Concentration is evidently the secret of success, and no one can deny this fact who will visit "The PREMICM CANE SEAT CHAIR MAN UFACTORY AND WAREROOMS," at Nos. 223 and 225 North Sixth street, opposite Franklin Square, Philadelphia. Mr. I. H. Wisler, the energetic and intelli-

gent proprietor of the establishment, gives his undivided attention to the manufacture of this single article—Cane Seat Chairs, and can without doubt furnish the best article for less oney than they can be purchased elsewhere. llis stock embraces the greatest variety of fashionable and elegant styles, suitable for Parlors, Drawingrooms, Diningrooms or Cham-bers, also, Ladics' Sewing Rockers, Children's hairs, &c., that can be found in Philadely hia. Ilis ambition is to fornish the best article for the least money, and with shrewd business calculation he has located himself where rent is low, yet in a central and prominent place. Everybody can remember Franklin Square,
