The Ladies' Aid Society request all contributions of money or fancy articles intended for the Sanitary Fair or Christian Commission to be sent to the house of Geo. W. Elder, Esq., by Thursday evening, as the Committee are desirous of forwarding such contributions this week.

The Delaine Quilt manufactured by a number of ladies through a suggestion in the Gazette, is now finished and will remain at the residence of the editor until noon to-morrow. If any lady or gentleman desires to start its sale with a bid of not less than \$50, the name will be forwarded to the managers of the Fair. We are requested by the projectors to return thanks to the ladies who rendered valuable assistance and manifested much interest in this contribution to the Fair.

UNPATENTED LANDS.—The Legislature that has just adjourned, revived and continued in force until the first of November, and only until then, the law known as the "Graduating Law," by which patents can be taken out at the rate of twenty cents per acre, without interest. This law was a very favorable one to our citizens, but there still remain many to be taken out, and from the opposition made to extending the time, in the late Legislature, there is every reason to believe it can never again be extended. We hope, therefore, the people of this county will see to having all their lands patented before the first day of November coming. It will save them paying interest from the time the lands were first improved, which, if it had to be paid, would amount to more than three times the principal in most cases.

ITEMS.—Owen Owens of Granville township, was severely injured a short time since by being thrown from a wagon, the horse having run into the woods and broken the vehicle to pieces. Mrs. Brought was also in the wagon, and although thrown from 12 to 15 feet, fortunately fell in a muddy spot and escaped with a few bruises. The further span of the river bridge was taken down last week, leaving the flooring for travel, and if the weather proves favorable, that span will probably be replaced by the beginning of next week. Every heavy rain makes it evident that better outlets for water must be constructed along the railroad in Water street. Those in Wayne street are especially defective, and at the Episcopal parsonage the filing up of the street has created a positive nuisance. Gotlieb Nighthart had his leg broken and was otherwise injured a few days ago by a bank of earth or a rock falling on him at the first railroad bridge.

RUN OFF.—George Temple, a boy in the employ of F. G. Francis, Esq., came near his latter end on Monday by catching the bridle of a horse about starting to run away. He was dragged along Market street to the corner of Brown, when the cart attached went over a post, then to the bank corner were both horse and cart caught, which stopped his wild career. He kicked and tore to his utmost, but the harness proved too strong for him. The boy had dropped off the cart which passed directly over him, but without injury.

OUR SOLDIERS.—We gather from different sources the following information respecting our soldiers: Robert Dufur, son of Calvin Dufur, of company A, 55th Pa. regiment, was taken prisoner at the battle of Drury's Bluff. David McCulloch, brother-in-law of D. E. Robeson, Esq., was wounded in the left arm in one of the recent battles. James Simmons, of this place, of the 20th cavalry, was wounded in the recent fight at New Market under Sigel. John A. Davidsizer, of Co. C, 1st Pa. Cavalry, was wounded in the leg during a battle in Virginia. Capt. Barr, we are sorry to learn, had to suffer amputation of his leg. Benner, son of Capt. Seth Benner, of this place, is reported killed.

Ed. Frysinger commenced the business of the present week by shipping to the eastern cities several hundred thousand cigars. Noch a mohl, Ed., "gars has riz!" I SCREAM.—Ice Cream at all hours (Sundays excepted) at John M. Staufer's Saloons on Dorcas st., corner of Strawberry avenue, and next door to Col. John Hamilton's residence. OUR DOG.—The almost constant companion of our rambles in this neighborhood for the past thirteen or fourteen years, paid the debt of nature on Thursday night last, and is now, save in memory, among the things that were. We shall miss him for a long time, for so accustomed were we to be welcomed home, even when only absent for a few hours, that it will be difficult to realize the truth that he has passed away, we know not whether into nonentity or as some good men believe into a new creation provided by Him who, if he has not endowed such animals with souls, has at least given them traits which put to shame beings created in his own image. He came to us a stranger when probably two or three years old, and though but what is called a brute, when compared with the blackhearted piece of hypocrisy, malignity, envy and hatred of the thing who used to call himself "nephew," our faithful dog rises as far superior to that ingrate as gold is to the dregs of iron. The one was faithful and grateful to his dying hour—the other, who was indebted to us for far more solid benefits, ever since his hegira from Washington, has left no stone unturned to prove himself a villain. Be our last resting place where it may, far sooner would we sleep by the side of that trusty dog, than even near the carcass of a debauched libeler so utterly lost to all sense of decency, honor and integrity that he would without question malign his own parents were they in the way of his groveling nature.

VALUABLE FARM AT PRIVATE SALE.

THE farm belonging to the heirs of Thomas McCord, deceased, is now offered at private sale. It is situated in Granville twp., Mifflin county, on the south side of the Juniata river, three fourths of a mile from Anderson's station, on the P. R. R., and about six miles from Lewistown, containing

207 ACRES, one hundred and eighty five of which are cleared and in a good state of cultivation, with a good STONE DWELLING HOUSE, Bank Barn, Spring House, Shop, Smoke House, &c., besides a good Tenant House and Stable thereon erected. At both the above buildings there are good springs of water. There is a siding on the P. R. R., one and a half miles from the farm, where all kinds of grain and produce can be shipped for market. A small stream of water enters the farm in such a manner that with very little labor it can be used to carry all the waste manure of the barnyard, and water about ten or twelve acres of meadow land.

Adjoining the above there is a tract of land belonging to Jane Anderson and Rachel McCord, containing

FORTY ACRES, twenty five of which are cleared, and the balance well timbered with locust, chestnut, &c., with a comfortable DWELLING HOUSE, small Barn, young Apple Orchard, &c. thereon, which will be sold with the farm if desired. U. S. 10-40 BONDS.

THESE Bonds are issued under the Act of Congress of March 8th, 1864, which provides that all Bonds issued under this Act shall be EXEMPT FROM TAXATION by or under any state or municipal authority. Subscriptions to these Bonds are received in United States notes or notes of National Banks. They are TO BE REDEEMED IN COIN, at the pleasure of the Government, at any period not less than ten nor more than forty years from their date, and until their redemption FIVE PER CENT INTEREST WILL BE PAID IN COIN, on Bonds of not over one hundred dollars annually and on all other Bonds semi-annually. The interest is payable on the first days of March and September in each year.

Subscribers will receive either Registered or Coupon Bonds, as they may prefer. Registered Bonds are recorded on the books of the U. S. Treasurer, and can be transferred only on the owner's order. Coupon Bonds are payable to bearer, and are more convenient for commercial uses. Subscribers to this loan will have the option of having their Bonds draw interest from March 1st, by paying the accrued interest in coin—or in United States notes, or the notes of National Banks, adding fifty per cent. (or premium), or receive them drawing interest from the date of subscription and depositing. As these Bonds are Exempt from Municipal or State Taxation, their value is increased from one to three per cent. per annum, according to the rate of tax levies in various parts of the country.

At the present rate of premium on gold they pay Over Eight Per Cent. Interest in currency, and are of equal convenience as a permanent or temporary investment.

It is believed that no securities offer so great inducements to lenders as the various descriptions of U. S. Bonds. In all other forms of indebtedness, the faith or ability of private parties or stock companies or separate communities only is pledged for payment, while for the debts of the United States the whole property of the country is held to secure the payment of both principal and interest in coin. These Bonds may be subscribed for in sums from \$50 up to any magnitude, on the same terms, and are thus made equally available to the smallest lender and the largest capitalist. They can be converted into money at any moment, and the holder will have the benefit of the interest.

It may be useful to state in this connection that the total Funded Debt of the United States on which interest is payable in gold, on the 31 day of March, 1864, was \$768,965,000. The interest on this debt for the coming fiscal year will be \$45,937,126, while the customs revenue in gold for the current fiscal year, ending June 30th, 1864, has been so far at the rate of over \$109,000,000, per annum.

It will be seen that even the present gold revenues of the Government are largely in excess of the wants of the Treasury for the payment of gold interest, while the recent increase of the tariff will doubtless raise the annual receipts from customs on the same amount of importations, to \$150,000,000 per annum.

Instructions to the National Banks acting as loan agents were not issued from the United States Treasury until March 26, but in the first three weeks of April the subscriptions averaged more than TEN MILLIONS A WEEK.

Subscriptions will be received by the First National Bank of Philadelphia, Pa. Second National Bank of Philadelphia, Pa. Third National Bank of Philadelphia, Pa. AND BY ALL OTHER BANKS which are depositaries of Public money, and all RESPECTABLE BANKS and BANKERS throughout the country, (acting as agents of the National Depository Banks,) will furnish further information on application and AFFORD EVERY FACILITY TO SUBSCRIBERS. THE RELIEF FUND.

FOR the information of all concerned, the following regulations are made public: 1st. In all cases a certificate of being credited to some district in Mifflin county must accompany the application. This must be in writing, either from the Adjutant General's office, from a mustering officer, or a bounty committee.

2d. The application must state, by endorsement at the head or on the back the name of the soldier, his company and regiment. 3d. Two or three men ought not to act for an entire borough or township in signing the certificate of recommendation as deserving the relief.

4th. Twelve weeks pay, in three monthly orders, is given, when all recent applications are discontinued. If a renewal is asked for, the parties must apply to the Board of Relief in person, or show positive evidence that they are in need.

Justices of the Peace, bounty committees, and all others making promises to soldiers or their families, will govern themselves by the above regulations, as I shall heretofore pay no attention to applications unless they conform to them, but file them away for action by the Board of Relief.

Where the papers are all right or approaching the proper form, there is no difficulty in being placed on the list for twelve weeks, but so many of late have been informal—in many cases leaving me to hunt up the necessary evidence of credit, &c.—that I am compelled to ask for more care. GEORGE FRYSENGER, Sec'y. of the Relief Board. ap27-6t
