For Pickling Peaches and Pears.—Pare the fruit, then add one half pound of sugar to every pound of fruit. Put them in a jar, a layer of fruit, then a sprinkling of sugar, and let them stand over night. To the juice thus expressed, add vinegar enough to cover them, cook a short time, and they are done. Spice as you please. I learn from a German lady (an excellent housekeeper,) that a piece of horse radish root put into a jar with any kind of pickles will prevent any seum rising.

Steamed Indian Pudding .- Two cups of sweet milk, one teaspoonful of molasses, two eggs, one teaspoonful of soda, two cups of Indian meal, one of flour, and one of dried cherries, currants or other fruits, all thoroughly mixed. Have a tin dish ready into which to pour the batter; set it in a steamer and cook it for an hour and a half. Send it to the table hot, and serve with any good sauce.

Tomato Pie .- Take ripe tomatoes, scald, skin and take the seeds out. Line the plates with paste, and slice on tomatoes enough to cover each about as thick as you would for a tart; spice with lemon, nutmeg or mace; and a little butter, and cover with a good paff paste; bake well, and you will have a pie good enough for the best man in town.

Neutralizing Poison .- The following if true is valuable :- 'A poison of any conceivable description and any degree of potency which has been intentionally or accidentally swallowed, may be rendered almost instantly harmless by simply swallow-ing two gills of sweet oil. An individual with a very strong constitution should take nearly twice the quantity. This oil will most positively neutralize every form of vegetable, animal or mineral poison with which physicians and chemists are acquain-

A Usefel Clerk .- A New York letter to the Mobile Tribune says:

There is a remarkable man connected with the custom house here-a Spaniard. His business is to receive and test money He will pour the contents of a bag of silver or gold coin-for it is weighed not sorted-and in a trice announces the amount in dollars and cents; then running his fingers through the shining pieces, and applying his nose to them, immediately takes out every counterfeit coin. He was never known to make a mistake in pronouncing money good or bad, and his infallible instinct for detecting the spurious LAP AND JOINT SHINGLES. metal is located in his olfactory organs.' \*\*\*\*

Heavenly Phenomena.-The New York papers state that on Saturday night, between nine and ten o'clock, the moon was surrounded by a halo of red, white and blue, extending a distance of seven or eight degrees. The colors were distinctly marked, and remained visible for about ten minutes In Montreal (Canada); on the 12th inst, says the Pilot of that city, there was quite an excitement in the streets, during the forenoon of the day mentioned, owing to a beautiful and splendid display of a rainbow-like halo around the sun.

Bridge burning has been a favorite amusement with the rebels since the commencement of the war. It was carried on very extensively around Baltimore a little while ago. Some of the wretches were detected, but let off on taking an oath to do so no more. Others are yet in prison, unhealty. and lawyers are drawing habæas corpus drafts for their release. Gen. Fremont don't intend to be bothered with lawyers. He has declared his purpose to hang allbridge burners; and all loyal people say

AYER'S CATHARTIC

PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illuess. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remaily. Take Ayer's Pifs, and clease out the disordered humors—purify the blood, and let the fluids move on unobstruction which make disease. A cold settles somewhere in the bady, and obstructs its natural functions. These, if not relieved, react upon themselves and the obstructions which make which in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-scated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louir, Fth. 4, 1856. From a Forwarding Merchant of St. Louis, Peb. 4, 1856.

DE, Aven: Your Fills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerons sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Fills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic.

From Dr. E. W. Cartwright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease. Hadache, Sick Headache, Foul Stomach.

Prom Dr. Edward Boyd, Bultimore.

Drak Bro. Aven: I cannot answer you what complaints I have eved with your Pills better than to say all thet we ever treat with a pargative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst headethe any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PREBLE, Clerk of Steamer Clavion. Billous Disorders - Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

Dipartners, Balance of the profession and the people.

Dipartners of the Interior, Washington, D. C., 7th Feb., 1856. Japanetic ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have soldom found a case of bilious disease so obstitute that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.,

Thysician of the Marine Hospital.

Dysentery, Diarrhea, Relax, Worms. From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent romedy, when given in small doses for biliour dysentery and diarrhora. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dr. Ayle: I have used your Pills with extraordinary
success in my family and among those I am called to visit

A cold settled in my limbs and brought on excruciating neurolgic pains, which ended in chronic rheumenium. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills.
