## Great Sanitary Fair in Philadelphia.

A committee of gentlemen in Philadelphia have issued a circular to the people of the city and the State, announcing their intention of holding a great Central Fair for the Sanitary Commission, in the first week in June next. John Welsh, esq., is chairman, Caleb Cope, treasurer, and Charles J. Stille, Secretary. The office is at 1307 Chestnut street. The committee state that as Chicago has recently raised for this object \$60,000, Boston \$150,000, and Cincinnati \$200,000, they appeal with the greatest confidence to the inhabitants of our own State to send as contributions to the Fair the productions of their skill and labor. They say: "We ask every clergyman to announce this humane undertaking to his people, and advise them to do what they can to further it. We ask the press to give it the widest publicity and the most earnest encouragement. We call on every workshop, factory and mill for a specimen of the best thing it can turn out; on every artist, great and small, for one of his creations; on all loyal women, for the exereise of their taste and industry; on farmers for the products of their fields and dairy. The miner, the naturalist, the man of science, the traveler, can each send something that can at the very least be converted into a blanket that may save from death some one soldier whom government supplies have failed to reach. Every one who can produce anything that has money value, is invited to give a sample of his best work as an offering to the eause of national unity. Every workman, mechanic or farmer, who can make a pair of shoes or raise a barrel of apples, is called on to contribute something that can be turned into money, and again from money into the means of economizing the health and life of our national soldiers."

This most noble enterprise is already enlisting in its cause the efforts of good men and women in every walk of life. The Union League of Philadelphia have taken the matter in hand and given it the full co-operation of all its wealth and influence.

-Connecticut voted on Monday for Governor and other State officers .--The returns received indicate that Covernor Buckingham, the Union candidate, is re-elected by ten thousand majority. Last year Buckingham's majority was less than three thousand. He has been opposed both years by Origen S. Seymour, a thorough-going Peace Democrat. Well done for Con-

bill to regulate elections by soldiers in the actual military service was taken up and considered at length. After the rejection of no merous amendments offered by the patent Democrats to passed finally by the following vote:

The yeas and nays were required by Mr. Wallace, and Mr. Beardslee, and were as follows, viz:

YEAS-Messrs. Champneys, Connell, Dunlap, Fleming, Graham, Hoge, Householder, Johnson, Kinsey, McSherry, Nichols, Ridgeway, St. Clair, Turrell Wilson, McCandless, Werthington and Penney, Speaker-18.

NAYS-Messrs. Bearslee, Bucher, Clymer, Glatz, Hopkins, Lamberton, Latta, Montgomery, Reilly, Smith, Stark, Stein

and Wallace-13.

Of course these mays are friends of the soldiers! and Bucher, according to the Patent Democrat, represents the of this district.

There is no war news of importance. The supply steamer Union arrived at New York from the Southern coast, brings interesting news from nearly all the points there. She landed quite a large number of Rebel refugees from the different block ade stations at Key West. Admiral Farragut was in Pensacola Bay when the Union left. He was thought to be waiting for the advance of the troops upon Mobile, to co-operate with them by attacking the city. There is no important news from Florida or Charleston. A large hospital at Beaufort was burned on the 22nd. No one was hurt. On the 19th the Rebels made a weak effort at Port Royal Ferry to do us some damage-but they failed utterly. Next day they tried several points on Jenkins's Island, and also failed. From Florida, dates are to the 22d from Jacksonville. The Rebels have made a raid upon Magnolia, and burned two large hotels, which were soon to have been taken by our side for hospitals. The Banner says: "Nothing has been done to-ward raising the ill fated iron-clad Weehawken, and it is doubtful if any measures will ever be taken to rescue her from the shifting sands in which she lies imbedded, thirty feet below the water's surface. The task of removing such an enormous weight at so great disadvantages is one which ing to the true intent and meaning of such currents where she sank have fixed her there immovably. The Keokuk, which went down on the morning of the 8th of April last, will also probably never be at such time and place as may be agreed upon, brought up. An investigation has been instituted by Provost Marshal General Hall, of the Department of the South, into the burning of the numerous buildings at Jacksonville, Florida, and the dep redations committed at that place by the Union troops, at the time of the expedition last year. It is understood that the parties proved to be implicated in firing the buildings and taking away property, will be tried for arson and theft. The Rebels are now reported to have five guns

in position on Fort Sumter. The Chattanooga Gazette says the Rebels claim to have fifty thousand men at Dalton and vicinity, and that they will capture Chattanooga and occupy Tennessee when Longstreet moves into Kentucky, which they say he will do forthwith, with twenty six thousand men. It is understood that they had a free interchange of opinions with the President and the Secretary of War, and both parties are in accord and harmonious as to the enforcement of the draft in that State under the Amendatory Enrollment act.

-Nobody it seems wants the \$500 we offered last week.

-Senator Hopkins, best known as one of the old canallers when the State owned the works, after having voted against the soldiers in every shape and form, last week offered a resolution to pay them in gold! This is poor hypocrisy.

-The Selinsgrove Times lately published a piece of poetry, headed "Bet-ter than Gold," two lines of which read as follows-speaking of a heart that can feel:

With sympathies large enough to enfold All men as brothers, is better than gold.

What? all men! Surely that is not democratic, for it includes the "nigger."

The length to which secession sympathizers in the north will go, was shadowed forth in Charleston, Illinois, last week by the use of fire-arms against the soldiers. Nothing we fear but a terrible but just examplesuch as shooting down every scoundrel engaged or mixed up in some such affray-will bring the men, misled by tory politicians, to a sence of duty. At last accounts no further disturbance had occurred. Several soldiers were killed and wounded, as well as several
