THE HOUSEKEEPER.

To Prevent Tools from Rusting.

Thousands of dollars are lost each year by the rusting of plows, tools, shovels, hoes, &c. Most of this might be prevented by the application of lard and resin to all steel or iron implements. Take three times as much weight of lard as resin, and melt them together. This can be applied with a brush or cloth to all surfaces in danger of rusting, and they can be easily kept bright. If tools are to be laid away for the winter, give them a coating of this, and you will be well repaid. It can be kept for a long time, and should always be on hand and ready for use.

From the Genesee Farmer for December.

Loaf Cake.—1½ lb. of flour, 1 lb. of butter, 1 lb. of raisins, 1 lb. of sugar, 4 eggs, ½ of a pint of milk, 1 tablespoonful of cinnamon, 1 teaspoonful of cloves, 1 teaspoonful of saleratus, 1 cup of home made yeast, or a tablespoonful of brewer's yeast.

Take part of the butter and warm it with the milk; stir in a part of the flour and the yeast, and let it rise; then add the other ingredients and let it rise. If preferred, add ½ lb. of citron.

Scalloped Oyster.—Make a layer of large oysters, on the bottom of an earthen dish, and season with butter, pepper and salt, and dust them with flour. Then put on another layer, season, and so on until the dish is filled. Put in the oven, but not too long. Serve them in the dish in which they are baked.

Pickled Oysters.—Put oysters in a porcelain kettle; add a very little water, and salt to your taste; let them just scald. Remove the oysters from the liquor and strain it, and add one third vinegar, some mace, whole pepper, alspice and cloves. Scald and pour over the oysters.

Oyster Stew.—Put what quantity you wish in a porcelain kettle, with a little water and salt. Let it just scald, and then skim off the scum that rises. Add as much cream or milk as will make the quantity desired, with butter and black pepper to taste.

Almond Cake.—1 coffeecup of butter, 2 cups of sugar, 1 cup of sweet milk, 2 teaspoonfuls of cream tartar, 1 teaspoonful of soda, 1 teacup of blanched almonds, 1 teaspoonful of extract of bitter almonds; the whites of 8 eggs, and three cups of flour.

Black Cake.—1 lb. sugar, 1 lb. flour, 2½ lbs. of raisins, 2½ lbs. of currants, 1 lb. of citron, mace, nutmegs, cinnamon, cloves and bitter almonds; 1 wine glass of brandy, 1 of wine, 1 of molasses, and 12 eggs.

White Cake.—Whites of 12 eggs, 3 cups of sugar, 1 cup of butter, and 1 of sweet milk; a teaspoonful of soda, 2 of cream tartar, and 5 cups of flour. Flavor, if desired, with bitter almonds.

Corn Beef.—To 100 lbs. of beef, 6 lbs. of salt, 4 gallons of water, 8 ounces of saltpetre, 1 lb. brown sugar, and one pint of molasses. Boil and skim the brine; let it get cold, and then pour over the meat.

Soda Cake.—1 egg, 3 teaspoonfuls of melted butter, 1 cup of sugar, 2 teaspoonfuls of cream tartar, 1 teaspoonful of soda, 1 pint of sifted flour, and 1 cup of sweet milk.

Measure Cake.—Whites of 6 eggs, teacup of butter, 2 cups of sugar, 1 cup of sweet milk, 5 cups of flour, 2 teaspoonfuls of cream tartar, and 1 of soda.

Fine Pomade for the Hair.—2 ounces castor oil, 1½ ounces almond oil, and 3 ounces of white wax. Melt the wax, pour in the oil, and stir it well.

To Preserve Cranberries.—Dry them a short time in the sun, and bottle them closely. Thus preserved they will keep for years.

The Proprietor in calling the attention of this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a twelve years' trial before the American people, and its reputation and sale are unrivalled by any similar preparations extant. The testimony in its favor given by the most prominent and well known physicians and individuals in all parts of the country is immense, and a careful perusal of the almanac, published annually by the proprietors, and to be had gratis of any of their agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints: Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Rashes, and all Skin Diseases.

Quincy, Ind., 6th June, 1854.

Dr. J. C. Ayer & Co.: Dear Sir—I feel it my duty to acknowledge what your Sarsaparilla has done for me. For the last eight or ten years I have suffered much of the time with a Scrofulous affection. I have suffered much at times with sore throat, sometimes it affected the eyes, and at others the ears, sometimes it settled in the joints, and occasionally on the stomach. Two years ago last spring I was induced to try your Sarsaparilla, and procured one bottle. I had used many bottles of other blood medicines and several physicians, but without much relief from any thing. In fact, the disease grew worse. At length I was reduced so low that my friends thought I could not live. I then commenced in earnest to use your Sarsaparilla, and by the time I had taken three bottles I was able to ride to Cincinnati and get it, and since it has cured me. I think it, as you advise, important to persevere a sufficient time with any medicine to give it a fair trial, and not expect miracles to be performed in a month, and avoid almost all those bottles. Sore and humbling as the confession is, I must say that the wish which other a while felt of "My skin is your own, and I know by my feelings must the disease also pass from my system." You can well believe that I feel what I am saying when I tell you that I hold you to be one of the benefactors of the age, and remain ever gratefully, Yours,

ALFRED BEVALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

St. Robert N. Franklin, of Grand Rapids, Mich., writes: "I have had a bad humor in my system for many years, which manifested itself in the form of Erysipelas, Scald Head, Ringworm, Sore Eyes, Dropsy, and finally settled in my right leg, which I had reduced from one of the largest to the natural size by the use of your Sarsaparilla."

Bronchocele, Goitre or Swelled Neck.

Dr. J. C. Ayer & Co.: Dear Sir—I have been afflicted with a Bronchocele, or Swelled Neck, for many years, which defied the skill of the physicians and attacked me in spite of all the remedies I could find, until I tried your Sarsaparilla. Three bottles of your Sarsaparilla effected a perfect cure. I have had no return of the disease, and the cure is permanent. I have since recommended your Sarsaparilla to many persons who have used it with the same happy results. Yours, &c.,

Leucorrhœa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. C. Ayer & Co.: Dear Sir—I have been afflicted for many years with Leucorrhœa or Whites, Ovarian Tumor, Uterine Ulceration, and other Female Diseases, which baffled the skill of the most eminent physicians in this city. I had taken many bottles of your Sarsaparilla, and can say that it has done me more good than all the medicines I have ever taken. I have recommended it to many ladies, and it has never failed to effect a cure. Yours, &c.,

Syphilis and Mercurial Disease.

New Orleans, 25th August, 1854.

Dr. J. C. Ayer & Co.: Dear Sir—I cheerfully comply with the request contained in your letter of the 15th inst., and send you the statement of the effects I have myself witnessed from the use of your Sarsaparilla.

I have used it in my own practice, and have found it a most valuable remedy in the cure of Venereal and Mercurial diseases, when I had all but exhausted the virtues of the Iodide of Potash upon the system, without much relief, and the use of the Sarsaparilla has cured him in five weeks. Another was afflicted for eight months with a most painful disease of the urinary organs, which had been induced by the use of Mercury. He was entirely relieved by your Sarsaparilla in a few weeks. I have also cured many others of Syphilis, and other diseases arising from the use of Mercury, by the use of your Sarsaparilla, and have no hesitation in saying that it is the most powerful antidote for the evil effects of Mercury upon the system that has ever been discovered. Yours, &c.,

Rheumatism, Gout, Liver Complaint.

Incorporator, Preston Co., Va., 4th July, 1854.

Dr. J. C. Ayer: Sir, I have been afflicted with a painful chronic Rheumatism for a long time which baffled the skill of the physicians and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. Three bottles of it took away the pain, which I had suffered from for one year.

Consumption, Bronchitis, and Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the efficacy of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.
