

THE HOUSEKEEPER.

RECIPES.

A very celebrated Cologne Water.—6 drachms oil of lemon, 6 bergamot, 3 do. lavender, 10 drops cinnamon, 20 drops cloves, 2 drachm rosemary, 40 drops neroli, 20 drops rose, 2 drachms tincture of musk, 6 pints deodorized alcohol. Shake up well; let it stand four hours before filtering.

Rhubarb Wine.—5 pounds rhubarb to 1 gallon of water, to stand ten days, stirring twice a day. Then put it through a sieve, and add 4 pounds of sugar to a gallon, the liquor to remain in the cask five months. Then add the rind and juice of 3 lemons, 1 pint brandy, and 1 oz. isinglass. In a few days it will be fit for use.

Maccaroni Pudding, to be made of Cooked Meat.—Take an equal quantity of ham and chicken, mixed, and mince them small. Then weigh out half the quantity of maccaroni, which must be previously boiled tender in broth, 2 eggs, beaten well, 1 oz. of butter, cayenne pepper and salt to taste; all these ingredients to be mixed thoroughly together. Put into a mould or basin and boil two hours. The maccaroni must be kept in as long pieces as possible.

Muffins and Crumpets.—To bake these properly the fire should be underneath them, which renders it a difficult matter to make them in a satisfactory way at home, as side ovens must generally be used. The mixture for muffins is as follows: A quarter of a pint of thick small-beer yeast, strained into a pan with a pint of warm milk; to this sufficient quantity of flour must be added to make it into a batter, then, having covered it over, let it stand in a warm place to rise. When this is accomplished add 1/4 of a pint of warm milk, with 1 oz. of butter, rubbed in some flour until quite fine. Having mixed all these well together, add enough flour to make the mixture into dough, cover it over, and let it stand half an hour, after which work it up once more, and breaking it into small pieces, roll them into a round form, and again covering them let them remain a quarter of an hour. Lay them on the iron for baking, and having placed them in the oven, be very careful that they do not get overbaked or discolored, and turn them as soon as one side changes color. Do not let the iron get too hot.

For crumpets some tin rings, like cake rings must be provided. The mixture is made with 1 1/2 pound flour, 3 pints milk, 2 eggs, and 2 table-spoonsful of yeast. The milk must be lukewarm when added. Beat all up into a batter, and allow it to stand until it rises in blisters on the top. Then bake the crumpets in the tin rings on a polished iron plate.

GREAT CENTRAL FAIR FOR THE SANITARY COMMISSION.

Office of the Committee on Labor, Incomes, and Revenues, No. 118 South Seventh street, Philadelphia, April 4, 1864.

THE Committee on "Labor, Incomes and Revenues," invite co-operation with them in the particular work for which they have been appointed. As no portion of the people are more patriotic than the working men and women of the country, it is but just and proper that they should alike have an opportunity to contribute to the objects of the Fair. The most equitable plan for accomplishing this, and at the same time the easiest one, is to ask for the contribution of a SINGLE DAY'S LABOR from all classes in the community. Many will contribute a day of their labor willingly, who would not subscribe their money. To reach every department of industry and art will be a work of great labor but, if attained, will be productive of immense results.

The success of the plan will depend upon the hearty co-operation of every element of influence within our limits, and we invite all the guardians of the industrial interests, and all others, to take hold with us in furthering this great work of patriotism and humanity. The Committee is charged with the following duty, to wit: 1st.—To obtain the contribution of "one day's labor," or earning, from every artisan and laborer, foreman, operative and employee; president, cashier, teller and clerk of every incorporated and unincorporated company, employing firm, bank, manufactory, iron works, oil works, mill, mine and public office; from every private banker and broker, importer, auctioneer and merchant; clerk, agent and salesman; designer, finisher and artist; publisher, printer and mechanic; from every government officer, contractor and employee; grocer, butcher, baker and dealer; farmer, horticultural and producer; from every manufactory maker, milliner and female operative; every individual engaged in turning the soil, tending the loom, or in any way earning a livelihood, or building a fortune within the States of Pennsylvania, New Jersey and Delaware.

2d.—To obtain the contributions of one day's "Revenue," from all the great employing establishments, firms, corporations, companies, railroads and works. 3d.—To obtain the contribution of one day's income from every retired person, and person of fortune—male and female—living upon their means, and from all clergymen, lawyers, physicians, dentists, editors, authors and professors; all other persons engaged in the learned or other professions.

Much of this work must be performed by the personal assistance and efforts of ladies and gentlemen associated with the Committee in carrying out this plan. The Committee feel the responsibility of the work they have undertaken, which, to be successful, will require a very perfect ramification of their plan, and they therefore call upon all earnest people, to assemble themselves together in every town, township, and county, and form organizations of ladies and gentlemen to co-operate with them in this great work and labor of love. In the manufacturing counties, the coal and oil regions, and in the agricultural districts,—especially, let there be organizations in the large towns, so that the young people may have an opportunity thus to render assistance to their relatives and friends fighting the battles of their country in the armies of the nation.

The work of this Committee may be prosecuted where no other effort can be made for the Fair, as in the mines of the coal regions. A day's earnings of the miners, and a day's product of the mines, can be obtained, where no portable article could be procured for transportation. Indeed there is no part or section of these States where the day's labor may not be obtained, if organizations can be formed to reach them.

The Committee cannot close without urging upon all Proprietors of Establishments, the duty of taking prompt and energetic action to secure the benefit of the day of labor from all within their control. The Committee deem it unnecessary to do more, than thus to present the subject to the people of the three States named. In the coming campaigns of our armies, the labors of the "Sanitary Commission" will be greatly augmented. By the first of June 700,000 men—one of the largest armies of modern times—will be operating in the field. So large a force, scattered over regions to which the men are unaccustomed, most necessarily carry along with it a large amount of sickness, suffering and death, to say nothing of the gathered horrors of the battle field.

These sufferings, it is our bounden duty, as men and Christians, to relieve. A great and enlightened people, enjoying the blessings of a government of their own making, CANNOT REFUSE assistance to men suffering to maintain its authority, and we will not believe that the "GREAT CENTRAL FAIR," drawing its products from the three States of Pennsylvania, New Jersey and Delaware, so affluent in all mineral, agricultural and industrial wealth, shall fall behind any similar effort which has yet been made for the relief of the Nation's children.

As it is desirable not to multiply circulars; no further authority than this circular will be necessary for any employing firm or company, or any respectable Committee of Ladies and gentlemen, to proceed at once, in the work of this Committee; and it is hoped that under its auspices, organizations will spring up in all the towns and busy regions of the States of Pennsylvania, New Jersey and Delaware. Subscriptions will be thankfully acknowledged in the newspapers of Philadelphia; and it is very desirable that they commence soon, as each fresh acknowledgement will stimulate effort in other localities. All subscriptions should be addressed to **JOHN W. CLAGHORN, Treasurer, office of the "Committee on LABOR, INCOMES AND REVENUE," No. 118 South Seventh Street, Philadelphia.**

All needful helps in Circulars and Posters will be forwarded to parties applying for them. Direct to the Chairman of the Committee as above. **L. MONTGOMERY BOND, Chairman JOHN W. CLAGHORN, Treasurer. REV. E. W. HUTTER, Cor. Secretary. MCGREGOR J. MITCHELSON, Sec.**

Committee for a Day's Labor. GREAT CENTRAL SANITARY FAIR. Committee on "Labor Incomes and Revenues." Office No. 118 S. Seventeenth st. JOHN W. CLAGHORN, Treasurer.

THIS Committee has a special work, to wit: to obtain a day's "labor," a day's "income," and a day's "revenue," from every citizen of the three States of Pennsylvania, New Jersey and Delaware, for the benefit of our sick and wounded soldiers. The Committee is now fully organized at the above address, and calls for the co-operation of all classes in the community. We want to show what the industrial classes can do for their soldiers! What the people can do in their separate trades!

What Pennsylvania can do!
What New Jersey can do!
What Delaware can do!
What each county can do!
What each city and town can do!
What each profession can do!
What each trade can do!
What each occupation can do!
What each manufactory can do!
What each bank, insurance company and railroad can do!
What each mine can do!
What each workshop can do!
What each family can do!
What each man can do!
What each woman can do!
What each boy and girl can do!

We want to show to the world what American freemen are ready to do for their soldiers! This is a great work and the time short. The way to do is to ORGANIZE! Organize in your workshops—in your families.

Let the men organize. Let the women organize. Let the trades organize. Organize everywhere. Let the workmen give with their employers, the employers with their workmen. It is easily done. If the workmen will authorize their employers to deduct one day from their week's or month's earnings, and the employers will add to it a day of their profits, the whole sum will be acknowledged together to the credit of the establishment. We say to all, go to work at once with us in this great work. Hurry forward your contributions. Every acknowledgement will stimulate others to follow your example. Circulars with full instructions will be sent upon applications, by mail or otherwise, to the undersigned. To work! to work! **L. MONTGOMERY BOND, Chairman. Mrs. E. W. HUTTER, Chairwoman of Ladies' Committee. M. J. MITCHELSON, Secretary.** ap13

SWYERS' AMERICAN LINIMENT,

And Pain Exterminator, An Infallible Remedy for all Chronic and Inflammatory Rheumatism, Diphtheria, Sore Throat, Quinsy, Sprains, Neuralgia, Pain in the Back and Limbs, Cramps, &c.

MR. Swyers, by repeated experiments, has succeeded in compounding a Liniment which possesses all the magic powers of a perfect Pain Exterminator. Its virtues have been unmistakably tested, and every application has given almost immediate relief; and the object in giving notice of the above discovery is, not to enlarge the list of worthless compounds already quite too large, but simply to inform any who may be afflicted with any of the above named diseases where they can be supplied with an infallible remedy. A long list of names of individuals who have had access to the ablest physicians, and have tested most of the patent remedies, all to no advantage, but who were almost immediately relieved by this powerful Liniment, could be obtained. We, however, give but a few, knowing that the Liniment will speak for itself as soon as applied: Jacob Sager, Y. H. Summers, James Mendenhall, John Smith, John A. Broughton, Seymour Downs, W. P. Mendenhall, Daniel Ayers, John Rolin, Josiah Gorsuch, William Mowry, Robert Senon, Jonathan Price, John Yonce, George Basely, Melissa L. Basely, Nash Smith, Henry Basely, Catharine Basely, Lydia Sager, Elmira Doremant.

New Testimonials. DERRY TOWNSHIP, March, 1864.

Mr. Joseph Swyers—After my best respects to you, this is to let you know that I have been troubled with chills for the last fifteen years, some of them so hard that I thought I could not live over night. I was for days and nights not able to go out. I was for half a bottle of your liniment about the house, I thought I would try it, and took about 20 drops night and morning for some time. From the time I took it I have never had one chill, and can say that I never had used any medicine that gave so much satisfaction as your liniment. Your obt. servant, Adam Baird, March 28th, 1864.

Mr. J. Swyers: My son had a sore neck for three months back, for which I used your liniment, and it is a perfect cure. He also had a sore leg for two years back; I got one of your bottles of liniment, which has cured it soundly. Yours, respectfully, Charles Mitchell.

FREEDOM FORCE, March 28, 1864. Mr. Swyers: I recommend your liniment to be the best that I ever had in my house. I had a pain in my side for about 15 years, and I doctored with doctors far and near, but they done me no good, when I heard of your liniment, tried it, and I am thankful to say it has cured me sound and well, and for the children I could not do without it. Hugh's hands were dreadfully cracked open with the wind, and he rubbed them with it, and it has cured them. Mrs. Margaret E. Summers, Hgs. Summers, LILLESVILLE, Decatur tp., Milford County, Pa.

Mr. Joseph Swyers: This is to certify that I cured my child of the diphtheria in three days with your liniment. Mrs. Mary Davidzler.
