

THE HOUSEKEEPER.

Mutton Hams.—A correspondent of the London Field gives the following directions for pickling mutton hams. Procure a plump leg of mutton, wipe it dry, and put it in a pickle, made of 3 gallons of soft water, 1 lb. coarse sugar, 2 oz. salt-peter, 3 lbs. common salt. Boil the above ingredients together, remove the scum as it rises, and immerse the meat when cold. In two or three months' time the ham will be excellent for baking or boiling; a slice cut out and broiled, is very good. It may be smoked, but is by many preferred without that process.

Cherry Pudding.—Contributed to the American Agriculturist by Mary R. Burwell, Crawford county, Pa. Take 3 teacupfuls of buttermilk, 3 eggs, 3 teacupfuls of pitted cherries, a small teacupful of soda, and a pinch of salt. Stir the mixture well, and thicken with wheat flour, until a stiff batter is formed; then put it in a muslin or a linen bag, and boil it 2 1/2 hours. The water should be boiling, when the pudding is introduced. Serve up hot, with sauce to the taste. Sweet cream and sugar make a very palatable accompaniment.

Corn Bread.—Contributed to the American Agriculturist by Mary C. Chillicothe, O. Dissolve one tablespoonful of butter in 3/4 pint of boiling milk; in this scald 1 quart of Indian meal. When cool, add 1/2 pint of wheat flour, 1/2 cup sugar, 1 teacupful of salt, 2 eggs, well beaten. Bake in two cake tins, well greased.

Dough Cake.—Contributed to the American Agriculturist by Susan Jane, Burlington, Ind. Mix 4 cups of bread dough, 3 of sugar, 2 of butter, 1 gill of wine, 3 eggs, 1 teacupful of soda dissolved in sour milk, and nutmeg or other spice. Pour the batter in a buttered pan; let it rise; then bake two hours.

Dutch Pancake.—One egg; 1 large spoonful sugar; 1 cup of milk; 2 tablespoonful melted butter; 1 teacupful cream tartar; 1/2 teacupful of soda; a little salt; add flour to make them as thick as pancakes. Bake 1/2 hour, slice and use them with warm butter. For half a dozen persons, take double the above quantities.

Measures Loaf Cake.—Three cups of milk; 2 cups sugar; 1 cup yeast. Make a stiff batter and let it rise; then add two cups of butter; 2 cups of sugar; 2 eggs; 1/2 cup of yeast, mace and nutmeg. When light, stir in the fruit and bake.

Lard Candles.—Contributed by David Shaver, Perry co., Pa. Take 12 lbs. of lard, 1 lb. alum, 1 lb. salt-peter; dissolve them together, put into a vessel with 1 gill of boiling water. Pour it into a pot, and stir it over a slow fire, until done frothing; then operate as on tallow candles. It makes pretty good candles.

Having been appointed agent for the sale of the Williamsport Company's Tubing for water courses, which is the best and cheapest ever manufactured, he invites attention to the following reasons for its use:

1. It is made of pine and perfectly healthy.
2. It is the cheapest pipe made.
3. It is the easiest laid down.
4. It is not liable to get out of order.
5. It keeps water sweet and pure.
6. Being small, it soon becomes saturated with water.
7. It is durable, lasting from 20 to 30 years.
8. It has a large bore, and is not liable to choke.
9. It can be made larger to bear pressure.
10. Iron will fill with incrustation, or will rust out.
11. The mineral of lead and iron is very unhealthy.
12. Iron and lead, same size, will cost 6 times as much.

AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints: Scrofula and its various affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blisters, Boils, Blains, and all Skin Diseases.

J. C. AYER & Co. Gentl: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having suffered from Scrofula for many years, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and troublesome. I tried many medicines and several physicians, but without success. I then bought your Sarsaparilla, and used it for a month, and used it for three bottles. Now and healthy skin soon began to form under the scab, which after a few days fell off. My skin is now clear and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you that I feel better than I have for many years, and remain ever gratefully,
ALFRED B. TALLEY.

St. Anthony's Fire, Rubeol or Erysipelas, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of Dropsy, which threatened not only his life, but the preserving use of his Sarsaparilla and also a dangerous Malignant Erysipelas by large doses of the same; says he cured his case by using your Sarsaparilla for two years.

Bronchocoe, Gout or Swelled Neck.

Zelation Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Gout—a habit of swelling on the neck, which I had suffered from over two years."

Leucorrhoea or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. Clanning of New York City writes: "I most cheerfully comply with the request of your agents in saying I have found your Sarsaparilla a most excellent alternative in the numerous complaints for which we employ it, and especially in Female Diseases of the Scrofulous kind, not forming nearly so many inveterate cases of Leucorrhoea by it, and some where the complaint was caused by absorption of the uterus. The absorption of the uterus is cured by your Sarsaparilla when any knowledge equal to it for these female derangements."

Edward S. Marrow, of Newbury, Ark., writes: "A dangerous disease named an erysipelas of the face, which had defied all the remedies we could employ, but at length being completely cured by your Extract of Sarsaparilla. One physician thought me dying, and another thought could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved successful. After taking your remedy eight weeks my skin was clear and my health restored."

Syphilis and Mercurial Disease.

NEW ORLEANS, 24th August, 1859.
Dr. J. C. AYER: Sir, I cheerfully comply with the request of your agents in saying I have found your Sarsaparilla a most excellent alternative in the numerous complaints for which we employ it, and especially in Female Diseases of the Scrofulous kind, not forming nearly so many inveterate cases of Leucorrhoea by it, and some where the complaint was caused by absorption of the uterus. The absorption of the uterus is cured by your Sarsaparilla when any knowledge equal to it for these female derangements."

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found the effect truly wonderful in the cure of Erysipelas, Mercurial Disease. One of my patients had syphilitic ulcers in his throat, which were consuming his pulse and the top of his month. Your Sarsaparilla cured him, and cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had spread to the nostrils, and he was in a very dangerous condition. Your Sarsaparilla cured him, and cured him in a few weeks. I know none of these things which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results will be of great service to you.

Respectfully yours,
G. V. LAMIER, M. D.

Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Preston Co., Va., 6th July, 1859.
Dr. J. C. AYER: Sir, I have been afflicted with a painful Rheumatism of the hip, which has long since been cured by your Sarsaparilla, and I have been a broken-down man since that time. I have been cured by your Sarsaparilla, and I have been a broken-down man since that time. I have been cured by your Sarsaparilla, and I have been a broken-down man since that time.

Respectfully yours,
G. V. LAMIER, M. D.

Dyspepsia, Headache, Fits, Epilepsy, Mania, &c.

Many remarkable cures of these affections have been made by the alternative power of this medicine. It stimulates the system, and restores the vitality of the system, and restores the vitality of the system, and restores the vitality of the system.

Such a remedy has long been required by the necessities of the people, and we are confident that this will be the best of all that have been tried.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF Coughs, Hoarseness, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in the Advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of the above mentioned affections, that it is useless here to publish the evidence of its virtues. Its unrivaled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, which have been known throughout the civilized portions of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living truly in their midst of its virtues, and some who have known the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, it is not surprising that it should be so generally used, and that it should be so generally used, and that it should be so generally used.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass.
Sold by Charles Ritz, Lewistown, Jacob Metz, Allegheny, H. S. McNabb & Co., Belleville, R. M. Kinloch, Deedserville, B. Gray, White Hall, and by Dealers everywhere.
