Are curing the Sick to an extent never before known of any Medicine. INVALIDS, READ AND JUDGE FOR YOURSELVES.

JULIUS HAUDEL, Esq., the well known perfumer, of Chestnut Street, Philadelphia, whose choice products are found at almost every hotel, says: "I am happy to say of your CATHARTIC PILLS, that I have found them a better family medicine, for common use, than any other within my knowledge."

"I have found them a better family medicine, for common use, than any other within my knowledge. My friends have realized marked benefits from them, and coincide with me in believing that they possess extraordinary virtues for driving out disease and curing the sick. They are not only effective, but safe and pleasant to be taken—qualities which make them valued by the public, when they are known."

The venerable Chancellor WARDLAW writes from Baltimore, 15th April, 1854: "Dr. J. C. AYER—Sir: I have taken your Pills with great benefit for the indigestion, languor, loss of appetite, and Bilious headache, which has for the years overtake me in the spring. A few doses of your Pills cured me. I have used your Cherry Pectoral many years in my family for coughs and colds with unflinching success. You make medicines which care and I feel it a pleasure to commend you for the good you have done and are doing."

But their cost is so small that every one may test the matter for himself. Beware of the ordinary Tooth Powders. Dr. Hurd's Tooth Powder contains no acid, nor alkali, nor charcoal, and polishes without wearing the enamel. Use no other.
