RECIPES.

[From Peterson's Magazine for September.] Pickles-Should be made at home, as both cheaper and better than if bought at pickling establishments, where they are invariably made up with pyroligneous acid -a species of vinegar which, though very strong, has a disagreeable flavor. The pickles should be kept either in bottles, or in stone or unglazed jars, as the vinegar, or even soured vegetables, will corrode the glazing of the jars, which, being made from lead, is poisonous.

Rules to be observed with Pickles .-Aveid as much as possible the use of metal vessels in preparing them. Acids dissolve the lead that is in the tinning of saucepans, and corrode copper and brass; consequently, if kept in such for any length of time, they become highly poisonous. When it is necessary to boil vinegar, do it in a stone jar on a stove.

Use also wooden spoons and forks. See that the pickles are always completely covered with vinegar; and if any symptoms appear of their becoming mouldy, boil the vinegar again, adding a little more spice. It is a good rule to have two-thirds of the jar filled with pickles and one-third with vinegar; keep them also close stop ped, as exposure to the air makes the pickles soft.

In greening pickles, keep them closely covered, so that none of the steam of the vinegar in which they are boiled be allowed to evaporate; and boil them only for a few minutes, or it will take away their

A very small quantity of alum will make them firm and crisp, but too much will

Young Cucumbers.—Choose nice young gherkins, lay them upon dishes, sprinkle salt over them, let them lie a week, drain them off, and put them into stone jars: pour boiling white vinegar ove: them, place them near the fire, cover them well with vine leaves, and if not a good green, pour off the vinegar and boil it again; cover them with fresh vine leaves, and continue doing so until they are a good color. Use wooden spoons with holes to dish all pickles keeping them always well covered, and free from air getting to them.

Rice Puncake. - Boil a half pound of rice to a jelly, in a small quantity of water: when cold, mix it with a pint of cream, eight eggs, a bit of salt, and nutmeg; stir in eight ounces of butter just warmed, and add as much flour as will make the batter thick enough. Fry in as little lard or dripping as possible. Or-Mix the volks of two wellbeaten eggs with a pint of cream, two ounces of sifted sugar, a little nutmeg, cinnamon, and mace, or a few drops of oil of almonds. Rub the pan with a bit of butter, and fry the pancakes thin.

Potato Cheesecakes .- Four ounces of butter, the same of pounded sugar, six ounces of potatoes boiled and floured through a sieve, the rind of one lemon, and half the juice, unless acid is desirable; mix these ingredients well together, with two eggs, and fill the tart-pan and bake it.

Custard Pudding .- Flavor a pint of milk with the peel of one lemon, an inch of cinnamon, and a bay-leaf; when boiled sufficiently strain it, and sweeten to palate: break four eggs, beat them up, pour the milk to them; put it into a mould and boil for half an hour. Serve with wine-sauce. Or-Mix one tablespoonful of flour into a pint of milk; add four eggs well beaten, a tablespoonful of pounded loafsugar, and a little orange flower water; put it into a buttered basin, laying a paper over it before putting on the cloth; let it stand four minutes before turning it out. It should boil half an hour.

Lemon Cheesecakes .- Mix four ounces of sifted lump-sugar and four ounces of butter, and gently melt it; then add the yolks of two and the white of one egg, the rind of three lemons chopped fine, and the juice of one and a half, one Savoy biscuit, some blanched almonds pounded, three spoonfuls of brandy. Or-Boil two large lemons, or three small ones, and after squeezing pound them well together in a mortar, taking out the inner skin; add four ounces of loafsugar, the yolks of six eggs, and eight ounces of fresh butter. Fill the pattypans half full.

GREAT BOOKS IN PRESS THRILLING INCIDENTS

OR. THE HEROISM OF OUR SOLDIERS & SAILORS. ILLUSTRATED.

1 Volume, large 12mo. Price \$1.25

The critics and the public are right in predicting that this will surpass, in graphic narrative, exenting interest, and extensive popularity, all other histories of the War for the Union. Its theme will be the heroic daring, patient suffering, and hair-breadth escapes of our soldiers and sailors, and its incidents will form the theme of conversation at innumerable firesides for years to come. It will contain, in addition to its stirring details, the Philosophical Analysis of the Causes of the War, by John Lormore Moter, LLD, author of the "Rise of the Dutch Republic," etc., the dates of all the important events from the John Brown raid, and an accurate and revised account of the principal battles, with engravings.

One third the proceeds of all subscriptions sent direct to us will be given for the Relief of Disabled Soldiers, and all persons who wish accopy of the wors, and also to benefit the soldiers, should send in their name and address at once. Also, any officer or private, or person in any section of the country, having knowledge of a heroic act or stirring incident, will be blige us by sending us an account of it.

CATHARTIC PILLS

OPERATE by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians and Patients has shown ergors of disease.

action to health, correct, wherever they exist, such derangements as are the first causes of discase, An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous discases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give Directions for their use in the complaints which they have been found to cure.

FOR COSTIVENESS.—Take one or two Pilis, or such quantity as to gently move the howels. Costiveness is frequently the aggravating cause of PILES, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved.

FOR DYSPEPSIA, which is sometimes the cause of Costiveness, and always uncomfortable, take mild doses—from one to four—to stimulate the stanach and liver into healthy action. They will do it, and the heartburn, bodyburn, and southurn of dyspepsia will rapidly disappear. When it has gone, don't forget what cured you.

For a FOUL STOMACH, or Morbid Inaction of the Bowels, which produces general depression of the spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system.

FOR NERVOUSNESS, STOK HEADACHE, NAUSEA, Pain in the Stomach, Back, or Side, take from four to eight pills on going to bed. If they do not operate sufficiently, take more the next day until they do. These complaints will be swept out from the system. Don't wear these and their kindred disorders because your stomach is foul.

FOR SCROPULA, ERYSTPELAS, and all Diseases of the Skin, take the Pills freely and frequently, to keep the bowels open. The cruptions will generally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed unit the purging and puri

the purging and purifying effect of these rills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health. Patients! your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleansing.

To PURIFY THE BLOOP, they are the best medicine ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of incurable diseases will be swept out of the system like chaff before the wind. By this property they do as much good in preventing sickness as by the remarkable cures which they are making every where.

LIVER COMPLAINT, JAUNDICE, and all Bilious Affections arise from some derangement—either torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarrhoa, prevails. Feverish symptoms, languor, low spirits, weariness, restlessness, and melancholy, with sometimes inability to sleep, and sometimes great drowsiness; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colie, bilious disarrhoad desenter. LIVER COMPLAINT, JAUNDICE, and all Bilious the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious diarrhea, dysentery, &c. A medium dose of three or four Pills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked to suffer such pains when you can cure them for 25 cents.

RHEUMATISM, GOUT, and all Inflammatory Ferers are rapidly cured by the purifying effects of these Pills upon the blood and the stimulus which they afford to the vital principle of Life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently, but freely.

mild doses, to move the bowels gently, but freely.

As a DINNER PILL, this is both agreeable and useful. No Pill can be made more pleasant to take, and certainly nene has been made more effectual to the purpose for which a dinner pill is employed. PREPARED BY DR. J. C. AYER & CO., Practical and Analytical Chemists, LOWELL, MASS.,

PATENT COAL OIL GREASE.

THIS Grease is made from COAL OIL, and has been found by repeated tests to be the most economical, and at the same time the best lubricator for Mill Gearing, Stages, Wagons, Carts, Carriages, Vehicles of all kinds, and all heavy bearings, keeping the axles always cool, and not requiring them to be looked after for weeks. It has been tested on railroad cars, and with one, soaking of the waste it has run, with the cars, 20,000 miles! All railroad, omnibus, livery stable and Express companies that have tried

it pronounce it the ne plus ultra. It combines the body and fluidity of tallow, beeswax and tar, and unlike general lubricators, will not run off, it being warranted to

stand any temperature. I have it in boxes 21 to 10 lbs. Also kega and barrels from 30 to 400 lbs, for general use and sale. The boxes are more preferable; they are 6 inches in diameter by 21 inches deep, and hold 21 lbs net; the boxes are clean, and hardly a carman, teamster, expressman, miller or farmer, that would not purchase one box for trial.
