

# THE HOUSEKEEPER.

**Saratoga Rolls.**—One quart of water, two ounces of butter, one gill of yeast, and a little salt. Mix them at nine o'clock at night, as thick as you can stir with a spoon and put them in a warm place. Next morning, two hours before breakfast, take more flour, make them into a light dough, put them in pans, and let them stand until light. Bake fifteen or twenty minutes in a hot oven.

**French Toast.**—This is a very nice breakfast dish. Take a couple of eggs, beat them, and pour with them a little milk, season with pepper and salt. Cut your bread as if for toast, pour the egg over it, and put it in a pan of hot butter, and fry brown.

**Crumpets.**—To a pint and a quarter of warm milk and water Add one tablespoonful of yeast, An egg and a small Pinch of salt, and beat all Up for twenty two minutes at least; Then set by the batter To rise or grow fatter, And, when it is ready, procure A large ring that will take In a cupful, and bake Till the top of it looks of a pure Auburn color; then turn it, Lest the oven should burn it; And, as soon as the other side's brown You may take it away Without further delay, And in a like manner put others down.

**Hair Washes.**—We copy the following receipt for a hair-wash from the Saturday Post. Let me caution all gentlemen frequenting barber shops against the time-honored custom of dressing their glossy locks with preparations of oils and gums; it will ruin your hair. Again, don't use any preparations, washes, unguents, or dyes on the hair or whiskers; nor sage teas, water, or anything but the following preparation, which I warrant to render all hair rich, thick, dark, and glossy, and soft as silk after long using. Procure at any drug store

- Best castor oil, 1 pint.
- "olive oil, 1 pint.
- Pure fresh lard, 1 pint.
- Good beef marrow, 2 pints.

Put all together in a vessel on the fire, and allow it to simmer; then take it off, and add two tablespoonfuls of the best brandy; shake well; then add a few drops of any oil of extracts to scent, to suit the taste. Then bottle in a wide-mouth, glass stopper bottle; use one tablespoonful each morning at your toilet, no more, no matter the quantity of hair. Shake well the bottle each time before using. Try it one year, and my word for it, you will be astonished and gratified. Now either of the above used separately won't do; for castor oil is too thick and gummy, olive oil is too thin, etc., just the reverse of castor; beef marrow is better, but too cold and clammy. Lard of a superfine quality alone is better than either, as this gives softness to crispy hair. Brandy or alcohol, or bay rum, or rum, or spirits, or cologne of any kind turns all hair red and foxy, used promiscuously. If your head itches, wash it clean, occasionally, with soft water and salt; moderately strong it allays irritation of the scalp, and will strengthen the hair. Beware of lead waters, or astringent lotions of any kind; if you have naturally a good suit of hair, never use anything but comb and brush.

Yours, truly, BELA.  
Lexington, Ky.

PREPARED BY  
**Dr. C. M. JACKSON & CO., Phila. Pa.**

WILL EFFECTUALLY CURE

**LIVER COMPLAINT, DYSPEPSIA, JAUNDICE,** Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach. SUCH as Constipation, Inward Piles, Fullness or Blood to the Head, Acidity of the Stomach, Sour Eructations, Sinking or Fluttering at the pit of the Stomach, Swelling of the Head, Harried and Difficult Breathing, Fluttering at the Heart, Choking or suffocating sensations when in a lying posture, Dizziness of Vision, Dots of the Head, Yellowness of the Face, and all pains in the Head, Deficiency in the Stomach, Back, Chest, Limbs, &c. Stiffen, Flashes of Heat, Burning in the Flesh, Constant Indigines of evil, and all other Disorders of the Liver, and will positively cure **YELLOW FEVER, BILIOUS FEVER,** &c.

The Proprietor in calling the attention of this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended. It is no new and untried article, but one that has stood the test of a twelve years' trial before the American people, and its reputation and sale are unrivaled by any similar preparations extant. The testimony in its favor given by the most prominent and well known physicians and individuals in all parts of the country is immense, and a careful perusal of the album, published annually by the proprietors, and to be had gratis of any of their agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

**Scrofula, or King's Evil,**  
is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously caused—by mercurial disease, low living, disordered or unhealthy food, impure air, rich and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children."  
Its effects commence by deposition from the blood of corrupt or noxious matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which renders in the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous complaints, but they have far less power to withstand the attacks of other diseases; consequently, vast numbers perish by disorders which, although not scrofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or are aggravated by the same cause.

One quarter of all our people are scrofulous; their persons are invaded by this lurking infection, and their health is undermined by it. To cleanse it from the system we must renovate the blood by an alterative medicine, and invigorate it by healthy food, and exercise. Such a medicine we supply in

**AYER'S Compound Extract of Sarsaparilla,**  
the most effectual remedy which the medical skill of our times can devise for this every where prevailing and fatal malady. It is combined from the most active remedies that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only scrofula, but also those other affections which arise from it, such as ERYSIPELAS and SKIN DISEASES, ST. ANTHONY'S FIRE, ROSE, or ERYSIPELAS, PIMPLES, PUSTULES, BLOTCHES, BRUISES AND BOILS, TUMORS, TETTER AND SALT RHEUM, SCALD HEAD, RINGWORM, RHEUMATISM, SYPHILITIC AND MERCURIAL DISEASES, DROPSY, DYSPEPSIA, DEBILITY, and, indeed, ALL COMPLAINTS ARISING FROM VITIATED OR IMPURE BLOOD. The popular belief in "purity of the blood," is founded in truth, for scrofula is a degeneration of the blood. The particular purpose and virtue of this Sarsaparilla is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions.

**Ayer's Cathartic Pills,**  
FOR ALL THE PURPOSES OF A FAMILY PHYSICIAN, are so composed that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitality. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is astonished to find his health or energy restored by a remedy at once so simple and inviting.

No one, who does the every-day complaints of every body, can also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis my American Almanac, containing certificates of their cures and directions for their use in the following complaints: *Catarrhes of the Heart, Headache arising from disordered Stomach, Nausea, Indigestion, Pain in and Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Jaundice,* and other kindred complaints, arising from a low state of the body or obstruction of its functions.

**Ayer's Cherry Pectoral,**  
FOR THE RAPID CURE OF  
Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

So wide is the field of its usefulness, and so numerous are the cases of its cures, that almost every section of country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried, its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted that can never forget, and produced cures too numerous and too remarkable to be forgotten.

My Machine is new and runs a little rough, that all can see by the look of the stuff. But be that as it may, I'll still make her sing. Of all the improvements and every new thing.

Now it becomes me in a short way. To express my thanks to the people and say, I am very much pleased so many come to me for Stoves and Tin Ware although I am well.
