Want of really pure Braudy has long been felt in this country, and the opportunity to procure an article of such quality as to supersede the sale and use of the many vile compounds so often sold under the name of Brandy, can be regarded only as a great public good. As a beverage the pure article is a remedy for Dyspepsia, Flatulency, Cramp, Colic, Languor, Low Spirits, General Debility, &c., &c., Physicians who have been practicing twenty-six years speak of it in the most flattering terms, as will be seen by reference to numerous letters and certificates.
