A GOOD DIALOGUE

[The scene of the following Interesting Dialogue is that of two farmers on opposite sides of a fence. Mr. Smith, who has beside him a basket of very small potatoes, is leaning on the fence looking wistfully over at Mr. Jones, who is digging a splendid crop of big Potatoes. A picture of the scene was prepared with the original dia-longue, and should be here, but we have not the engraving at hand. The dialogue is pleasing and instructive, and should be read by every one.]
