Card and Circular Printing. We have now in operation a card press and are prepared to print Cards, Circulars, Bill Heads, back Envelopes, &c. in any quantity.

For want of room we are compelled to omit the McVeytown celebration and several other articles. Address to the People of Pennsylvania. Pennsylvania has spoken in thunder tones in behalf of the Union, of her industry, of freedom.

Indiana, Ohio and Minnesota have joined the Keystone State in demanding that sectional discord, wanton profligacy, and the desolation of free trade, shall cease to be the policy of the national government!

Let the friends of the right not be content with an ordinary victory--Abraham Lincoln can be called to the Presidency by a clear majority of the people of the United States, if all who shall rejoice at his coming will but cast their suffrages for him.

A. K. McClure, Chairman People's State Committee. The Dutch itch still continues to trouble the Lewistown Democrat, its issue last week having been full of what somebody said in Massachusetts about foreigners, a story probably just about as true as the double skulls, Pickard's dog, Stanbarger's dutch and Irish, and Gibbon's volunteer libel.

Now, little boys, for 50,000 majority. Gen Bob Fleming, it now appears was nominated for Congress and duly slaughtered in order to get him out of the road as a candidate for President Judge.

"Free White Labor"--"Labor owns no Master."

Among the banners in the Wide-Awake procession on the evening of the 5th, were two with the above appropriate inscriptions. The first was left in the Town Hall, and the Foster Club having met there Hon. Ephraim Banks, among others, was called upon to address the members present.

Now, let us look south a little, and what do we see? Why there are colored mechanics of all kinds--carpenters, masons, blacksmiths, shoemakers, &c., who perform nearly all the work on the plantation.
