PILLS. Are you sick, feeble, and complaining? Are concerted order, with your system de-ranged, and your feelings un-comfortable? These sympcomfortable? These symp-toms are often the prefude to serious illness. Some fit of sickness is creeping upon you, and should be arerted by a timely use of the right rem-edy. Take Ayer's Fifs, and cleause out the disordered hu-mors—purify the block and let the fluids move on unob-structed. In health sgain, They stimulate the functions

the burify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-sosted and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1858. From a Forwarding Merchant of St. Louis, Feb. 3, 1988.

D. ATEL: Your Pills are the paragon of all that is creat in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic. From Dr. E. W. Curteright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach. Prom Dr. Edward Boyd, Bultimore.

Dran Bro. Avrn: I cannot answer you what complaints I have cared with your Pills better than to say all that we ever treat with a purpative medicine. I place great dependence on an effectual catharite in my daily contest with discase, and believing as I do that your Pills afford us the best we have, I of course value them highly.

Dn. J. C. Aten. Sir: I have been repeatedly cured of the worst headrene may body can have by a dose or two of your Fills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PREBLE, Clerk of Steamer Clarion Billions Disorders - Liver Complaints.

Billous Disorders—Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an apprient, but I flud their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bitom complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the peaks.

Detarrizers of the Esternics. }

Six: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathettic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of this torgan. Indeed, I have seldom found a case of bilious disease so destinate that it did not readily yield to them. I raternally yours, A LONZO BALLA M. D. Theysician of the Marine Hospital. Dysentery, Diarrhea, Relax, Worms.

From Dr. J. G. Green, of Chicago.

Your Fills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterntive effect upon the liver makes them an excellent remedy, when given in small does for billions dysenlery and diarrhea. Their sugar-coating makes them very acceptable and convenient for the use of women and children. Dyspepsia, Impurity of the Blood.

Dyspensia, impurity of the Bioon.

From Rev. J. J. Hines, Pustor of Advent Charch, Boston.

Dr. Ayer: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

From Dr. J. P. Vaughn, Mentreel, Canada.

Too much cannot be said of your Pills for the cure of cativeness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe exclusions to originate in the liver, but your Pills affect that organ and cure the disease.
