

LOCAL AFFAIRS.

Rev. J. F. Kuhlman will preach in the Lutheran church at Yeagertown on Sabbath morning, May 8th, at 10 o'clock; Salem at 2 1/2 o'clock p. m., and at Milroy at 7 1/2 o'clock in the evening.

INSTRUMENTAL MUSIC.—Mrs. G. A. Barnes, (wife of Rev. S. Barnes) an experienced and successful teacher of Piano Music, offers to give instructions on said instrument to a small class of young ladies, in Lewistown, of which place she has recently become a resident. She can be seen at the Methodist parsonage. Imo*

I SCREAM.—Ice Cream at all hours (Sundays excepted) at John M. Stauber's Saloons on Dorcas st., corner of Strawberry avenue, and next door to Col. John Hamilton's residence. Saloons on the 2d floor for ladies or ladies accompanied by gentlemen only.

DROWNED.—John McCann, of Milroy, a member of the 1st Pa. Cavalry, who had been at home on furlough for some time on account of sickness, came to town on Monday last for the purpose of proceeding to the army, but unfortunately got into evil company, and during the night walked out of the tavern, and probably fell into the canal or lock, whence he was taken by Lafayette Webb, but with life extinct. We hear him spoken of as generally a quiet and inoffensive man. He leaves, we regret to say, a wife and five children to mourn his sad end.

THE SANITARY FAIR.—A call was made for the ladies of town to meet at the house of Mr. Elder on Monday evening last, to consider the furnishing of articles for the Fair, and arrangements were made for carrying on the work.

The scholars of the Lutheran S. Schools we understand have entered into a combination for the purpose of knitting and manufacturing a variety of fancy articles to be sent in the name of the schools. This is a good move, and we hope will be followed by others. Thus, while the adult portion of the townsfolk are engaged, the children will not be without their share of the work, and we do not hesitate in saying that with the assistance of their teachers, the work of the scholars will be more highly appreciated (because coming from children) than even the older portion. Parents give your children the means, and help them to further the cause which alleviates the suffering of the gallant men in the field and hospital.

Two ladies also desire the co-operation of ten others, willing to furnish material and work a worsted quilt for the Fair. Apply at this office for further information.

ITEMS.—The canal was filled on Monday, when navigation commenced, and on Tuesday a boat loaded with limeburners' coal, a grocery boat, and perhaps some other arrived. It is to be hoped that hereafter no such injurious delay in opening it will occur, as it would undoubtedly result in a large number of law suits for damages.—Soldiers are always welcome home, but when they do come they ought at least to behave with some propriety. Three or four from the valley, on Monday made a most shameful exhibition of themselves, which ought to have been promptly punished. The absurd idea held by some persons that soldiers at home on furlough are not amenable to the law for criminal acts is very foolish, and if not checked will yet result in some diabolical act.—The daily, we might almost say hourly violation of the law by liquor sellers, is again awakening public attention, and we should not be at all surprised to hear that nine-tenths of them are indicted at August term, with almost every one of them.

—We have received a specimen of the lead ore mined at Sinking Valley, but see no reason to change the opinion expressed some weeks ago.—The Glamorgan Iron Company have purchased about 8 acres of land from Michael Ruble of Ferguson's Valley, being a continuation of the McGirk ore bank, for \$200 specie an acre. This no doubt gives them a vast body of additional ore.—The railroad track through Water street, with the exception of the crossings, is completed. Two cars, laden with ties, came in collision on Tuesday between the bridge and Pa. station, causing a considerable smashup.—Miss Mary

E. Stewart, long and favorably known as a teacher here, has opened a school for young ladies in Altoona.—Lt. Barr has been promoted to Captain of Company B, 49th Pa. regiment.—The county convention is called at an earlier day than had been suggested, in consequence of the meeting of the Baltimore Convention on the 7th June.

Swain has received a new supply of Clark's Indelible Pencils, the best article for marking linen, &c., ever invented, and which ought to be in the possession of every family. Call and see them, and in the meantime take a look at his new goods, both fanciful and useful, embracing articles of superior quality, and not always to be found in country towns.

Brien's Great Show and Tom King's Excelsior Circus, one of the "Institutions" of its kind, will exhibit at Lewistown on Monday next, and at Belleville on Tuesday.

THE WEATHER.—The first part of the week clear and cool, the latter part cool with heavy rains. Yesterday some of the mountains in this region were partially covered with snow.

WAR NEWS.

We are without any news of movements of the Army of the Potomac, but great events may hourly be looked for. A dispatch from St. Louis states that Gen. Steele's army is at Camden, Arkansas. Steele had several skirmishes with Price, in which the latter was worsted, and the former finally succeeded in getting into the fortifications at Camden without opposition.

Advices from the Army of the Potomac say that Madison Court House was burned by our troops on Thursday last. Deserters report Lee's army 80,000 strong, with 22,000 effective cavalry, and reinforcements arriving day and night. From Huntsville and Cairo we have reports of a rumor prevailing at Nashville, that there had been fighting at Decatur, Alabama. No particulars had been received.

Deserters from the rebel army in Virginia say that Lee is bringing up forces from Charleston, Florida, Lynchburg and other points.

Gen. Beauregard, it is said by refugees from Wilmington, N. C., passed through that place on the 21st ult., with a large number of troops, on the way to Richmond.

Advices from Red River state that there had been no more fighting up to the 20th ult., but the rebels were reported to be marching on Grand Ecore. Our total loss in the late battles was about 4,000.

General Hurlbut, it is thought, will be exonerated from blame in the Fort Pillow affair, as the evidence shows that the force at his command was inadequate to deal vigorously with Forrest.

A draft for 8,851 men from the State of New Jersey, under the last two calls of the President, was commenced yesterday.

—Despatches received via Cairo from the Lower Mississippi state that Gen. Banks' army had fallen back to Alexandria, and that the gunboat fleet was also there. Gen. Steele is reported to have opened communication with Gen. Banks.

—"Uriah Heep" must be hard run when he has to resort to the Scinsgrove Times to spit forth his venom at a female who is his superior in every respect.
