#### Road to Poor Farming.

As the road to poor farming is not generally understood, though it is crowded with travelers, we throw up a few land marks, from the Springfield (Mass. Republican, for the common benefit :

run in debt for more.

2. Hire money to stock your farm. 3. Have no faith in your own business,

and be always ready to sell out.

4. Buy mean cows, spavined horses, poor oxen, and cheap tools.

5. Feed bog hay and mouldy corn stocks exclusively, in order to keep your stock tame; fiery cattle are terribly hard on old rickety wagons and plows.

6. Use the oil of hickory freely, whenever your oxen need strength ; it is cheap-er than hay or meal, keeps the hair lively and pounds out all the grubs.

7. Select such calves for stock as the butchers shun; beauties of runts, thin in the hams and pot-bellied; but be sure and keep their blood thin by scanty herbage; animals are safest to breed from that haven't strength to herd.

Be cautious in the manufacture of manure; it makes the fields look black and mournful about planting time; besides it is a deal of work to baulit.

9. Never waste time in setting out fruit and leaves rotting around a place makes it unhealthy.

A Thousand Plow Patents .- The New York World says: It may surprise many of the multitude who use plows, as well as those who have heretofore distributed orders. those who do not, to learn that about one thousand patents have been issued for alleged improvements in plows since the foundation of the American government. About two-thirds of these patents have been granted since the year 1847.

#### CATHARTIC PILLS

CATHARTIC PILLS OPERATE by their powerful influence on the internal viscera to purify the blood and stimu-late it into healthy action. They remove the obstructions of the stomach, howels, liver, and other argans of the body, and, by restoring their irregular derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of disease and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiting. The Costructures, and the suspicion of untruth. The costructures, and the suspicion of untruth. They are the place below named to cure. To costructures, and the suspicion of untruth. They are below the blowels. doses — from one to four — to stimulate the stomach and liver into healthy action. They will do it, and the heartburn, bodyburn, and southirn of dyspepsia will rapidly disappear. When it has gone, don't forget what cured you. For a FOUL STOMACH, or Morbid Inaction of the Bouels, which produces general depression of the spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system. FOR NERVOUSNESS, SICK HEADACHE, NAUSEA, Pain in the Stomach, Back, or Side, take from four to eight pills on going to bed. If they do not oper-ate sufficiently, take more the next day until they do. These complaints will be swept out from the system. Don't wear these and their kindred dir-

ate sumcently, take more the next day duth they do. These complaints will be sweet out from the system. Don't wear these and their kindred dis-orders because your stomach is foul. For SCROPULA, Envertentas, and all Diseases of the Skin, take the Pills freely and frequently, to keep the bowels open. The eruptions will gener-ally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Pills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health. Patients! your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleansing.

of the unclean diseases of the skin, because your system wants cleansing. To PURIFY THE BLOOD, they are the best medi-eine ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of incurable discases will be swept out of the system like chaff before the wind. By this property they do as mucb good in preventing sickness as by the remarkable cures which they are making every where.

LIVER COMPLAINT, JAUNDICE, and all Bilious Affections arise from some derangement — either torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently under-mined by no other cause. Indigestion is the symp-tom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarthora, prevails. Feverish symptoms, languor, low spirits, weariness, restlessness, and melancholy, with sometimes in-ability to sleep, and sometimes green is yellow; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to billous forcer, billious colic, billious diarthora, dysentery, &c. A medium dose of three or four Fills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked to suffer such pains when you can cure them for 25 cents. . . REMENATISM, GOLT, and all Infammatory Fe-vers are rapidly cured by the purifying effects of these Pills upon the blood and the stimulus which they afford to the vital principle of Life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently, but freely. . As a DINNER PILL, this is both agreeable and useful. No Pill can be made more pleasant to take, and certainly none has been made more effectual to Affections arise from some derangement -- either torpidity, congestion, or obstructions of the Liver.
