

NATURAL HISTORY.

The Mocking Bird.

This extraordinary bird is peculiar to the new world, inhabiting a considerable portion of both North and South America. A warm climate and low country seem most congenial to their nature; they are therefore much more numerous in the southern than the northern states.

The plumage of the mocking bird has nothing gaudy or brilliant in it; but that which so strongly recommends him is his full, strong, and musical voice, capable of almost every modulation, from the mellow tones of the wood thrush, to the savage screams of the bald eagle.

The mocking bird loses little of the power and energy of his song by confinement. In his domesticated state, when he commences his career of song, it is impossible to stand by uninterested.

This excessive fondness for variety, however, in the opinion of some, injures his song. His elevated imitations of the brown thrush, are frequently interrupted by the crowing of cocks, and the warblings of the blue bird, which he exquisitely manages, are mingled with the screaming of swallows, or the cackling of hens; amidst the simple melody of the robin, we are suddenly surprised by the reiterated notes of the whippoorwill; while the notes of the killdeer, blue jay, martin, Baltimore, and twenty others, succeed with such imposing reality, that we look round for the originals, and discover, with astonishment, that the sole performer in this singular concert is the admirable bird before us.

The mocking bird is nine and a half inches long. The upper parts of the head, neck, and back, are a dark brownish ash; the under parts are of a brownish white. His figure is well proportioned and handsome.

WATER PIPE

Having been appointed agent for the sale of the Williamsport Company's Tubing for water courses, which is the best and cheapest ever manufactured, he invites attention to the following reasons for its use:

- 1. It is made of pine and perfectly healthy.
2. It is the cheapest pipe made.
3. It is the easiest laid down.
4. It is not liable to get out of order.
5. It keeps water sweet and pure.
6. Being small, it soon becomes saturated with water.
7. It is durable, lasting from 20 to 30 years.
8. It has a large bore, and is not liable to choke.
9. It can be made larger to bear pressure.
10. Iron will fill with incrustation, or will rust out.
11. The mineral of lead and iron is very unhealthy.
12. Iron and lead, same size, will cost 6 times as much.

AYER'S CATHARTIC PILLS. Are you sick, feeble, and complaining? Are you out of order, with your system deranged, your bowels constipated, and your head uncomfortable? These symptoms are often the prelude to serious disease. Some of these ailments are creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humor—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease, and restore the system to its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aches and pains, and other distressing symptoms. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and give you the most refreshing feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the most dangerous and distressing diseases. The same purgative effect exists there. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. Some who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure. Statements from leading physicians in some of the principal cities, and from other well known public persons. From a Forwarding Merchant of St. Louis, Feb. 4, 1856. Dr. AYER'S Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcers upon her hands and feet that had proved incurable for years. Her mother is now long gone, and she is afflicted and pining away in the hospital in her bed. After her child was cured, she also tried your Pills, and they have cured her. ASA MORRIDGE. As a Family Physic. From Dr. J. W. Waterbury, New Orleans. Your Pills are the best of purgatives. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, and render them invaluable to us in the daily treatment of disease. Headache, Sick Headache, Pail Stomach. From Dr. Edward Boyd, Baltimore. DEAR DR. AYER: I cannot answer you what complaint I have cured with your Pills better than to say all that we ever treat with a purgative and find relief. I have depended on an effectual cathartic in my daily course with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly. PERRIN, Pa., May 1, 1855. Dr. J. C. AYER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. Yours with great respect, ED. W. PEEBLE, Clerk of Steamer Clarion. Bilious Disorders—Liver Complaints. From Dr. Theophilus Bell, of New York City. Not only are your Pills admirably adapted to their purpose as an aperient, but they have the beneficial effects upon the Liver very markedly indeed. They have in my practice proved more efficacious for the cure of Liver complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people. DEPARTMENT OF THE INTERIOR, Washington, D. C., 24 Feb, 1859. SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom seen a case of bilious disease so obstinate that it did not readily yield to them. Fraternalty yours, ALONZO BALL, M. D., Physician of the Marine Hospital. Dysentery, Diarrhea, Relax, Worms. From Dr. J. H. Hunt, of Great Falls, N. Y. Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alternative effect upon the liver makes them an excellent remedy, when given in small doses, in bilious dysentery and diarrhea. Their sugar-coating makes them very acceptable and convenient for the use of children and the aged. Dyspepsia, Impurity of the Blood. From J. F. Hunt, Pastor of Advent Church, Boston. Dr. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in that town. I regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES. WARREN, Wyoming Co., N. Y., Oct. 24, 1855. DEAR DR. AYER: I enclose you a Certificate of my practice, and find them an excellent purgative to cleanse the system and purify the fountain of the blood. JOHN G. MERRIAM, M. D. Constipation, Costiveness, Suppression, Rheumatism, Gout, Gravel, Dropsy, Paralysis, Fits, &c. From Dr. J. P. Vanghan, Montreal, Canada. Too much cannot be said of your Pills for the cure of costiveness. If either of our friends should be afflicted with an obstruction as I have, they should join me in recommending it for the benefit of the multitude who suffer from this complaint, which is so prevalent and so distressing. It is the progenitor of others that are worse. I believe costiveness to originate in the liver, but your Pills affect that organ and cure the disease. From Mrs. E. Smart, Physician and Midwife, Boston. I find one or two large doses of your Pills, taken at the proper time, are excellent for most of the disorders of the bowels when wholly or partially suppressed, and also very effectual to relieve the stomach and relax worms. They are so much the best physic we have that I recommend no other to my patients. From the Rev. Dr. Humber, of the Methodist Episcopal Church. PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856. HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not repeat your name to you. A cold settled in my chest and brought on an excruciating neuralgic pain, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well. SENATE CHAMBER, BOSTON HOUSE, La., 5 Dec. 1855. Dr. AYER: I have been entirely cured, by your Pills, of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SLEBIL. Most of the Pills in market contain Mercury, which, although a valuable remedy in slight hand, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever. Price, 25 cents per Box, or 5 Boxes for \$1. Prepared by Dr. J. C. AYER & CO., Lowell, Mass. Sold by Charles Ritz, Lewistown, Jacob Metz, Allentown, H. S. McNabb & Co., Belleville, R. M. Kinsloe, Reedsville, B. Graff, White Hall, and by Dealers everywhere. 320

some thirty-one regiments in this city to process of formation, composed at out of an average of three companies. The late army order will doubtless be the effect of merging these regiments, Philadelphia will soon be able to send aid to the defence of the country an of nine or ten thousand more men. A number of Colonels of various unorganized regiments in this city met Colonel Secretary of the State, this evening, and reported as to the number and condition of their troops. Companies sufficient to form four full regiments were reported ready to march immediately, and others will rapidly follow according to orders. There are at least 15,000 troops ready in city of Philadelphia for active service. Boston, August 19.—It is probable that five new regiments will leave here this week. New Hampshire will shortly send three regiments and a battery of artillery.

From St. Louis we learn that General von's army had reached Rolla on Saturday in good condition. Major Sturges had taken command. It is definitely ascertained that the Confederates had in this town 14,000 well disciplined men; and 1,000 irregular troops. The Confederates had sent a flag of truce to Major Sturges, ostensibly to treat for an exchange of prisoners, but really, as it was thought, to obtain information of his condition. The Boston banks have agreed to take up \$10,000,000, and the country banks of Massachusetts five millions, as the first installment of the loan. Despatches from the Northern cities report that preparations are making to forward immediately to Washington large numbers of troops. The schooner Hannibal, arrived at New York from St. Thomas, brings a report that the privateer Sumter had been captured by a United States man-of-war and taken back to Curacao. The report needs some confirmation. The Louisville Courier states that Hon. George W. Bridges, elected to the United States Congress from East Tennessee, was arrested by the secessionists of Tennessee. Gen. Shields, of California, formerly a Senator from Minnesota, and who distinguished himself in the Mexican war, has been appointed a Brigadier General by the President. Pierce Butler, a rich citizen of Philadelphia, on the 20th inst. was arrested, received, a continuance of the favor is respectfully solicited. Persons indebted will please take notice the accounts will be required to be settled by the 10th of April. feb28 JOHN CLARK.
