From Arthur's Home Magazine for May. Clear Starching .- Collars, undersleeves, or handkerchiefs, of very fine muslin or lace, will not bear much squeezing or rub-bing when washed. They can be made perfectly white and clean without either by the following process: Rinse them earefully through clear water, then soap them well with white soap; place in a flat dish or saucer, and cover them with water; place them in the sun. Let them remain two or three days, changing the water frequently, and turning them. Once every day take them out, rinse carefully, soap and place in fresh water. The operation is a edious and rather troublesome one, but the finest embroidery or lace comes out perfeetly white, and is not worn at all, where in common washing it would be very apt to tear. When they are white, rinse and starch in the usual way.

A Delicate Dessert .- Lay half a dozen erackers in a tureen; pour enough boiling water over them to cover them. In a few minutes they will be swollen to three or four times their original size. Now grate loaf sugar and a little nutmeg over them, and dip on enough sweet cream to make a nice sauce; and you have a delicious and simple dessert that will rest lightly upon the stomach-and it is so easily prepared. Leave out the cream, and it is a valuable recipe for sick room cookery.

Beef Pie - Make a nice crust a little richer than for biscuit; chop up pieces of boiled round of beef, when you have them cold; season with salt, pepper and butter, and onions if you like; line a basin with crust rolled about half an inch thick; fill with the beef moistened with gravy or water: dredge in a little flour; cover; bake half

Rich Plain Cake .- Beat a pound of butter to a cream and add a pound of brown sugar, rub in for ten minutes longer, then add eight eggs, two at a time, whole is very smooth, then stir in a pound and State, plain whole is very smooth, then stir in a pound and State, plain and s till it is well mixed. Season with a little nutmeg, add a pound of currants, together with citron and orange peel cut into pieces. Bake two hours.
