

LOCAL AFFAIRS.

RELIGIOUS.—Mr. Ijams, a gentleman who has been studying privately for some time in this place, we believe under Rev. McClean, has preached several sermons in the Presbyterian church. He bids fair to become a talented and useful amanuensis.

Rev. Melancthon Ort preached in the Lutheran church on Sabbath morning last. He has been at Springfield, Ohio, for several years, and is now prepared to enter on the responsible duties pertaining to the ministry. No preaching there next Sabbath.

Rev. Barnes will preach a sermon on dancing next Sabbath evening.

BOUNTIES.—We have in our hands assignments of moneys by the one hundred days men to the following persons, which can be had on personal application, or by written order: John Purcell Calvin Dufur A. J. North I. W. McCord Gabriel Dunmire George Blymyer Jas. N. Vanzant John Price T. A. W. Webb Milfin Co. Bank Elizabeth Eager

Lieut. Van Valzah, of the 12th U. S. Infantry, who had been mourned as dead, nothing having been heard from him since the 5th of May, when he was seen to fall in the first advance into the wilderness, unexpectedly was heard from last week, a letter having come to hand from Macon, Georgia, where himself, Lieut. Norris and others are held as prisoners.

THE ENROLLMENT.—We are authorized to say that the Board of Enrollment of this district have received a standing order requiring that they shall examine the claims of exemption of every enrolled man who may present himself for examination on the ground of alienage, unsuitableness of age, or physical disability, previous to the coming draft.

They request therefore committees of subdistricts, or respectable citizens, to attend at any time previous to the 5th day of August next, at which time the quotas for the several subdistricts will be established, at the office in Hollidaysburg for said purpose. Persons who are over 45 years of age will produce the record of their birth—aliens will be required to make affidavit before a Justice of the Peace—and persons to be exempted on account of physical disability must be examined by the Surgeon of the Board.

The late call of the President requires the district to furnish 2366 men out of the 500,000 ordered, and it is the interest of every man liable to military duty to see that the rolls of his sub-district be purged of every man liable to exemption; for the reason that when the quotas of each sub-district are declared they will be based on the actual number standing on the rolls.

ITEMS.—The dead body of a soldier was found in the woods near Perryville, Juniata county, last week. He had about \$60 in money on his person, but his papers were torn up so that he had not yet been identified.—The Bethel Sabbath School (colored) had a picnic at Brought's on Thursday last.—The valuable horses recently stolen from Klines, have not yet been recovered. It seems to us a Mutual Insurance and Horse Thief Detecting Society in this county would be of general benefit.—We regret to learn that the recent fires in the Allegheny mountains destroyed a large quantity of timber prepared for various purposes. Our townsman Arthur B. Long, lost several thousand dollars worth of butts, in the neighborhood of Osceola, which had been prepared for sawing shingles.—A valuable horse belonging to Judge Woods died on his farm the other day.—Wm. R. McKee's horse ran off last week with a buggy in which two ladies and himself were taking a ride, breaking a tree in front of Mr. Nichols' residence in Market street, and fetching up against the steps.—A chimney at the National caught fire, and came very near igniting the roof.—We had a light shower on Wednesday evening last, but the weather continued quite dry and warm until Monday, when a fine rain set in, but still far from sufficient to wet the ground thoroughly.—Moses Burke, son of Henry, who has been absent for seven years, and just returned from three years' service, is at home.—For the best dairy cheese in town call at Swain's.—Cogley has removed his news depot to Benedict's row,

A public meeting was held in the Town Hall last evening to take measures for raising the Borough's quota by the bounty and volunteer system, at which L. J. Elberty was President, and Joseph McFadden Secretary. The citizens who were present (which told of the manifest apathy existing among those in town liable to draft) were addressed by Messrs. Utley and Elder, with some remarks by Mr. Walters. Committees were appointed, for each ward—for the west Messrs. Utley, Lind and Brisbin; for the east John Clark, Jacob F. Hama-

ker and Jos. McFadden. After some instructions from the meeting to the committees, it adjourned, subject to call of committees.

COMP. E. 20th CAVALRY.—We learn that the losses sustained in the recent raid into Virginia are as follows: Lewis Briner, reported killed; Sergts. Garrett and G. W. Crawford wounded; Lieut. Stauber, Tice, Brought, Saxton, Solafelt, Jack Crawford and Samuel Wassing taken prisoners. Only about 90 men out of this regiment are now mounted—the remainder having lost their horses. The Lewistown boys are all well.

The Richmond papers are rather disappointed at the end of the rebel raid, their expectations having been that Washington and Baltimore would have been taken and Pennsylvania plundered.

There is strong talk of holding the Maryland Tories answerable for the losses recently sustained in that State, as there seems to be no doubt they were in communication with the invaders. From all that we can learn, we don't think much harm would be done at Baltimore if some rebel aristocrat were to be found hanging at a lamp post each morning for a week or a month.

AWFUL CATASTROPHE.—On Wednesday morning last three stories of the insane female department of the Blockley Almshouse, in West Philadelphia, fell to the ground, burying in the ruins some 40 or 50 of the inmates, killing some 16 or 18 and wounding 20 to 25. There are others missing, but it is not known whether they are killed or not.

A frightful accident occurred on Goat Island, Niagara Falls, on Friday last, near the Biddle staircase. A carriage, containing the wife of Captain Webster and the wife of Captain Hunt, of the Quartermaster's Department, was thrown over the precipice by the horses taking fright. Fortunately a shell in the rock, some thirty feet down, broke their fall, and the ladies lodged in the trees. One was seriously and the other slightly injured.

A Sad Accident.—A sad accident occurred in the Rolling Mill at Duncanville, on Wednesday last, 13th inst. A boy about 16 years of age, by the name of Wm. Hains, employed at the Rolls, was playing with some boys near them when his foot accidentally slipped, and he was drawn into the grooves, inch and a half size. It happened to be the finishing grooves, and he was not drawn in so rapidly as he would have been had it been the first grooves. A strong man standing by seized him, and held him until the engine was stopped. The Rolls drew him in up to his knees, crushing his leg badly. He resided in Newry, and was the only support of a widowed mother, who now is left without any support. Drs. Christie and Irvine amputated the limb, but he died in a few minutes after. He was very much loved by his employers, and was noted for his industry. The proprietors and employees at the Works have generously contributed the proceeds of one day's labor of each man to his mother.—Hollidaysburg Register
