THE Housekeeden.

RECIPES.

Godey's Lady's Book for May.

Vermont Current Cake .- One cup of butter, one of sweet milk, one of currants, three of sugar, four of flour, four eggs, one teaspoonful creum tartar, half teaspoonful oda, nutmeg, lemon, or vanillia. Made sometimes with less sugar.

A German Trifte .- Put a pint of strawberries, or any other fresh fruit, in the bottom of a glass dish. Sugar the fruit, put over it a layer of macaroous; and pour over it a custard, made with a quart of fresh milk and the yolks of eight eggs beaten, sweetened to taste, and scalding hot. When cold, place on the top the whites of the eggs beaten to a froth with a little sugar, or cream; whip to a froth. The egg may be ornamented by beating cur rant jelly with part of it, and putting it in alternate hills of white and pink

A Cabinet Pudding .- Boil one and a half pint of new milk with sufficient loaf sugar to sweeten it, the peal of a fresh lemon, cut thinly, a little cinnamon, mace, and cloves Boil all these ingredients as if for custard. Beat up nine eggs; omit the whites of four. Pour the boiling milk, etc., on to these, stirring continually during the operation, then strain the whole through a hair sieve, and let it stand till cold. Take a good-sized pudding mould, butter it well, and line it with spongecakes, cut into thin slices (it will propably require four). Pour the custard into a mould, and tie it close. It will take an hour and a half to boil. It is an improvement, after buttering the mould, and before placing the spongecakes, to arrange some stoned raisins, slices of candied peel, and nutmeg. Serve hot with wine sauce.

Rice Biscuits .- Take half a pound of sugar, half a pound of the best ground rice, half a pound of butter, and half a pound of flour, and mix the whole into a paste with eggs (two are sufficient for this quantity).

Salade D' Oranges - Delicious for dessert .- Peel and slice six large oranges, and arrange them in a dessert centre dish, with powdered loaf sugar sprinkled over every laye : Add some Madeira wine, and sprink le white sugar over all the moment before it is served.

Jenny Lind's Pudding .- Grate the crumbs of half a loaf, butter and dish well, and lay in a thick layer of the crumbs; pare ten or twelve apples, cut them down, and put a layer of them and sugar; then crums alternately, until the dish is full; put a bit of butter on the top, and bake it in an oven or American reflector. An excellent and economical pudding.

Chocolate Drops.-Take one pound and a half of chocolate, put it on a pewter plate, and put it in the oven just to warm the chocolate, then put it into a copper stew pan with three quarters of a pound of powdered sugar; mix it well over the fire, take it off, and roll it in pieces the size of a small marble, put them on white paper, and when they are all on, take the sheets of paper by each corner and lift it up and down, so that the paper may touch the table each time, and by that means you will see the drops come quite flat, about the size size of a sizpence; put some sugar norpareils over them, and cover all that are on the paper, then shake them off, and you will see all the chocolate drops are covered with the sugar nonpareils; let them stand till cold and they will come off well, and then put them in a box prepared.

TUSCARORA FEMALE

SEMINARY, Chartered by the Legislature in 1859.

THIS Institution is located at Academia, in Tuscarora Valley, Juniata county, Pennsylvania. It is situated 8 miles southwest of Mifflin, and 6 miles west of Perryville Station, Pennsylvania Railroad leading from Philadelphia to Pittsburgh, and is six hours' ride from the former place.

This situation has always been noted for its healthfulness. The scenery, for variety and grandeur, cannot be surpassed; the buildings being on a high eminence, command the enchanting view of Tuscarora Mountain and Valley for thirty miles in extent.

Tuscarora Academy; an Institution of wide celebrity, and extensively patronized— being located here, persons having sons and daughters to educate, may have the opportunity of sending them to the same place, where they may enjoy each other's society while prosecuting their studies. None, however, but relatives, are allowed to visit the pupils, without a written permission from their guar dians or parents. Libraries, Literary Socie ties, and occasional courses of Lectures on various topics, will be auxiliary to the main course of studies prescribed.

The great object of the course of training is to fit the young ladies for future usefulness. By a judicious combination of useful accomplishments, with thorough mental discip line and high moral culture, it is hoped that the Institution will merit and receive the liberal patronage of the public
