

LOCAL AFFAIRS.

The Presbytery of Huntingdon met at Bellefonte, Pa., on Tuesday, the 12th inst. Rev. Mr. White, of Milroy, a retired Moderator, preached a sermon from that beautiful text, "The Lord reigneth," after which the meeting was opened for the transaction of business. Twenty-eight ministers and twenty-seven elders were in attendance. The following are the present officers. G. W. Zahnizer, Moderator; D. H. Barron, Rec. Secretary; and W. B. McKee, Reading Clerk. The pastoral relation existing between the Rev. W. A. Hooper and the congregations of Tyrone and Birmingham was dissolved. The Rev. John Moore of Williamsburg, gave notice of his intention to resign his charge, at the adjourned meeting in June next. The Rev. R. M. Wallace accepted a call to the church of Altoona, and arrangements were made for his installation. The Rev. W. B. McKee accepted a call from the united congregations of Bald Eagle and Ft. Matilda, and arrangements were made for his installation. The Rev. Orr Lawson and Rev. R. B. Moore were appointed the principal commissioners, Rev. J. B. Strain and Rev. W. A. Hooper their alternates, and Hon. Samuel Linn of Bellefonte and Hon. James Parker of Lewistown, Lay Delegates, to the next General Assembly, which is to meet in the city of Newark, N. J. on Thursday the 19th of May, 1864. On Wednesday morning Rev. Mr. Barron of Hollidaysburg, preached the usual Missionary sermon from John x. 16, "And other sheep I have which are not of this fold, then also must I bring, and they shall hear my voice, and there shall be one fold and one shepherd." At the close of the sessions, the Rev. James Linn, D. D., who has been a member of the Presbytery for more than fifty years, at the request of the Moderator, briefly addressed the Presbytery in an affectionate and touching manner. He congratulated the brethren for their great cordiality, and expressed his gratification in being once more permitted to meet with them, and after mentioning the names of some of his former co-presbyters, who preceded him in their passage to another world, amongst which was prominently the name of the late Dr. Woods, he intimated and manifestly felt that it was in all probability the last time he would constitute one of their number. After his remarks, he closed with an affectionate and impressive prayer, when the Presbytery was dissolved, to meet at Philipsburg in June. Its next regular session will assemble at Shirelysburg early in October, and the Philadelphia Synod of the Presbyterian church, comprising seven Presbyteries and perhaps 200 members, will meet at Lewistown the third week in October.

A special Synod of the Lutheran Church assembled in this place last evening for the purpose of ordaining Rev. Mr. Rice as a missionary to benighted Africa. The Rev. P. Sahn of Andesville, Perry county, preached the sermon for the occasion, after which the impressive scene of laying on of hands was performed. A number of ministers from the surrounding counties were in attendance.

Local items this week are scarce. The water is falling, boatmen are getting ready for the Spring campaign, girls do more gadding than work, boys wear as much as usual, people are resolved to do without, or with very little, coffee, sugar and other articles which are now in speculating hands, houses are scarce and rents looking upward, and all the girls from twelve years to forty-five are in market for husbands.

The water stock held by the Borough was sold at public sale on Saturday last at from two to three dollars per share above par.

If the workmen will authorize their employers to deduct one day from their week's or month's earnings, and the employers will add to it a day of their profits, the whole sum will be acknowledged together to the credit of the establishment. We say to all, go to work at once with us in this great work. Hurry forward your contributions. Every acknowledgement will stimulate others to follow your example. Revs. Ort and Stock addressed the scholars, and the general feeling seemed to be that it was good to be there. A collection was also taken for the benefit of the library in the Bible department.

GREAT CENTRAL FAIR FOR THE SANITARY COMMISSION.

Office of the Committee on Labor, Incomes, and Revenues, No. 118 South Seventh street, Philadelphia, April 4, 1864.

The Committee on "Labor, Incomes and Revenues," invite co-operation with them in the particular work for which they have been appointed. As no portion of the people are more patriotic than the working men and women of the country, it is but just and proper that they should alike have an opportunity to contribute to the objects of the Fair. The most equitable plan for accomplishing this, and, at the same time the easiest one, is to ask for the contribution of a SINGLE DAY'S LABOR from all classes in the community. Many will contribute a day of their labor willingly, who would not subscribe their money. To reach every department of industry and art will be a work of great labor, but, if attained, will be productive of immense results.

The success of the plan will depend upon the hearty co-operation of every element of influence within our limits, and we invite all the guardians of the industrial interests, and all others, to take hold with us in furthering this great work of patriotism and humanity. The Committee is charged with the following duty, to wit:

1st.—To obtain the contribution of "one day's labor," or earning, from every artisan and laborer, foreman, operative and employee; president, cashier, teller and clerk of every incorporated and unincorporated company, employing firm, bank, manufactory, iron works, oil works, mill, mine and public office; from every private banker and broker, importer, auctioneer and merchant; clerk, agent and salesman; designer, finisher and artist; publisher, printer and mechanic; from every government officer, contractor and employee; grocer, butcher, baker and dealer; farmer, horticulturalist and producer; from every man, woman, milliner and female operative; every individual engaged in turning the soil, tending the loom, or in any way earning a livelihood, or building a fortune within the States of Pennsylvania, New Jersey and Delaware.

2d.—To obtain the contributions of one day's "Revenue," from all the great employing establishments, firms, corporations, companies, railroads and works.

3d.—To obtain the contribution of one day's income from every retired person, and person of fortune—male and female—living upon their means, and from all clergymen, lawyers, physicians, dentists, editors, authors and professors; or other persons engaged in the learned or other professions.

Much of this work must be performed by the personal influence and efforts of ladies and gentlemen associated with the Committee in carrying out this plan. The Committee deem it unnecessary to do more, than thus to present the subject to the people of the three States named. In the coming campaigns of our armies, the labors of the "Sanitary Commission" will be greatly augmented. By the first of June 700,000 men—one of the largest armies of modern times—will be operating in the field. So large a force, scattered over regions to which the men are unaccustomed, must necessarily carry along with it a large amount of sickness, suffering and death, to say nothing of the gathered horrors of the battle field. These sufferings, it is our bounden duty, as men and Christians, to relieve. A great and enlightened people, enjoying the blessings of a government of their own making, CANNOT REFUSE assistance to men suffering to maintain its authority, and we will not be drawn in by the "GREAT CENTRAL FAIR," drawing its products from the three States of Pennsylvania, New Jersey and Delaware, so affluent in all mineral, agricultural and industrial wealth, shall fall behind any similar effort which has yet been made for the relief of the Nation's children.

As it is desirable not to multiply circulars; nor to further authorize than this circular; we hereby authorize that any person who may be necessary for any employing firm or company, or any respectable Committee of Ladies and gentlemen to proceed at once, in the work of this Committee; and it is hoped that under its organization will spring up in all the towns and busy regions of the States of Pennsylvania, New Jersey and Delaware.

Subscriptions will be thankfully acknowledged in the newspapers of Philadelphia; and it is very desirable that they commence soon, as each fresh acknowledgement will stimulate late effort in other localities. All subscriptions should be addressed to JOHN W. CLAGHORN, Treasurer, office of the "Committee on LABOR, INCOMES AND REVENUES," No. 118 South Seventh Street, Philadelphia.

Let us all help in Circulars and Posters will be forwarded to parties applying for them. Direct to the Chairman of the Committee as above. L. MONTGOMERY BOND, Chairman JOHN W. CLAGHORN, Treasurer. REV. E. W. HUTTER, Cor. Secretary. MCGREGOR J. MITCHELSON, Sec.

Major General Geo. G. Meade, Army of the Potomac.

TUSCARORA FEMALE SEMINARY, Chartered by the Legislature in 1859.

THIS Institution is located at Academia, in Tuscarora Valley, Juniata county, Pennsylvania. It is situated 8 miles south-west of Mifflin, and 6 miles west of Perryville Station, Pennsylvania Railroad leading from Philadelphia to Pittsburgh, and is six hours' ride from the former place.

This situation has always been noted for its healthfulness. The scenery, for variety and grandeur, cannot be surpassed; the buildings being on a high eminence, command the enchanting view of Tuscarora Mountain and Valley for thirty miles in extent.

Tuscarora Academy; an Institution of wide celebrity, and extensively patronized—being located here, persons having sons and daughters to educate, may have the opportunity of sending them to the same place, where they may enjoy each other's society while prosecuting their studies. None, however, but relatives, are allowed to visit the pupils, without a written permission from their guardians or parents. Libraries, Literary Societies, and occasional courses of Lectures on various topics, will be auxiliary to the main course of studies prescribed.

The great object of the course of training is to fit the young ladies for future usefulness. By a judicious combination of useful accomplishments, with thorough mental discipline and high moral culture, it is hoped that the Institution will merit and receive the liberal patronage of the public.
