

THE HOUSEKEEPER.

From Arthur's Home Magazine.
Irish Stew.—Take about two pounds of scrap or neck of mutton; divide it into ten pieces, laying them in a pan; cut eight large potatoes and four onions in slices, season with one teaspoonful of pepper, and three of salt; cover all with water; put it into a slow oven for two hours, then stir it all up well, and dish up in deep dishes. If you add a little more water at the commencement, you can take out, when half done, a nice cup of broth.

Orange Pudding.—Take half a pound of butter, six eggs, a pint of good sweet milk, or, better still, of sweet cream, one pound of grated sugar and a fresh orange. Rub the butter and sugar to a cream, add the eggs well beaten, and the juice and pulp of the orange; stir the whole well together for ten minutes and bake.

Molasses Cake.—Cut up a quarter of a pound of fresh butter into a pint of West India molasses. Warm it just sufficiently to soften the butter, and make it mix easily. Stir it well into the molasses, and add a tablespoonful of powdered cinnamon. Beat three eggs very light, and stir them, gradually, into the mixture, and turn with barely enough of sifted flour (not more than a pint and a half) to make it about as thick as pound cake batter. Add, at the last, a small or level teaspoonful of pearl-ash, or a full one of soda, dissolved in a very little warm water. Butter some small tin cake pans, or patty pans, put in the mixture, and set them immediately into the oven, which must not be too hot, as all cakes made with molasses are peculiarly liable to scorch on the outside.

THE ONLY PREPARATION THAT HAS

STOOD THE TEST OF YEARS, And grows more and more Popular every Day!

And testimonials, new, and almost without number might be given from ladies and gentlemen in all parts of society, who, united testimony none could resist, that Prof. Woods' Hair Restorative will restore the bald and gray, and preserve the hair of the youth to old age, in all its youthful beauty.

Battle Creek, Mich., Dec. 21st, 1858. Prof. Woods: Three will please accept a line to inform that the hair on my head all fell off over twenty years ago, caused by a complicated chronic disease, attended with an eruption on the head. A continual course of suffering through life having required me to a state of dependence, I have not been able to obtain stuff for caps, neither have I been able to do them up, in consequence of which my head has suffered extremely from cold. The friends here to pay Briggs & Hodges almost the last cent I had on earth for a two dollar bottle of thy Hair Restorative about the first of August last. It is a God-send, it follows the directions and the bald spot is now covered with hair thick and black, though short, it is coming in all over my head. Feeling confident that another large bottle would restore it entirely and permanently, I feel anxious to persevere in its use, and being destitute of means to purchase any more, I would ask thee if these would not be willing to send me an order of thine agents for a bottle, and receive to thyself the scripture declaration—"the reward is to those that are kind to the widow and the fatherless." Thy friend, S. SANNAH KIRBY.

Ligonier, Noble Co., Indiana, Feb. 5th, 1859. Prof. J. Wood: Dear Sir:—In the latter part of the year 1852, while attending the State and National Law School of the State of New York, my hair from some unknown cause, commenced falling off rapidly, so that in the short space of six months, the whole top of my scalp was almost entirely bare. Since that time, I have used seven dollars' worth of your Restorative, and as a result, I have a rich coat of very good hair, which is growing fast. As a mark of my gratitude for your labor and skill in the production of so wonderful an article, I have recommended it to my friends, and to all my acquaintances, who, I am happy to inform you, are using it with like effect. Very respectfully yours, A. M. LATTI, Attorney and Counselor throughout the world. Depot, 44 Broadway, and sold by dealers throughout the world.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds 1/2 pint, and retails for one dollar per bottle; the medium holds at least 23 drops, more in proportion; the small, retails for two dollars a bottle; the large holds a quart, 40 per cent, more in proportion and retails for \$2 a bottle.

G. J. WOOD & CO., Proprietors, 44 Broadway, New York, and 114 Market Street, St. Louis, Mo. And sold by all good Druggists and Fancy Goods Dealers.

Fruit Cans! Fruit Cans!

MORRETT'S Patent self sealing and self testing airtight Can. This can was extensively used last year, and I have made diligent inquiry as to its worth, and found it to be a favorite, because easily closed, perfectly airtight, and easily opened. Be sure you call at the sign of the BIG COFFEE POT. J. I. WALLIS.

P. S. We made a great mistake last year, by altering - d cans, because there were many air holes we could not discover, that when taken home they could not be closed, and therefore the can condemned. Lewistown, June 12.
