From Peterson's Magazin A Certain Cure for Colds.—A remedy never known to fail: Three cents' worth licorice, three cents' worth rock candy, three cents' worth gum arabic. Put them in a quart of water, simmer them till thoroughly dissolved, then add three cents' worth, of paregorie, and a like quantity of antimonial wine. Let it cool, and sip whenever the cough is troublesome. It is pleasant, infallible, cheap, and good. Its cost is only fifteen cents.

It is no new and untried article, but one that has stood the test of a twelve years' trial before the American people, and its reputation and sale are unrivalled by any similar preparations extant. The testimony in its favor given by the most prominent and well known physicians and individuals in all parts of the country is immense, and a careful perusal of the almanae, published annually by the proprietors, and to be had gratis of any of their agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

AYER'S

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creoping apon you, and should be averted by a timely use of the right remedy. Take Ayer's Fife, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Fife, and see how directly they restore the natural action of the system, and with it the brown the intrivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Fills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

Br. Aten: Your Pills are the paragon of all that is great in medicine. They have curred my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

Headache, Sick Headache, Foul Stomach. From Dr. Edward Boyd, Baltimore.

Dran Buo, Ayen: I cannot answer you what complaints I have cared with your Pills better than to say all that we ever treat with a purguitie medicine. I place great dependence on an effectual enthartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

Dr. J. C. Ater. Sir: I have been repeatedly cured of the worst headnehe any body can have by a dose or two of your Pills. It seems to arise from a feel stomach, which they cleanse at once.

Yours with great respect, ED. W. PREBLE, Clerk of Steamer Clarion.

Bilious Disorders - Liver Complaints. From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb., 1856. Sin: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstimate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Thysician of the Marine Hopidal.

Dysentery, Diarrhea, Relax, Worms.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterntive effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhau. Their sugar-coating makes them very acceptable and convenient for the use of women and children. Dyspepsia, Impurity of the Blood.

Dyspepsia, impurity of the Blood. From Ecv. J. V. Himes, Pustor of Advent Church, Boston.

Dn. Ayer: I have used your Pills with extraordinary success in my family and among those I am called to list in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Nowithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills.
