MISCELLANEOUS.

An Invaluable Medicine .- Henry Hoyt, Esq., contributes to the Boston Journal the following prescription, which he says is an unfailing remedy for Cholera Morbus, Diarrhoa, &c. Of cholora in that city a few years since, in no case did the remedy fail where the patient could be reached in seacon. It is no less effective in cholera morbus and ordinary diarrheea. A remedy so easily procured and so vitally efficacious, should be always at hand. An ordinary vial of it can be had for 25 cents or so, and no family should be without it over night. The writer of this received the recipe a few days since, and having been s eriously attacked with the cholera morbus the past week, can attest to its almost magic influence in affording relief from excruciating pain. He ardently hopes that every one whose eyes trace these lines will cut this article from the paper, and procure the medicine without delay. Its prompt application will relieve pain and presumptively save life

Take—One part laudanum.

INVALIDS, READ AND JUDGE FOR YOURSELVES. JULES HAUEL, Esq., the well known perfumer, of Chestnut Street, Philadelphia, whose choice products are found at almost every toilet, says:

are found at almost every toilet, says:

"I am happy to say of your Cathabric Pills, that I have found them a better family medicine, for common use, than any other within my knowledge. Many of my friends have realized marked benefits from them, and coincide with me in believing that they possess extraordinary virtues for driving out diseases and curing the sick. They are not only effectual, but safe and pleasant to be taken—qualities which must make them valued by the public, when they are known."

The venerable Chancellor WARDLAW writes from Baltimore, 15th April, 1854:

"Dn. J. C. Avra. — Sir: I have taken your Pills with great benefit, for the listlessness, languor, loss of appetite, and Bilious headache, which has of late years overtaken me in the spring. A few doses of your Pills cured me. I have used your Cherry Pectoral many years in my family for coughs and colds with unfailing success. You make medicines which cure; and I feel it a pleasure to commend you for the good you have done and are doing."

rever consent to be, while my means will procure them."

The widely renowned S. S. STEVENS, M. D., of Wentworth, N. H., writes:

"Having used your Cathantic Pitts in my practice, I certify from experience that they are an invaluable purgative. In cases of disordered functions of the liver, causing headache, indigestion, costiveness, and the great variety of diseases that follow, they are a surer remedy than any other. In all cases where a purgative remedy is required, a confidently recommend these Pitls to the public, as superior to any other I have ever found. They are sure in their operation, and perfectly safe—qualities which make them an invaluable article for public use. I have for many years known your Cherry Petwal as the best Cough medicine in the world; and these Pitls are in no wise inferior to that admirable preparation for the treatment of diseases."

"Br. I. C. Arse, Despiéd."

Cough medicine in the world; and these Pills are in no wise inferior to that admirable preparation for the treatment of diseases."

"Br. J. C. Ayre — Dear Sir: I have been afflicted from my berth with scrottula in its worst form, and now, after twenty years trial, and an untold of amount of suffering, have been completely cured in a few weeks by your Pills. With what feelings of rejoicing I write can only be imagined when you realize what I have suffered, and how long.

"Never until now have I been free from this loathsome disease in some shape. At times it attacked my eyes, and made me almost blind, besides the unendurable pair; at others it settled in the scalp of my bead, and destroyed my hair, and has kept me partly hald all my day; sometimes it came out in my face, and kept it for months a raw sore. "About mme weeks ago I commenced taking your Catheattic Pills, and now am entirely free from the complaint. My eyes are well, my skin is fair, and my hair has commenced a healthy growth; all of which makes me feel already a new person.

"Hoping this statement may be the means of conveying information that shall do good to others, I am, with every sentiment of gratitude. Yours, &c. MARIA RICKER."

"I have known the above named Maria Ricker from her childhood, and her statement is strictly true.

I recommended them to a friend for costiveness, which had troubled him for months; he told me in a few days they had curred him. You make the best medicine in the world; and I am free to say so."

"New Orleans, 5th April, 1854.

"Sir: I have great satisfaction in assuring you that myself and family have been very much benefited by your medicines. My wife was cured, two years since, of a severe and dangerous cough, by your Chernay Pictoral, and since then has enjoy ed perfect health. My children have several times been cured from attacks of the Influenza and Croup by it. It is an invaluable remedy for these complaints. Your Cathartic Pills have entirely cured me from a dyspepsia and costiveness, which has grown upon me for some years,—indeed, this cure is much more important, from the fact that I had failed to get relief from the best Physicisms which this section of the country affords, and from any of the numerous remedies I had taken.

COAL OIL GREASE. THIS Grease is made from COAL OIL, and has been found by repeated tests to be the most economical, and at the same time the best lubricator for Mill Gearing, Stages, Wagons, Carts, Carriages, Vehicles of all kinds, and all heavy bearings, keeping the axles always cool, and not requiring them to be looked after for weeks. It has been tested on railroad cars, and with one soaking of the waste it has run, with the cars, 20,000 miles! All railroad, omnibus, livery stable and Express companies that have tried

it pronounce it the ne plus ultra.

It combines the body and fluidity of tallow, beeswax and tar, and unlike general lubricators, will not run off, it being warranted to

stand any temperature.
