—drink but little wine, beer, or spirits, or far better, none at all. Eat but little meat; be temperate; get all the fresh air you can; take three or four Pills every night; eat plenty of solids, avoiding the use of stoppage and indigestible articles; follow the directions of the printed instructions in every bottle, and you will be happy in mind and strong in body, and forget you have any nerves.

Mothers and Daughters. If there is one thing more than another for which these Pills are so famous, it is their purifying properties, especially their power of cleansing the blood from all impurities, and removing dangerous and suspended secretions. Universally adopted as the one grand remedy for female complaints, they never fail, never weaken the system, and always bring about what is required.

Sick Headaches and want of Appetite. These feelings which so sadden us, most frequently arise from any amount of trouble, from obstructed perspiration, or from eating and drinking what is not for us, thus disordering the liver and stomach. These organs must be regulated, the blood purified. The Pills, if taken according to the printed instructions, will quickly restore a healthy action to both liver and stomach, whence a good appetite and a clear head. In the East and West Indies scarcely any other medicine is ever used for these disorders.

Disorders of the Kidneys. In all diseases affecting the kidneys, whether they secrete too much or too little water, or whether they are afflicted with stone or gravel, or with acids and pains settled in the loins over the regions of the kidneys, these Pills should be taken according to the printed directions, and the Ointment should be well rubbed into the small of the back at bed times. This treatment will give almost immediate relief when all other means have failed.

For Stomachs out of order. No medicine will so effectually improve the tone of the stomach as these Pills; they remove all acidity, occasioned either by intemperance or improper diet. They reach the liver and reduce it to a healthy action; they are wonderfully efficacious in cases of spasms—in fact they never fail in curing all disorders of the Liver and Stomach.

Ague, Bilious Complaints, Fits, Stomachic Disorders, Headache, Indigestion, Inflammation of the Bowels, Consumption, Dropsy, Dysentery, Female Irregularities, King's Evil, Stone and Gravel, Rheumatic Symp-toms, The-Douleur, Tumors, Worms of all kinds, Weakness from whatever cause, &c., &c.

CAUTION.—None are genuine unless the words "Holloway's New York and London" are discernible as a watermark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the name of, or vending the same, knowing them to be spurious.

*Sold at the Manufactory of Professor Holloway, 53 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine, throughout the civilized world, in boxes at 25 cts, 50 cts and \$1 each.

There is considerable saving by taking the larger sizes. N. B.—Directions for the guidance of patients in every disorder are affixed to each box. my3
