

MORAL & RELIGIOUS

Religious Miscellany. The path of the penitent is not so painful and difficult as you imagine it to be...

We may deck vice in gay attire. Art and wealth may lend their aid to hide her deformities, and grace her manners...

The joys of religion are the result of holy obedience. They proceed from a conscience void of offence toward God and man...

Other considerations, such as reputation, success and the restraints of public opinion may keep you from open immorality...

Could the habitual swearer only see the list of his oaths, as taken down by the pen of the recording angel, he would never suspect that it was the work of man...

Every child, and we all have been children once, knows how sweet it is, after a long experience of the wretchedness of disobedience, to fall down in penitence at a parent's feet...

Pardon does not necessarily imply restoration. An executive may pardon a criminal but he cannot restore him to the place in society that he had occupied before he transgressed...

It should be a startling thought, that God may take the swearer at his word, and in eternity pour upon his head those vials of wrath which are as yet unopened...

It is a worldly maxim that vice is the parent of misery and an inspired truth, that the way of the transgressor is hard...

The Prince Royal and Royal Cook Cooking Stoves.

The subscriber has for sale the best Cooking Stove in the market. Hundreds have been sold, and in every case given the warmest satisfaction...

These Stoves possess a neat and beautiful appearance, have all the most valuable improvements that make a Cook Stove a household pleasure...

Every Stove warranted, and sold as low as any ordinary Cooking Stove.

NOW, Are Dr. Hurd's Preparations Good?

The best evidence that they are is that their firmest friends and best patrons are those who have used them longest. Dr. Wm. B. Hurd is an eminent dentist of Brooklyn, Treasurer of the New York State Dentists' Association, and these preparations have been used in his practice for years, and no leading citizen of Brooklyn or Williamsburg questions their excellence, while eminent dentists of New York recommend them as the best known to the profession. Without the aid of advertising dealers have sold them by the gross.

But their cost is so small that every one may test the matter for himself. Beware of the ordinary Tooth Powders. Dr. Hurd's Tooth Powder contains no acid, nor alkali, nor charcoal, and polishes without wearing the enamel. Use no other.

What Will Dr. Hurd's Remedies Effect? Dr. Hurd's Mouth Wash and Tooth Powder will give young ladies that finest charm in women—a sweet breath and pearly teeth. Try them, ladies.

Dr. Hurd's Mouth Wash and Tooth Powder will cleanse the mouth from all foul exhalations, and if used in the morning, will make the breakfast table sweeter and the day begin more pleasantly. Hundreds of persons can testify to this. Try them, gentlemen.

Dr. Hurd's Mouth Wash and Tooth Powder are the best preparations in the world for curing bad breath and giving firmness and health to the gums. Hundreds of cases of diseased bleeding gums, sour mouth, canker, &c., have been cured by Dr. Hurd's astringent wash.

Dr. Hurd's Mouth Wash and Tooth Powder give an additional charm to courtship, and make husbands more agreeable to their wives and wives more agreeable to their husbands. They should be used by every person having Artificial Teeth, which are liable to impart a taint to the mouth.

Dr. Hurd's Toothache Drops cure Toothache arising from exposed nerves, and are the best friends that parents can have in the house to save their children from torture and themselves from loss of sleep and sympathetic suffering.

NEURALGIA PLASTER. Dr. Hurd's Neuralgia Non Adhesive Plasters are the most pleasant and successful remedies ever prescribed for this painful disease. The patient applies one, soon becomes drowsy, falls asleep, and awakes free from pain, and no blister or other unpleasant or injurious consequences ensue. For Earache and Nervous Headache, apply according to directions, and relief will surely follow. Nothing can be obtained equal to Dr. Hurd's Compress for Neuralgia. Try them. They are entirely a novel, curious, and original preparation, and wonderfully successful. They are of two sizes, one small, for the face, price 15 cents, and the other large, for application to the body, price 37 cents. Will be mailed on receipt of price and one stamp.

Now is the CHANCE FOR AGENTS. Shrewd agents can make a small fortune in carrying these articles around to families.—The Dental Treasury is the nearest article that a man or woman can carry around. Send for one and see, or, better, a dozen, which we will sell, as samples, for \$7. Agents supplied liberally with Circulars. Now is the time to go into the business, to do good, and make a profit. We are spending thousands for the benefit of agents. New England men or women! here is something nice, and a chance to take the tide at its flood. Address Wm. B. Hurd & Co., Tribune Buildings, New York.
