# THE Houseneepen.

### RECIPES.

From Peterson's Magazine for October Shortbread .- One pound of common flour, one pound fresh butter, half pound of rice-flour, half a pound of loaf sugar; beat the butter slightly, then add the sugar and beat that well; rice and flour last; make it into one or two round cakes nearly an inch thick, pinch the edges, and if you like, ornament with comfits or slices of citron. Bake in a very slow oven and then dust a little finely-sifted sugar over Instead of the entire pound of flour, a good part of oatmeal, sifted through a fine sieve or piece of muslin, is sometimes put in instead, as it is considered more wholesome for delicate people.

Both Buns - A quarter of a pound of flour, four yelks and three whites of eggs, with four spoonsful of good yeast; beat all up well together, and set it be fore the fire to rise; then rub into one pound of flour ten ounces of batter; add half a pound of sugar and some caraway comfits. When the eggs and yeast have sufficiently risen, mix, by degrees, all together, cover over with a cloth, and set it again before the fire to rise. Form the paste into buns, brush over with yelk of egg, strew them with comfits, and bake in a quick oven.

Tea Cakes .- Take one ounce of yeast, two ounces of white sugar, three ounces of fresh butter, two well-beaten eggs, and one pound and a half of fine flour. Mix all these ingredients well together with a fork, and a little new milk lukewarm, into a light dough; put the dough into tins with a spoon, and let it rise before the fire. Twenty minutes will bake them.

Rice Cakes .- Take half a pound of clarified butter, eight eggs well beaten, leaving out the whites of two, three quarters of a pound of pounded sugar, and the grated peel of a lemon: mix these well together; then add ground rice and dried flour, half a pound of each; currants and candied peel may be added, when approved.

Ginger Lozenges .- Mix with the white of eggs four ounces of powdered ginger, two pounds of white sugar, and one pound of starch.

THE WORLD'S GREAT REMEDY FOR Scrofula and Scrofulous Diseases.

From Emery Edes, a well-known merchant of Ox-ford, Maine. "I have sold large quantities of your SARSAPA-RILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

cers, Sores, and all Diseases of the Skin. From Rev. Robt. Stratton, Bristol, England.
"I only do my duty to you and the public, when I add my testimony to that you publish of the me-dicinal virtues of your SARSAPARILLA. My daugh-ter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."
From Mrs. Jane E. Rice, a well-known and much-esteemed lady of Demissille, Cape May Co., N.J.
"My daughter has suffered for a year past with a scrofulous cruption, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."
From Charles P. Gage, Esq., of the widely-known Gage, Marray G. Co., manufacturers of enamelled papers in Nashua, N. H.
"I had for several years a very troublesome "attacher, which grew constantly worse until it disfigured my features and became an intol-erable affliction. I tried almost every thing a man could of both advice and medicine, but without any relief whatever, nutil I took your SARSAPARILLA. It immediately made my face worse, as you told me

It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and con-tinued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

Erysipelas-General Debility-Purify the

Erysipelas – General Debility – Purify the Blood. From Dr. Robt. Sawin, Houston St., New York. "DR. AYER. 1 seldom fail to remove Eruptions and Scrofulous Sores by the persevering use of your SARSAPARILLA, and I have just now cured an attack of Malignant Erysipelas with it. No alterative we possess equals the SARSAPARILLA you have sup-piled to the profession as well as to the people." From J. E. Johnston, Esq., Waleman, Ohio. "For welve years, I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hum-dreds of dollars worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bot-tles, and some of your PILLS. Together they have ured me. I am now as well and sound as any body. Being in a public place, my case is known to every body in this community, and excites the wonder of all."

all." From Hon. Henry Monro, M. P. P., of Newcastle C. W., a leading member of the Canadian Parlia.

ment. "I have used your SARSAPARILLA in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted."

St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.

St. Anthony's Fire, Rose, Sait Kneum, Scald Head, Sore Eyes.
 From Harvey Sickler, Esq., the able editor of the Tankhannock Democrat, Pennsylvania.
 "Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilfal physician applied hisrate of silver and other remedles, without any apparent effect. For fifteen days we guarded his tering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began glying your SAUSAPABILLA, and applying the iodide of potash lotion, as you direct. The sore began to head when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

### Syphilis and Mercurial Disease.

From Dr. Hiram Slout, of St. Louis, Missouri. "I find your SARSAPARILLA a more effectual remedy for the secondary symptoms of Syphilis and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

The profession are indebted to you for some of the best medicines we have."
 From A. J. French, M. D., an eminent physician of Lawrence, Muss., who is a prominent member of the Legislature of Massachusetts.
 " DR. AYER. My dear Sir: I have found your SABSAPARILLA an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a power-ful alterative is required."
 Mr. Chas. S. Van Liew, of New Brunswick, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every persevering use of AYER'S SABSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen botics to cure him

application of local remedies. From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati. "I have found your SARSAPABILLA an excellent alterative in diseases of females. Many cases of Irregularity, Leucorrhea, Internal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."

A lady, unwilling to allow the publication of her name, writes: "My daughter and myself have been cured of a very debilitating Leucorrhean of long standing, by two bottles of your SARSAPARILLA."

Rheumatism, Gout, Liver Complaint, Dys-
