The Best Tool For Tillage.

The stirring of the soil, after the crops are first started, is a matter of the first importance: From one half to three fourths of a crop of corn may be made by tillage alone. On old land, well stocked with weeds, not over twenty bushels to the acre could be realized without cultivation .-Twice hoeing and cultivating would probably add ten bushels to the acre, and twice more would bring the crop up to forty bushels per acre. We have seen estimates from farmers who experimented upon this point, showing that every hoeing added from five to ten bushels to the acre.

A great deal of ingenuity has been expended upon the implements of tillage. The hoe is good enough, but for its expensiveness. The light horse plow, or sweep, is much more economical; but these tools require two or three furrows to each row, and are a pretty heavy tax upon the strength of the horse. The horse harrow, and cultivator, are great improvements on the plow, for they are much lighter and stir the ground deep enough. The horsehoe is a much lighter implement than the cultivator, and if a farmer is investing in new tools, he should get this in preference to the cultivator. It is merely a question of economizing the strength of the horse. A good steel-toothed cultivator will make a clean sweep of every weed within an inch of the rows of corn, and stir the ground deep enough. A horse-hoe could not do the work much better, though it would draw easier and the horse might get over a little more ground in a day.

We need not so much better implements of tillage as a more frequent use of those we have. Corn can be cultivated wholly with the horse, after the first weeding, if the rows run both ways; and we doubt if any better use can be made of horse flesh after the first of June than to keep it running between the rows of corn. We are confident that five times cultivating will pay much better than once or twice. As between the horse-hoe and the steel toothed cultivator upon smooth land, we should say that is the best which is most used .-American Agriculturist.

Too Old to Plant Trees.

This is the complaint of many a man in middle life or when rounding over the hill of his pilgrimage. He thinks he shall never live to eat of their fruit or to sit beneath their shade; so it will be of no use to plant. He's too old, too old!

What if you dont live, dear man, that is no reason for not planting. Suppose your predecessors had refused to plant those orchards from which you annually gather apples and pears, what would have been your lot now? And would you bless or curse their memories for their selfishness? Suppose your fathers had refused, for the same reason, to plant shade trees along the margins of your village streets, where would be those noble avenues in which the present generation rejoices, and which makes your ancestors' names words to be spoken only with reverence and praise? If you indulge such a churlish disposition, it is doubtful whether you will live very long to enjoy anything; such a spirit sucks the fountain of life dry quite early. Each generation receives a dowry from the preceding, and should hand over the inheritance much enlarged to the one following

The Rural New Yorker once reported the receipt of some extra fine maple sugar from Mrs. Knapp, of Clarkson, N. Y., who was then eighty-five years old. This lady gathered the sap and made the sugar herself from trees planted near her dwelling after she was sixty years of age! What will our grumblers say to that!-Ib.

AYER'S

Can dayord CATHARTIC Falcuetto PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your eystem deranged, and your feelings uncomfortable? These symptoms are often the prelude to sciences is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pilk, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pilk, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and damperous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the haatural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pilks, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Peb. 4, 1856. From a Forearding Merchant of St. Louis, real, a Parallel Dr. Ayer: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of alcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

Headache, SickHeadache, Foul Stomach.

From Dr. Edward Boyd, Baltimore.

Dran Bro. Aven: I cannot answer you what complaints
I have cared with your Pills better than to say all that we
ever treat with a puryative medicine. I place great dependence on an effectual cathartic in my daily contest with
disease, and believing as I do that your Pills afford us the
best we have, I of course value them highly.

PITTSBURG, Pa., May 1, 1855.

DR. J. C. Ater. Sir: I have been repeatedly cured of
the worst headache any body can have by a dose or two
of your Pills. It seems to arise from a foul stomach,
which they cleanse at once.
Yours with great respect,

ED. W. PREBLE,
Clerk of Steamer Clarion.

Bilious Disorders - Liver Complaints. Billous Disorders—Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilous complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

Department of the profession and the people.

Department of the Interior, washington, D. C., 7th Feb., 1856.

Siz: I have used your Fills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious discors so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine Hospital.

Dysentery, Diarrhaa, Relax, Worms.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients 1 have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrheat. Their sugar-coating makes them very acceptable and convenient for the use of women and children. Dyspepsia, Impurity of the Blood.

Prom Rev. J. V. Himes, Pistor of Advent Church, Boston.
Dr. Ayrr: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES.

Warsaw, Wyoming Co., N. Y., Oct. 24, 1855.

Dear Sii: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the foundains of the blood.

JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Vauglon, Montreel, Cronda.

Too much cannot be said of your Pills for the cure of costireness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multifudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe costireness to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston. From Mrs. E. Maart, Physician and Mauely, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomack and expel worms. They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church. From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

PCLASEI HOUSE, Sayannah, Ga., Jan. 6, 1856.

HONORED Sir.: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge, La., 5 Dec. 1855.
DR. AYER: I have been entirely cured, by your Pills, of Rheumatic Gout—a painful disease that had afflicted me for years.

Rep Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever. Price, 25 cents per Box, or 5 Boxes for \$1.
