

# AGRICULTURAL.

**Farmers' Economy.**  
Farmers talk a great deal about economy. I know one who will go three miles out of his way, over a bad road, to save a few cents at the toll gate. Another, who is so economical of blacksmith's expenses, that instead of getting a tire set at the right time, will make it do a week or two longer, and some dark night may be found groping his way home with three wheels and a rail to his wagon, while a horse or two are unable to leave the stable on account of lameness, resulting from the misunderstanding of the word economy, as applied to the shoeing of horses. Many a man is economical in matter of boards for barns, stables and sheds, that he builds them of corn and hay every year. These may be considered strange building materials, but what I say is true. If an animal is exposed to the storms and colds of winter, it will take one half of the food it consumes to keep it as warm as it would be naturally in a good comfortable stable; the other half will just keep it along. So the half of the grain and hay is used for making a stable—expensive building materials, but this is not the economy, however, that I would recommend, nor that which will pay heavy war expenses.—*Rural New Yorker.*

**Salt to Save Manure.**—Dissolve common salt in water, sprinkle the same over your manure heap, and the volatile parts of the ammonia will become fixed salts, from their having united with the muriatic acid of the common salt, and the soda thus liberated from the salt will quickly absorb carbonic acid, forming carbonate of soda; thus you will retain with your manure the ammonia that otherwise would fly away, and you also have a new and most important agent introduced, viz: the carbonate of soda, which is a powerful solvent of all vegetable fibre.—*Gardener's Chronicle.*

# THE HOUSEKEEPER.

**Fried Rice.**—Any cold rice left from dinner, or prepared for that purpose, may be made out with the hands or a spoon into cakes about an inch thick, dip in an egg and flour batter, and fried a handsome brown in the frying-pan, with a small piece of butter.

**Dumplings.**—In boiling dumplings, or any kind of paste, the cover should never be removed, nor the water allowed to cease to boil until the paste is done, when it should be taken off before it becomes soaked and heavy.—*Moore's Rural New Yorker.*

**Cold Fish.**—By the following plan a good dish may be made from any kind of cold fish: Free the fish from the bone, and cut into small pieces. Season this with onions and parsley chopped, and salt and pepper. Beat two eggs well with a tablespoonful of catsup. Mix the whole together with the fish, and put it in a baking-dish with two or three small slices of bacon over it. Bake before the fire in a Dutch oven. Serve with melted butter or oyster sauce.

**Coffee Cake.**—One cupful of butter, 1 cupful of sugar, 1 cupful of molasses, 1 cupful of liquid coffee, 1 teaspoonful of soda, 2 teaspoonfuls cream of tartar flour enough to stiffen it, cloves, cinnamon and nutmegs to taste—add fruit if you please.

The Proprietor in calling the attention of this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.  
It is no new and untried article, but one that has stood the test of a twelve years' trial before the American people, and its reputation and sale are unrivalled by any similar preparation extant. The testimony in its favor given by the most prominent and well known physicians and individuals in all parts of the country is convincing, and a careful perusal of the Almanac, published annually by the proprietors, and to be had gratis of any of their agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

**FEVER AND AGUE,**  
And the various affections consequent upon a disordered  
**STOMACH OR LIVER,**  
Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Depression, Constiveness, Bilious and Blooding Piles, It is all Nervous, Rheumatic, and Neuritic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.  
This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Berhave. Its reputation at home produced its introduction here, the demand commencing with those of the Fatherland scattered over the face of this mighty country, many of whom brought with them and handed down the tradition of its value. It is now offered to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.  
It is particularly recommended to those persons whose constitutions may have been impaired by the continued use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirits, and, in fact, infusing new health and vigor in the system.  
NOTE—Whoever expects to find this a leverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.  
**READ CAREFULLY!**  
The Genuine highly concentrated Berhave's Holland Bitters is put up in half-pint bottles only, and sealed with ONE DOLLAR per bottle, or six bottles for FIVE DOLLARS. The great demand for this truly celebrated Medicine has induced many imitations, which the public should guard against purchasing.  
Beware of Impostion. See that our name is on the label of every bottle you buy.  
Sold by Druggists generally. It can be forwarded by Express to most points.

**Are Dr. Hurd's Preparations Good?**  
The best evidence that they are is that their firmest friends and best patrons are those who have used them longest. Dr. Wm. B. Hurd is an eminent dentist of Brooklyn, Treasurer of the New York State Dentists' Association, and these preparations have been used in his practice for years, and no leading citizen of Brooklyn or Williamsburg questions their excellence, while eminent dentists of New York recommend them as the best known to the profession. Without the aid of advertising dealers have sold them by the gross.  
But their cost is so small that every one may test the matter for himself.  
Beware of the ordinary Tooth Powders. Dr. Hurd's Tooth Powder contains no acid, nor alkali, nor charcoal, and polishes without wearing the enamel. Use no other.  
What Will Dr. Hurd's Remedies Effect?  
Dr. Hurd's Mouth Wash and Tooth Powder will give young ladies that finest charm in women—a sweet breath and pearly teeth. Try them, ladies.  
Dr. Hurd's Mouth Wash and Tooth Powder will cleanse the mouth from all foul exhalations, and if used in the morning, will make the breakfast taste sweeter and the day begin more pleasantly. Hundreds of persons can testify to this. Try them, gentlemen.  
Dr. Hurd's Mouth Wash and Tooth Powder are the best preparations in the world for curing bad breath and giving firmness and health to the gums. Hundreds of cases of diseased bleeding gums, sour mouth, canker, etc., have been cured by Dr. Hurd's astringent wash.  
Dr. Hurd's Mouth Wash and Tooth Powder give an additional charm to courtship, and make husbands more agreeable to their wives and wives more agreeable to their husbands. They should be used by every person having Artificial Teeth, which are liable to impart a taint to the mouth.  
Dr. Hurd's Toothache Drops cure Toothache arising from exposed nerves, and are the best friends that parents can have in the house to save their children from torture and themselves from loss of sleep and sympathetic suffering.

**NEURALGIA PLASTER.**  
Dr. Hurd's Neuralgia Non-Adhesive Plasters are the most pleasant and successful remedies ever prescribed for this painful disease. The patient applies one, soon becomes drowsy, falls asleep, and awakes free from pain, and no blister or other unpleasant or injurious consequences ensue. For Earache and Nervous Headache, apply according to directions, and relief will surely follow. Nothing can be obtained equal to Dr. Hurd's Compress for Neuralgia. Try them. They are entirely a novel, curious, and original preparation, and wonderfully successful. They are of two sizes: one small, for the face, price 15 cents, and the other large, for application to the body, price 37 cents. Will be mailed on receipt of price and one stamp.
