MORAL& RELIGIUOS

Don't get Discouraged.

Don't get discouraged! Who ever gained anything by drawing down the cor-ners of his mouth when a cloud came over the sun, or letting his heart drop like a lead weight into his sheaw when a misfortune came upon him? Why, man, if the world knocks you down and jostles past you in its great race, don't sit whining un-der people's feet, but get up, rub your elbows, and begin again There are some people who even to look at, is worse than a dose of chamomile tea. What if you do happen to be a little puzzled on the dollarand-cent question? others besides you have stood in exactly the same spot, and struggled bravely out of it, and you are neither halt, lame, nor blind, that you cannot do likewise! The weather may be dark and rainy-very well-laugh between the drops and think cheerily of the blue sky and sunshine that will surely come to morrow!— Business may be dull; make the best of what you have, and look forward to something more hopeful. If you catch a fall, don't lament over your bruises, but be thankful that no bones are broken. If you can't afford roast beef and plumb pudding, thank the stars for the indigestion and dyspepsia you thereby escape! But the moment you begin to groan over your troubles and count up the calamities, you may as well throw yourself over the docks and be done with it. The luckiest fellow that ever lived might have woes enough, if he set himself seriously to work looking them up. They are like invisible specks of dust; you don't see them till you put on your spectacles to discover what is a great deal better left alone.

Don't get discouraged, little wife! Life is not long enough to spend in inflaming your eyes and reddening your nose because the pudding won't bake, and your husband says the new shirts you worked over so long 'set like meal bags.' Make another pudding—begin the shirts anew! Don't feel 'down in the mouth' because dust will settle, and clothes will wear out, and crockery will get broken. Being a woman don't procure you an exemption from trouble and care; you have got to fight the battles of life as well as your husband, and it will never do to give up without a bold struggle. Take things as they come, good and bad together, and whenever you feel inclined to cry, just change your mind and laugh! Keep the horrors at arms length; never turn a blessing round to see if it has got a dark side to it, and always take it for granted that things are blessings until they prove to be something else.

Never allow yourself to get discouraged, and you'll find the world a pretty comfortable sort of a place after all.

AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD. And for the speedy cure of the following complaints: Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

Pimples, Pustules, Blotches, Bolls, Blains, and all Skin Diseases.

Oakland, Ind., 6th June, 1850.

J. C. Ayer & Co. Genis: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrotilous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In lact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made anust be good. I sent to Cheinmat and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scale, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostics of the age, and remain ever gratefully.

External Scale I had the my state I had you to be one of the apostics of the age, and remain ever gratefully.

External Scale I had you had present a late of the postics of the age, and remain ever gratefully.

External Scale I had you had present a late of the postics of the age, and remain ever gratefully.

Dr. Robert M. Preble writes from Salem, N. Y., 12th
Sept., 1859, that he has cured an inveterate case of
Dropsy, which threatened to terminate fatally, by the
persevering use of our Sarsaparilla, and also a dangerous
Malignant Erysiphias by large doses of the same; says
he cures the common Eruptions by it constantly.

Zebulon Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Goire — a hideous swelling on the neck, which I had suffered from

cons swelling on the neck, which I had suffered from over two years."

Leucorrhea or Whites, Ovarian Tumor, Uterine Ulceration, Pennale Diseases.

Dr. J. B. S. Charning, of New York City, writes; "I most cheerfully comply with the request of your agent in saying I have found your Sarapatilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Fonale Diseases of the Scrofulous diathesis. I have crued unany inveterate cases of Leucorrhea by it, and some where the complaint was caused by ulceration of the uteries, The ulceration itself was soon cured. Nothing within my knowledge equals it for these founds derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A dangerous corrien tumor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extipation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Symptom of the disease remains.

Sy philis and Mercurial Disease.

New Orleans, 25th August, 1859.

Dr. J. C. Ayen; Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Saraparilla.

I have curred with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Venered and Mercurial Disease. One of my patients had Syphillite ulcers in his throat, which were consuming his palate and the op of his mouth. Your Saraparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration land eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Saraparila; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by morcury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, t.o. was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternaity yours. G. V LARIMER, M. D.

Rheumatism, Gout, Liver Complaint.

Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Preston Co., Va., 6th July, 1859.
Dr. J. C. Ayre: Sir, I have been allicted with a painful chronic Rheumatism for a long time, which baffled the skill of physicians, and stack to me in spite of all the remedies I could find, until I tried your Farsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM.

Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Rheumatism, Gout, Liver Complaint.

Schirrus, Cancer Tumors, Enlargement, Ulceration, Carles and Exfoliation of the Hones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratist of all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia

Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness,
Croup, Bronchitis, Incipient Consumption, and for the Relief
of Consumptive Patients
in advanced Stages

This is a renedy so universally known to surpass any
other for the cure of threat and lung complaints, that it
is unseless here to publish the evidence of its virtues. Its
unrivalled excellence for coughs and colds, and its truly
wonderful cures of pulmonary disease, have made it
known throughout the civilized nations of the earth.
Few are the communities, or even families, among them
who have not some personal experience of its effects—
some living trophy in their midst of its victory over the
subtle and dangerous disorders of the throat and lungs.
As all know the dreadful fatality of these disorders, and
as they know, too, the effects of this re medy, we need not
do more than to assure them that it has now all the virtues that it did have when making the cures which have
won so strongly upon the confidence of mankind.
