Celery Sauce for Boiled Fowls .- Wash the stalks, and cut them into thin slices about two inches long. Stew them till tender in a little weak gravy or water. Season with powdered mace, pepper and salt; then add the juice of a lemon, and thicken with a small piece of butter which has been kneaded in flour.

Pie Crust .- Take one pint of buttermilk, one large teacup of lard, one teasponful of salt, one teaspoonful of saleratus, and flour enough to form a dough. Mix the lard and flour by rubbing them together; then add the other ingredients, knead well, and it is ready to roll out. Tender and good.

Fried or Broiled Egg Plant.—Parboil it; cut into slices and season very highly with pepper and salt; fry or broil it (as you do mushrooms,)in a pan with butter. If nicely done, it is very similar in flavor to the mushroom.

A Safe Bet.-Several gentlemen were riding in a car lately when the conversation turned on the Presidential election, and the merits and prospects of Lincoln and others were discussed at large. After some time, a solemn individual, who had listened in silence, addressed the party thus:

'My friends, you are all wrong. Before the election of 1860, the world will have come to an end, and Christ will be President of the Universe.' Up started an enthusiastic gentleman

from the disunion State, who stutteringly said to the Millerite-

preserve the hair from being gray, and from falling to any age, as well as restore. Read the following:

Oak Grove, S. C., June 24th, 1859.

Prof. O. J. Wood: Dear Sir:—Your Hair Restorative is rapidly gaining popularity in this community. I have had occasion to lay prejudice aside, and give your Hair Restorative a perfect test:

During the year 1854. I was so unfortunate as to be thrown from my sulky against a rock near the road-side, from which my head received a most terrible blow, causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which, my hair was finally destroyed over the entire surface of the head. From the time I first discovered its dropping, however, up to the time of its total disappearance, I employed everything I could think of, being a professional man myself, and, as I thought, understanding the nature of the disease, but was finally defeated in every prescription advanced.

These and no other circumstances induced me to resor, to your worthy Hair Restorative, which I have every reason to believe, produced a very happy result; two months after the first application. I had as beautiful a head of young hair as I ever saw, for which I certainly owe you my most sincere thanks. Rest assured, dear sir, I shall recommend your remedy to all inquiers, moreover, I shall use my influence, which I flatter myself to say, is not a little.

You can publish this if you think proper.

Yours, respectfully, M. J. WRIGHT, M. D.
Office of the Jeffersonian. Philippi, Va., Dee 12, 1858.
Dear Str:—I feel it my duty as well as my pleasure, to state to you the following circumstance, which you can use as you think proper: A gentleman of this place, (a lawyer,) has been baid ever since his early youth; so much so, that he was compelled to wear a wig. He was induced to use a bottle of your "Hair Restorative," which he liked very much; and after using some two or three bottles his hair grew out quite luxuriantly, and he now has a handsome head of hair. The gentleman's name is Bradford, and as he is very well known in our adjoining counties, many persons can testify to the truth of this statement; if you have the proper agents. Yours &c.,

THOMPSON SURGHNOR.

Da. Wood Dear Sir: Permit me to express the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your "Hair Restorative" it soon recovered its original hue. I consider your Restorative as a very wonderful invention, quite efficacious as well as agreeable.

S. THALBERG.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion, and retails for \$3.

In all acute discases, such as Fevers, Inflammations, Diarrhea, Dysentery, Croup, Rheumatism, and such eruptive discases as Scarlet Fever, Measles, and Eryshgeas, the advantage of giving the proper remedies promptly is obvious, and in all such cases the specifics act like a charm. The entire discase is often arrested at once, and in all cases the violence of the attack is moderated, the discase shortened, and rendered less dangerous.

Coughs and Colds, which are of such frequent occurrence, and which so often lay the foundation of discased lungs, bronchitis and consumption, may all be at once cured by the Fever and Cough Pills.

In all chronic discases, such as Dyspepsla, Weak Stomach, Constipation, Liver Complaints, Piles, Femule Debility, and Irregularities, old Headaches, Sore or Weak Eyes, Catarrh, Sait Rheum, and other old craptions, the case has specifics whose proper application will afford a cure in almost every instance. Often the cure of a single chronic difficulty, such as Dyspepsia, Piles or Catarrh, Headache or Female Weakness, has more than paid for the case ten times over.
