Depth of Planting Corn.
A communication which we find in the Germantown Telegraph gives the following suggestions and facts, respecting the proper depth for planting corn.

Cover the corn carefully, and never more than from one and a half to two inches deep. If planted deeper than this, it will be longer coming up, and after it comes up it will grow very well until it is three or four inches high, when it will remain stationary for 10 days or two weeks. By examining we will find that the first joint is below the surface of the soil, also that the roots are decaying, while new ones are being thrown out from the joint; these new roots require some ten or fifteen days for their complete formation, and during this time the plant is stationary as far as growth is concerned. As soon as the new roots are fully formed the old ones will entirely disappear, and the growth will proceed as usual.

From actual experiments with grains taken from the same ear and same part of the ear, I have arrived at the following result; Corn planted one inch deep came up in eight days; that planted one and a half inches deep required nine and a half days; that two inches deep, ten days; two and a half inches deep, eleven and a quarter days; three inches deep, twelve days; three and a half inches deep, thirteen days; five and a half inches deep, eighteen days; six inches deep, twenty-one days. The last lot came up and grew up until about three inches high, when it remained stationary for a long time and finally died.

Uncle Sam and Family.

Yankee Freedom is a lad
And Union is his sister
Uncle Sam is their dad
And he'll give secesh a twist.
For they said Mrs. Sam she died—
We always called her virtue—
But you, Seeces, indeed have lied,
And now he's going to birch you.
Yankee and sister, too,
Are bound on retribution;
For our mother they said they knew
Died of broken Constitution.
But Yankee Freedom will now show
Seeces to have been mistaken;
Though of necessity he's their foe
Until again they right awaken.
Then secesh the tune will find
Was turned as short as this;
While turning to the Coffee Pot Sign,
Which I don't want you to miss!
For your family needs, may be,
A little Tin Ware Solace;
And, indeed, you ought to see,
Then come to J. I. WALLIS,

BERHAVE'S HOLLAND BITTERS

THE CELEBRATED HOLLAND REMEDY FOR DYSPEPSIA, DISEASE OF THE KIDNEYS, LIVER COMPLAINT, WEAKNESS OF ANY KIND, FEVER AND AGUE, STOMACH OR LIVER,
Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Debility, Constipation, Bilious and Bleeding Piles. In all Nervous, Rheumatic, and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure. This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Berhave. His reputation at home produced the tradition of its value. It is now offered to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.
It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of distillation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirits, and, in fact, infusing new health and vigor in the system.
NOTICE.—Whoever expects to find this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.
READ CAREFULLY!
The Genuine highly concentrated Berhave's Holland Bitters is put up in half-pint bottles only, and retailed at One Dollar per bottle, or six bottles for Five Dollars. The great demand for this truly celebrated Medicine has induced many imitations, which the public should guard against purchasing.
Beware of Impostion. See that our name is on the label of every bottle you buy.

NOW,

The best evidence that they are is that their firmest friends and best patrons are those who have used them longest. Dr. Wm. B. Hurd is an eminent dentist of Brooklyn, Treasurer of the New York State Dentists' Association, and these preparations have been used in his practice for years, and no leading citizen of Brooklyn or Williamsburg questions their excellence, while eminent dentists of New York recommend them as the best known to the profession. Without the aid of advertising dealers have sold them by the gross.

But their cost is so small that every one may test the matter for himself.

Beware of the ordinary Tooth Powders, or acid, nor alkaline, and polishes without wearing the enamel. Use no other.

Dr. Hurd's Mouth Wash and Tooth Powder give an additional charm to courtship, and make husbands more agreeable to their wives and wives more agreeable to their husbands. They should be used by every person having Artificial Teeth, which are liable to impart a taint to the mouth.

Dr. Hurd's Toothache Drops cure Toothache arising from exposed nerves, and are the best friends that parents can have in the house to save their children from torture and themselves from loss of sleep and sympathetic suffering.

NEURALGIA PLASTER.

For Earache and Nervous Headache, apply according to directions, and relief will surely follow. Nothing can be obtained equal to Dr. Hurd's Compress for Neuralgia. Try them. They are entirely a novel, curious, and original preparation, and wonderfully successful. They are of two sizes, one small, for the face, price 15 cents, and the other large, for application to the body, price 37 cents. Will be mailed on receipt of price and one stamp.
