While the parents have been called to mourn over the loss of an affectionate and dutiful sen, the friends and companions of the deceased have mingled the tears of sympathy with the members of the family, for the early death of one who has passed away from the joys and sorrows of life, let us fondly hope, to a brigher and a happier sphere.

His name, like the evergreen, will live fresh in our remembrance, while we cease not to remember, that he was a dutiful son, an affectionate brother and a warm and true friend. His mildness of disposition and uniform kindness were high virtues, which will ever command our admiration and secure our regard. The evils of this transient and subtunary sphere have passed away forever, while his disembodied spirit has ascended to the realms of eternal space.

His prospects for pleasure and happiness and life itself were fairer than ours—but alss—the young and tender but has been nipped by a cruel and withering frost.

A sermon was delivered by the Rev. James S. Woods, D. D., from a passage particularly exemplified in the late experience of the deceased. Prov. xiv, 32—"The righteous have hope in his death." His remains, accompanied by mourning relatives, and followed by a large procession, were borne to the burial ground of a neighboring congregation, East Kishacoquillas, where other members of his family had been laid. At a meeting of Lewistown Lodge, No. 97, I. O. O. F., on Saturday evening, July 28th, the following resolutions were unanimously adopted:—

Whereas, It has pleased God, in his allwise providence, to call from our midst Brother James C. Delett, of Milroy, a member of Pleasant Hill Lodge, No. 97 I. O. O. F. Montgomery County, Maryland.

Resolved, That in the death of Bro. Dellett the order as lost a worthy member and the community a use-ul citizen. Brother Dellett was called away in the orime of his manhood, but we have every reason to believe that he had his house in order, and was ready believe that he had his house in order, and was ready to depart and be with his Saviour, which he considered far better. His wife and little daughter had preceded him to a better land, and now all that is left of the family is an orphan boy, five years of age. May the God of the Fatherless protect him, and lead him "into the vessel where Christ is, for there he will be safe from the storm."

Resolved, That we sympathize with the brethren of Pleasant Hill Lodge in the loss of their worthy member, and with the family and friends, in the loss of a dutiful son and brother, and that a copy of the above be sent to his Lodge and family.

During the year 1854, I was so unfortunate as to be thrown from my sulky against a rock near the roadside, from which my head received a most terrible blow, causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which, my hair was finally destroyed over the entire surface of the head. These and no other circumstances induced me to resort to your worthy Hair Restorative, which I have every reason to believe, produced a very happy result; two months after the first application, I had as beautiful a head of young hair as I ever saw, for which I certainly owe you my most sincere thanks. He was induced to use a bottle of your "Hair Restorative," which he liked very much; and after using some two or three bottles his hair grew out quite luxuriantly, and he now has a handsome head of hair. The gentleman's name is Bradford, and as he is very well known in our adjoining counties, many persons can testify to the truth of this statement; I give it to you at the request of Mr. Bradford. HOLLOWAY'S PILLS.

Nervous Disorders. What is more fearful than a breaking down of the nervous system? To be excitable or nervous in a small degree is most distressing, for where can a remedy be found? There is one—drink but little wine, beer, or spirits, or far better, none: take no coffee,—weak tea being preferable; get all the fresh air you can: take three or four Pills every night; eat plenty of solids, avoiding the use of slops; and if these golden rules are followed, you will be happy in mind and strong in body, and forget you have any nerves.

Mothers and Daughters.

If there is one thing more than another for which these Pills are so famous it is their purifying proper ties, especially their power of cleansing the blood from all impurities, and removing dangerous and suspended secretions. Universally adopted as the one grame removed for female complaints, they never fail, never remedy for female complaints, they never fail, never weaken the system, and always bring about what is re

Sick Headaches and want of Appetite. These feelings which so sadden us, most frequently arise from annoyances or trouble, from obstructed perspiration, or from eating and drinking what is unit for us, thus disordering the liver and stomach. These organs must be regulated if you wish to be well. The Pills, if taken according to the printed instance tions, will quickly restore a healthy action to both liver and stomach, whence follow as a natural consequence, a good appetite and a clear head. In the East and West Indies scarcely any other medicine is ever used for these disorders.

Disorders of the Kidneys.

In all diseases affecting these organs, whether they secrete too much or too little water; or whether they be afflicted with stone or gravel, or with aches and pains settled in the loins over the regions of the kidneys, these Pills should be taken according to the printed directions, and the olintment should be well rubbed into the small of the back at bed time. This treatment will give almost immediate relief when all treatment will give almost immediate relief when all other means have failed.

For Stomachs out of order.

No medicine will so effectually improve the tone of the stomach as these Pills; they remove all acidity, occasioned either by intemperance or improper diet. They reach the liver and reduce it to a healthy action; they are wonderfully efficacious in cases of spasm— in fact they never fail in curing all disorders of the Liver and Stomach.
