

THE HOUSEKEEPER.

RECIPES.

Elder Wine.—Pour a gallon of boiling water over every gallon of berries, let it stand twelve hours; then draw it off, and boil it up with three pounds and a half of sugar; when boiling beat up some whites of eggs, and clarify it; skim it clear, then add an ounce of pounded ginger to every gallon of the wine; boil it a little longer, before you put it in the tub; when cool, put in a toast rubbed in yeast; let it ferment a day or two, after which put it into a barrel previously rinsed with brandy.—All wines should be lukewarm when the yeast is added to it.

Veal Cutlets.—Cutlets are cut either from the fillet on the neck, but chops are taken from the loin. Some persons have deprecated the practice of beating meat, but it is essentially necessary in veal cutlets, which otherwise, especially if merely fried, are very indigestible. They should be cut about a quarter of, at the most, half an inch in thickness, and well beaten; they will then, when fried, taste like sweetbread, be quite as tender, and nearly as rich. Egg them over, dip in bread-crumbs and savory herbs, fry, and serve with mushroom sauce and fried bacon.

A Rich Gravy.—Cut beef into thin slices, according to the quantity wanted; slice onions thin, and flour both: fry them of a light pale brown, but do not on any account suffer them to get black; put them into a stewpan, pour boiling water on the browning in the fryingpan, boil it up, and pour on the meat. Put to it a bunch of parsley, thyme, and savory, a small bit of knotted marjoram, some mace, berries of allspice, whole black peppers, a clove or two, and a bit of ham, or gammon of bacon. Simmer till you have extracted all the juices of the meat, and be sure to skim the moment it boils, and often after.

Uncle Sam and Family.

Yankee Freedom is a lad
And Union is his sister;
Uncle Sam he is their dad
And he'll give secesh a twist.

For they said Mrs. Sam she died—
We always called her virtuous—
But you, Seeces, indeed have lied,
And now he's going to birch you.

Yankee and sister, too,
Are bound on retribution;
For our mother they said they knew
Died of broken Constitution.

But Yankee Freedom will now show
Secesh to have been mistaken;
Though of necessity he's their foe
Until again they right awaken.

Then secesh the tune will find
Was turned as short as this;
While turning to the Coffee Pot Sign,
Which I don't want you to miss!

For your family needs, may be,
A little Tin Ware Solace;
And, indeed, you ought to see,
Then come to J. I. WALLIS.

The Phila. Eclectic Company's Preparation.
The Best Toilet Article and Hair-Invigorator in the market,

IS THE

FLORAL HAIR TONIC,

PREPARED by the Philadelphia Eclectic Company. In cases of baldness, where the roots are not absolutely dead, it is sure to bring forth a beautiful crop of hair in from six to twelve weeks, and no remedy in the world can do more. When the hair is inclined to turn gray, or fall out, this tonic will speedily restore it to vigor and preserve its original color; at the same time remove all dandruff, scurf, &c., and keep the head delightfully cool. It is a purely vegetable preparation, richly perfumed, eminently healthy to the scalp, (which can be said of very few hair stuffs offered) and most delightful in effect. Price 25 cents.

Sold in Lewistown by Jno. Swan, Mrs. Margaret E. Irwin, and others, and in the county by T. Brehman, J. & T. S. Kohler, and Hoar & McNabb. feb12

WOULD respectfully inform the public that he has now on hand a very large stock of Lumber, embracing:

Boards, Plank, Scantling, Shingles, Shingling Lath, Plastering Lath, Garden Pale, Fence Rails, Sash of all sizes, Doors, Blinds and Shutters and ready worked Flooring.

Mr. H., being a practical carpenter, and having selected his stock personally with great care, Farmers, Builders, and others, needing anything in his line, are assured that they will find it to their advantage to give him a call.

N. B. Mr. H. is still agent for the sale of the celebrated wooden water pipe manufactured by the Williamsport Company. Orders for any size will be promptly attended to.

Lewistown, June 11, 1862.

PATENT

COAL OIL GREASE.

THIS Grease is made from COAL OIL, and has been found by repeated tests to be the most economical, and at the same time the best lubricator for Mill Gearing, Stages, Wagons, Carriage Bearings, Vehicles of all kinds, and all heavy bearings, keeping the axles always cool, and not requiring them to be looked after for weeks. It has been tested on railroad cars, and with one soaking of the waste it has run, with the cars, 20,000 miles! All railroad, omnibus, livery stable and Express companies that have tried it pronounce it the *ne plus ultra*.

It combines the body and fluidity of tallow, beeswax and tar, and unlike general lubricators, will not run off, it being warranted to stand any temperature.

I have it in boxes 2 1/2 to 10 lbs. Also kegs and barrels from 30 to 400 lbs, for general use and sale. The boxes are more preferable; they are 6 inches in diameter by 2 1/2 inches deep, and hold 2 1/2 lbs net; the boxes are clean, and hardly a carman, teamster, expressman, miller or farmer, that would not purchase one box for trial. F. G. FRANCISCUS.
Lewistown, February 12, 1862.

THE BIG COFFEE POT SIGN ONE AHEAD!

Sold very low for cash, and furnished off in the very best manner with tin or copper bottoms, as desired, and warranted to give satisfaction or the money refunded.

P. S. We have also a variety of other good Stoves.

TIN WARE.

Wholesale or Retail.

Our stock is large and complete, and of a superior quality, all manufactured under my own supervision and expressly for home use, and, as we give this branch our special attention, we have no idea of being surpassed either in price or quality of ware, and we invite country merchants who deal in such articles to call and examine our stock, prices and terms.
