

THE HOUSEKEEPER.

Cake, (Bread).—When you are making wheat bread, and the dough is quite light and ready to bake, take out as much of it as would make a twelve cent loaf, and mix with it a teaspoonful of butter that has been softened and stirred about in a teacup of warm milk. Add also a beaten egg.—Knead it very well, put into a square pan, dredged with flour, cover it and set it near the fire for half an hour. Then bake it in a moderate oven, and wrap it in a thick cloth as soon as it is done. It is best when fresh.

Biscuit, (Sugar).—Three pounds of flour, three quarters of a pound of butter, one pound of sugar, one quart of sponge. Rub the flour, butter, and sugar together, then add the sponge, with as much milk as will make a soft dough. Knead well and replace it in the pan to rise. This must be done in the afternoon; next morning knead lightly, make it into small cakes, about the size of a silver dollar, and half an inch in thickness; place them on slightly buttered tins, one inch apart each way, set them in a warm, elevated place to rise; when light, bake them in a quick oven; when done, wash them over with a little water, not having the brush too wet, and let them remain on the tins too cool.

Cake, (Black) that will keep a year.—Sugar one pound, butter one pound, flour one pound, ten eggs, quarter of a pint of brandy, raisins two pounds, currants two pounds. Mace, nutmegs, and cloves to flavor. Bake it well.

Apples.—Rub a pound of fresh butter into two pounds of sifted flour, and mix in a pound of powdered white sugar, a grated nutmeg, a tablespoonful of powdered cinnamon, and four large tablespoonful of caraway seeds. Add a wine glass of rose water, and mix the whole with sufficient cold water to make it a stiff dough. Roll it out into a large sheet about a quarter of an inch in thickness, and cut it into round cakes with a tin cutter or with the edge of a tumbler. Lay them in buttered pans, and bake them in a quick oven (rather hotter at the bottom than at the top,) till they are of a very pale brown.

Buns, (Franklin).—Six ounces of butter, three quarters of a pound of sugar, half a pound of flour, one gill of cream, one wine-glassful of rosewater, one wine-glassful of wine, the grating of one nutmeg, two yeast powders (white and blue). Beat the butter and sugar until light, stir in the cream gradually with half the flour; then whisk the eggs until thick, and add with the remaining flour, half at a time; beat well. Then take the yeast powders (the blue one first,) and mix with the rosewater, which stir in gradually; then the other yeast powder, (the white paper), which mix with the wine, and add, in like manner, with the nutmeg. After beating all well together, butter a square pan, put in the mixture, and bake in a moderate oven. When done, sift over white sugar, and cut into squares.

Buns, (Philadelphia).—Take a pound of flour, the rinds of three lemons grated fine, half a pound of butter melted in a coffee-cup of cream, a tablespoonful of yeast, and three eggs. Mix; add a half pound of finely powdered white sugar; work well, let it stand to rise well, and it will make thirty-nine buns.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? Are your bowels constipated? These symptoms are often the forerunners of serious illness. Some fit of sickness is creeping upon you, and you are unable to get a timely use of the right remedy. Take Ayer's Pills, and cleanse out the deranged system. They stimulate the functions of the body into vigorous activity, purify the system from all impurities, and restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous diseases. The same purgative effect exists there. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them safely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Farming Merchant of N. Louis, Pa. 4, 1854.
Dr. Ayer: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of a dangerous illness, and have also cured me of a long and painful complaint. I have used your Pills for several years, and have never known any other medicine so effectual in curing the most obstinate cases of constipation, and in restoring the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous diseases. The same purgative effect exists there. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them safely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

As a Family Physic.
From Dr. E. W. Cartwright, New Orleans.
Your Pills are the pines of purgatives. Their excellent qualities surpass any cathartic we possess. They are not only safe, but they are pleasant to take, and they are so effectual in curing the most obstinate cases of constipation, and in restoring the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous diseases. The same purgative effect exists there. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Headache, Sick Headache, Foul Stomach.
From Dr. Edward Boyd, Baltimore.
I have used your Pills for several years, and have never known any other medicine so effectual in curing the most obstinate cases of constipation, and in restoring the natural action of the system, and with it the buoyant feeling of health again. Bilious Disorders—Liver Complaints.
From Dr. Theodore Bell, of New York City.
Not only are your Pills admirably adapted to their purpose as a purgative, but I find their beneficial effects upon the biliousness and liver complaint. They have cured me of a long and painful complaint, and have also cured me of a long and painful complaint. I have used your Pills for several years, and have never known any other medicine so effectual in curing the most obstinate cases of constipation, and in restoring the natural action of the system, and with it the buoyant feeling of health again. Dysentery, Diarrhea, Relax, Worms.
From Dr. J. G. Green, of Chicago.
Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best remedies I have ever used. They have cured me of a long and painful complaint, and have also cured me of a long and painful complaint. I have used your Pills for several years, and have never known any other medicine so effectual in curing the most obstinate cases of constipation, and in restoring the natural action of the system, and with it the buoyant feeling of health again. Constipation, Costiveness, Suppression, Rheumatism, Gout, Scourging, Dropsy, Paralysis, Etc., &c.
From Dr. J. P. Vaughn, of New York City.
Too much cannot be said of your Pills for the cure of constipation. I have used them for many years, and have never known any other medicine so effectual in curing the most obstinate cases of constipation, and in restoring the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous diseases. The same purgative effect exists there. From the Rev. Dr. Hawley, of the Methodist Episc. Church, PELASHI HOUSE, Savannah, Ga., Jan. 6, 1855.
HONORED SIR: I should be gratified for the relief you would afford me if I did not feel your case to be a case. A cold settled in my lungs and brought on a severe cough, which I have not been able to get rid of. I have used your Pills for several years, and have never known any other medicine so effectual in curing the most obstinate cases of constipation, and in restoring the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous diseases. The same purgative effect exists there. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them safely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.
