From the American Agriculturist for August. Blackberry Wine.—Several recipes for making this have been published in the Agriculturist, nearly all of which we have tried. The following has proved best in our own experience. Take the ripe berries, picking out the decayed ones, and press out the juice through a close linen cloth. To each quart of juice add one quart of water in which is dissolved two pounds of good white sugar-second quality, or 'B. sugar' answers well. Put into glass bottles or stone-ware jugs, and cover the mouth with millinet or any open woven cloth to admit air and keep out insects. Set in the cellar for six months, more or less, and then pour off carefully from the lees into clean bottles, and cork up for use as wanted. For large quantities, clean oaken barrels may be used, covering the bung with millinet. It is not essential to rack off the wine until wanted for use or for sale.

Pickling Ripe Cucumbers—Good.—At our request, Mrs. S. Gooding, Niagara Co., N. Y., furnishes for the Agriculturist the following directions for a preparation of cucumbers, which is pronounced extra good by several of our acquaintances who have tried them: Take ripe cucumbers, when yellow but not soft; pare and remove seeds; cut lengthwise into quarters, or if they are very large, cut into pieces smaller than quarters; put into a kettle with just water enough to cover them, adding a handful of salt, or enough to make a weak brine; boil until cooked through, but not soft, (a little alum added will harden the pickles); take out and drain well from the brine; place and Children's wear, all of neat finish and exthem in stone-ware or glass jars, and cover with a syrup made by boiling a quart of vinegar with four pounds of sugar, skimming it clear. Spice by boiling in the syrup, cloves and cinnamon tied in a bag. Cover the jars and set aside in a cool place, and they will keep well through the year.

Cucumber Catchup.-Judging from the number of recipes in vogue, we should say that 'catchup' could be made of any vegetable that grows, as well as sundry other things that are not ranked as vegetablesthe general formula being: Plenty of all sorts of strong spices, and a small quantity of anything else you choose, from a tomato to a green walnut, or boiled bass-wood chips. (Green walnuts, or butternuts, by the way, do make good catchup as well as good pickles.) An excellent housekeeper of our acquaintance furnishes for the Agriculturist the latest recipe for catchup, said to be very good; to wit: Take green cucumbers, pare and chop very fine; sprinkle on salt, and let them stand an hour or so; put into a strong cloth, and press out all the liquid possible; put the fine pieces remaining into bottles, and add vinegar, black pepper, and salt. Cork tightly and set aside for use. Small bottles are preferable, so that only a small quantity may be opened at a time, as it molds after much exposure

Nice Pop Overs.—Mrs. S. B. P., of Queens Co., N. Y., furnishes to the American Agriculturist a recipe for pop overs, which having been tried and fully approved in the editor's family, is here 'passed along' for the benefit of others; Stir the yolks of two eggs with two teacupsful of milk, two cups of flour, and a little salt. Beat the whites of the two eggs to a froth, and then add it to the batter. Dip one and a half to two tablespoonsful of the batter into each patty pan, and bake twenty min-utes in an oven about hot enough for bread.

Delicate or Silver Cake-Cheap and Good-The following is to be credited to the American Agriculturist, which is 'responsible'-no matter now who furnished the recipe: Take two teacupsful of white sugar, three-fourths of a cup of butter, one cup of sweet milk, four cups of flour, the whites of four eggs beaten to a stiff froth, one teaspoonful of soda, and two of cream of tartar, and flavor with vanilla, nutmeg or lemon, or as you like. First rub the butter and sugar to a cream, and then add the other ingredients. Bake in a quick

Rooster Cake.-Contributed to the American Agriculturist by 'Aunt Molly.' -(This is a queer name, nevertheless the cake may be good .- Ed. )-Two cups sugar, one cup butter, four eggs, one teaspoonful saleratus, and a little dried fruit. Drop it in a dripping pan, and bake 15 minutes in

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Fifts, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Fifts, and see how directly they restore the natural action of the system, and with it the body, and obstructions and derangements of the activity purify the system from this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Fifts, will neglect to employ them when suffering from the disorders they cure.

Dr. Ayer: Your Fills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Fills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic.

From Dr. E. W. Carberight, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach. From Dr. Edward Boyd, Bultimore.

Dean Bro. Aven: I cannot answer you what complaints
I have corred with your Pills better than to say all that we
ever treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with
disease, and believing as I do that your Pills afford us the
best we have, I of course value them highly.

PRISEURG, Pa., May 1, 1855.

DR. J. C. ATER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect,

Bilious Disorders - Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bidious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

Sit: I have used your Fills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldem found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine Hospital.

Dysentery, Diarrhea, Relax, Worms.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent romedy, when given in small doses for bilious dysentery and diarrhea. Their sugar-coating makes them very acceptable and convenient for the use of women and children.
