

THE HOUSEKEEPER.

RECIPES.

From the Ladies' Friend for June.

Sciss Cakes.—Take butter, flour, and sugar, of each the weight of four eggs. Beat the yolks with the sugar and some grated lemon peel, or ten drops of essence of lemon, and one large teaspoonful of rosewater, or orange flower water if preferred. Add the butter just melted, and slowly shake in the flour, beating it until well mixed. Beat the whites of the eggs to a froth, mix the whole together, and beat on for a few minutes after the whites are added. Butter a tin and bake the cake half an hour.

Chocolate Cakes.—Have ready one pound of pounded loaf sugar, one and a quarter pounds of chocolate, also in powder, and four new laid eggs. Beat up the whites of the four eggs to a stiff whip, and add to them the sugar and the chocolate. Beat all well together, and with a spoon drop the mixture in little cakes on wafer paper, or on paper buttered or sugared, and bake the cakes in a moderately cool oven.

Nonpareil Sticking Plaster.—Two spoonful of balsam of Peru to six of isinglass, melted with very little water, and strained. Mix these well together in a small stone jar over the fire. Pin out some black Persian or sarsnet on a board, and dipping a brush into the mixture, pass it over the silk five or six times, then hold it over the fire, but not very near, and it will soon become black and shining.

Patent Leather Restorer.—It may be difficult to restore the proper gloss to patent leather when it has once lost it, but to retain it from the first is a very easy matter. The blacking brush should never touch it. The mud must be well sponged off with plain water, and the boot rubbed dry with a soft cloth. A little cream, or, in default of that luxury, a small quantity of salad oil, put on the boot and rubbed in also with a cloth, will complete the process, and keep up the brightness of the leather. The edge of the sole may be blacked very carefully, not allowing the brush to come in contact with the polished leather.

TIME MAKES CHANGES.

Our Change of Base.

He who by the plow would thrive,
Himself must either hold or drive;
Franklin thus wrote the words of truth,
When Uncle Sam was in his youth.
But now Young America is all alive,
And needs to be cautioned now to drive;
And Uncle Sam, I think, he too,
Is rather dashing his way through.
Now, he who safely would progress,
Must step by step still onward press;
But he who would take two,
Often falls down "a few".
And to prevent that state of affairs,
I've moved to where there is no stairs—
Across the street, you'll please to mind,
Now swings the Big Coffee Pot Sign.
"This here I want my friends to call,
And see my stock—I can't mention all—
In short, your house-wants all you'll find
Supplied at the Big Coffee Pot Sign."
N. B. Manufacturing and Jobbing carried on as usual, and our motto is "Small profit and quick sales." Don't mistake the place.

TUSCARORA FEMALE SEMINARY,

Chartered by the Legislature in 1859.

THIS Institution is located at Academia, in Tuscarora Valley, Juniata county, Pennsylvania. It is situated 8 miles south-west of Millifin, and 6 miles west of Perryville Station, Pennsylvania Railroad leading from Philadelphia to Pittsburgh, and is six hours' ride from the former place.

This situation has always been noted for its healthfulness. The scenery, for variety and grandeur, cannot be surpassed; the buildings being on a high eminence, command the enchanting view of Tuscarora Mountain and Valley for thirty miles in extent.

Tuscarora Academy, an Institution of wide celebrity, and extensively patronized—being located here, persons having sons and daughters to educate, may have the opportunity of sending them to the same place, where they may enjoy each other's society while prosecuting their studies. None, however, but relatives, are allowed to visit the pupils, without a written permission from their guardians or parents. Libraries, Literary Societies, and occasional courses of Lectures on various topics, will be auxiliary to the main course of studies prescribed.

The great object of the course of training is to fit the young ladies for future usefulness. By a judicious combination of useful accomplishments, with thorough mental discipline and high moral culture, it is hoped that the Institution will merit and receive the liberal patronage of the public.

Terms for a Session of Twenty Weeks. Board, Rooms neatly furnished and carpeted, Tuition in the English Branches, for a Session of Twenty weeks, \$60.

Extra Branches, at usual rates.

SWYERS' AMERICAN LINIMENT,

And Pain Exterminator,
An Infallible Remedy for all Chronic and Inflammatory Rheumatism, Diphtheria, Sore Throat, Quinsy, Sprains, Neuralgia, Pain in the Back and Limbs, Cramps, &c.

New Testimonials.
DERRY TOWNSHIP, March, 1864.

Mr. Joseph Swyers—After my best respects to you, this is to let you know that I have been troubled with chills for the last fifteen years, some of them so hard that I thought I could not live over night. I was for days and nights not able to go out. Last fall they came on again as usual, and having about half a bottle of your liniment about the house, I thought I would try it, and took about 20 drops night and morning for some time. From the time I took it I have never had one chill, and can say that I never had used any medicine that gave so much satisfaction as your liniment. Your ob't servant,
Adam David.

March 28th, 1864.

Mr. J. Swyers: My son had a sore neck for three months back, for which I used your liniment, and it is a perfect cure. He also had a sore leg for two years back; I got one of your bottles of liniment, which has cured it soundly.

Yours, respectfully, Charles Mitchell.

FREEDOM FORGE, March 28, 1864.

Mr. Swyers: I recommend your liniment to be the best that I ever had in my house. I had a pain in my side for about 15 years, and I doctored with doctors far and near, but they done me no good, when I heard of your liniment, tried it, and I am thankful to say it has cured me sound and well; and for the children I could not do without it. Hugh's hand were dreadfully cracked open with the wind, and he rubbed them with it, and it has cured them.

Mrs. Margaret E. Summers,
Hugh Summers.

Mr. Joseph Swyers: This is to certify that I cured my child of the diphtheria in three days with your liniment.
