#### LOCAL AFFAIRS.

The Rev. Dr. Bettelheim, a Missionary from Japan, will lecture in the Presbyterian church, (or if the evening be bad in the lecture room,) on Wednesday, the 5th inst., at 7 o'clock. He is a Hungarian by birth, and comes highly recommended as a lecturer. Subject-Manners and Customs of the Japanese.

ALBERT CONTNER .- The unfortunate occurrence of young Contner shooting a soldier named John Bromline, a few weeks since in Washington city, must be fresh in the minds of the readers of the Gazette. The trial came off on Tuesday last. Hon. James T. Hale and Surgeon T. A. Worrall were brought into court and testified as to the character of the prisoner. The court was addressed by Mr. King for the defence, and the District Attorney for the prosecution, when the case was submitted to the jury, who after an absence of several hours returned with a verdict of man slaughter. He has not yet received his sentence. Brigade Surgeon, T. A. Worrall has been assigned to duty at Alexandria, D. C. He requests us to refer all persons having business with him to Day id Candor, Esq.

GROUND Hog DAY .- There will be a fair opportunity this year to test the mooted question whether the ground hog is a better weather prophet than bipeds generally, as last Sunday was a clear day through out, and he could not fail to see his shadow. If therefore the winter continues six weeks longer, it may be inferred that Mr. Ground Hog does know a thing or two; if spring opens before that, he must be like others a mere guesser, and placed in the same category with other wiseheads.

A New Pen.—Joseph De Young, 505

Jayne street, Philadelphia, has lately got up a very superior pen, which, after a week's use, we find rather superior to any-have had hold of for have had hold of for have had hold of for Dr. Geo. W. Hoover, att'g do Dr. Geo. M. Hoover, att'g d tin apointed (same as gold pen.) is elastic, and quite smooth over even rough paper. We advise our readers to give them a trial, as we think even bad writers will find their chirography improved by using them .-The price by the gross is \$1.50, including six holders; or 25 cents per dozen, with one holder. F. J. Hoffman is sole agent for their sale in this county.

Joseph Grey, and several others whom we Joseph Grey, and several others whom we cannot at present recall to mind, have been or are now on a visit home. Lieut. S. looks well, and we have no doubt is an efficient officer.

Pennsylvania Railroad Company.

The anual meeting of the stockholders

of the Pennsylvania Railroad Company was held at Philadelphia on the 3d, Mayor Henry presiding. The report of the directors showed a net earning for 1861 of \$3,646,938, being an increase of \$1,350,-535 over 1860. Nearly the whole increase on revenue of the Com pany during the year was derived from the transportation of eastern bound freight to meet European de mand for breadstuffs. The large increase in the business of the Company occurring subsequently to the declaration of the last dividend, it was not deemed advisable to advance the rate. The financial position of the company, however, is now such, that it is believed a semiannual dividend of four per cent. may be paid in May next, and its continuance thereafter at the same rate is continuance thereafter at the same rate is confidently expected. The committee to investigate the condition and management of the company, made majority report

through their Chairman, Hon. Joseph R.

Ingersol, approving the management, while

Mr. Page submitted his usual report disap-

proving of it.
