It is no new and untried article, but one that has stood the test of a twelve years' trial before the American people, and its reputation and sale are unrivalled by any similar preparations extant. The testimony in its favor given by the most prominent and well known physicans and individuals in all parts of the country is immense, and a careful perusal of the almanac, published annually by the proprietors, and to be had gratis of any of their agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.
