

LOCAL AFFAIRS.

THANKSGIVING.—Christians of all denominations are invited to attend a union service to be held in the Lutheran church on Thursday morning, 24th inst., at 20 minutes before 11.

FIRE CO. MEETING.—A meeting of the Henderson Hose, Hook and Ladder company will be held to-morrow, (Thursday) evening at half past 6 o'clock at which all the members are requested to be present.

SAML G. McLAUGHLIN, Secretary.

Lostr.—In the Lutheran lecture room, or on the way from there to the residence of Geo. Blymyer, a pair of gold case spectacles.

Also, a jet and gold cross breastpin, on Sabbath morning last, on the way to or from the Methodist church. A suitable reward will be paid for the return of either of the above articles to Blymyer's store.

SALE OF LIQUOR.—A significant fact, which ought to commend itself to the Judges who grant licenses, is to be found in the order and quietness which prevailed at both the recent elections in this place. There was little drunkenness, little quarreling, and much less profanity than ordinarily, and in the evening the town was as quiet as though no more than the usual population was abroad.

The court assembled on Wednesday morning, and the jurors were dismissed on Friday afternoon. The principal case disposed of in the sessions was that of Com. vs. Richeson; a verdict was rendered against defendant. Indictments were directed to be prepared against sundry parties in McVeytown for rioting and disturbing the election polls, it being we believe the only place in the county where quiet did not prevail.

The fire noticed in our last completely destroyed Mr. Davis's buildings with the exception of the front. His extensive stock of saddlery, trunks, &c., probably one of the best and largest out of the cities, as well as much of his furniture, was considerably injured by water and removal.

The fire it appears commenced in Mr. Johnson's flue or chimney, was discovered by the family, but after an examination of the premises it was thought all danger was over, and they again retired to bed; in the mean time it communicated with Mr. Davis' roof, and soon after broke out—the latter having had no knowledge that anything was wrong until awakened, after the alarm of fire.

Jacob Briner, a young man raised by Robert Taylor of Kishacoquillas valley, was recently killed in a battle. He was a member of Captain Cunningham's company, 184th regt.

The weather the past week has been cold, making sad work with everything green in garden or on farm. On Sunday we had a snow bluster, which with the continued cold weather doubly assures us of the near approach of stern winter.

As the rigor of winter creeps upon us, remember the poor and needy.

A meeting of the colored people of Lewistown and vicinity was held in the A. M. E. church, to take into consideration the emancipation of slavery in Maryland, and its great benefits to the people of African descent.

In the evening at 7, a sermon was delivered by Rev. Holland on the subject, followed by remarks from Mr. Griffith. The following resolutions were then adopted: Resolved, That the present administration embodies the true meaning and spirit of the Declaration of Independence, that all men are created equal.

Resolved, That we will support the government of the United States and the present administration, whether at war or at peace. Resolved, That while fifty-four of our colored fellow citizens have left this county to fight for the Union, we will do all we can to support their cause at home, standing up, as of old, in favor of the Union and free government.

Resolved, That we feel confident that Generals Grant, Butler, Burnside, Hooker, Sherman, Rosecrans, Sheridan and others, in whose hands our fathers, sons and brothers have trusted their lives, will never sheath their swords until the old flag shall wave over all the States of the Union.

L. LYONS' PURE OHIO Catawba Brandy,

Sparkling Catawba Wines! Equal in Quality and Cheaper in Price than the Brandy and Wines of the Old World. FOR SUMMER COMPLAINT, CHOLERA INFANTUM, DIARRHOEA, BOWEL COMPLAINT, CRAMP & COLIC. A sure Cure is guaranteed, or the money will be refunded.

IN support of the above statements, are presented the Certificates of Dr. Jas. R. Chilton, Chemist, New York; Dr. James R. Cox, Chemical Inspector, Ohio; Dr. James R. Nichols, Chemist, Boston; Dr. N. E. Jones, Chemical Inspector, Circleville, Ohio; Prof. C. T. Jackson, Chemist, Boston; Dr. Chas. Upham Shepard, Charleston, S. C.; and J. V. Z. Blaney and G. A. Mariner, Consulting Chemists, Chicago, all of whom have analyzed the Catawba Brandy, and commend it in the highest terms, for medicinal use.

When evaporated through clean linen it left no oil or offensive matter. In every respect it is a PURE SPIRITUOUS LIQUOR. The oil which gives to this Brandy its flavor and aroma, is wholly unlike fusil, or grain oil. Its odor partakes of both the fruit and oil of grapes. With acids, it produces ethers of a high fragrance. The substitution of this Brandy for Cognac Brandy will do away with the manufacture of fictitious spirits, sold under this name both at home and abroad.

A. A. HAYES, M. D., Assayer to State Mass., 16, Boylston St. By the same, in 1864.

I have analyzed "L. Lyons' Pure Catawba Brandy," with reference to its composition and character, being the same as that produced in past years. A sample taken from ten casks afforded the same results with regard to purity; a slightly increased amount of the principle on which its flavor depends was determined by comparison with former samples.

U. S. 7-30 Loan.

THE Secretary of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable three years from August 15th, 1864, with semi-annual interest at the rate of seven and three-tenths per cent. per annum—principal and interest both to be paid in lawful money.

These notes will be convertible at the option of the holder at maturity, into six per cent. gold bearing bonds, payable not less than five nor more than twenty years from their date, as the government may elect. They will be issued in denominations of \$50, \$100, \$500 \$1000 and \$5000, and all subscriptions must be for fifty dollars or some multiple of fifty dollars.

The notes will be transmitted to the owners free of transportation charges as soon after the receipt of the original Certificates of Deposit as they can be prepared.

As the notes draw interest from August 15, persons making deposits subsequent to that date must pay the interest accrued from date of note to date of deposit.

Parties depositing twenty-five thousand dollars and upwards for these notes at any one time, will be allowed a commission of one quarter of one per cent, which will be paid by the Treasury Department upon the receipt of a bill for the amount, certified to by the officer with whom the deposit was made. No deductions for commissions must be made from the deposits.

SPECIAL ADVANTAGES OF THIS LOAN.

It is a NATIONAL SAVINGS BANK, offering a higher rate of interest than any other, and the best security. Any savings bank which pays its depositors in U. S. notes, considers that it is paying in the best circulating medium in the country, and it cannot pay in anything better, for its own assets are either in government securities or in notes or bonds payable in government paper.

It is equally convenient as a temporary or permanent investment. The notes can always be sold for within a fraction of their face and accumulated interest, and are the best security with banks as collateral for discounts.

Convertible into a 6 per cent. 5-20 Bond.

In addition to the very liberal interest on the notes for three years, this privilege of conversion is now worth about three per cent. per annum, for the current rate for 5-20 Bonds is not less than nine per cent. premium, and before the war the premium on six per cent. U. S. stocks was over twenty per cent. It will be seen that the actual profit on this loan, at the present market rate, is not less than ten per cent. per annum.

Its Exemption from State or Municipal Taxation.

But aside from all the advantages we have enumerated, a special Act of Congress exempts all bonds and Treasury notes from local taxation. On the average, this exemption is worth about two per cent. per annum, according to the rate of taxation in various parts of the country.

It is believed that no securities offer so great inducements to lenders as those issued by the government. In all other forms of indebtedness, the faith or ability of private parties, or stock companies, or separate communities, only, is pledged for payment, while the whole property of the country is held to secure the discharge of all the obligations of the United States.

While the government offers the most liberal terms for its loans, it believes that the very strongest appeal will be to the loyalty and patriotism of the people.

Duplicate certificates will be issued for all deposits. The party depositing must endorse upon the original certificate the denomination of the notes required, and whether they are to be issued in blank or payable to order. When so endorsed it must be left with the officer receiving the deposit, to be forwarded to the Treasury Department.

Subscriptions will be received by the Treasurer of the United States, at Washington, the several Assistant Treasurers and designated Depositories, and by the First National Bank of Philadelphia, Pa. Second National Bank of Philadelphia, Pa. Third National Bank of Philadelphia, Pa. First National Bank of Altoona, Pa. First National Bank of Carlisle, Pa.

and by all National Banks which are depositories of public money, and ALL RESPECTABLE BANKS AND BANKERS throughout the country will give further information & AFFORD EVERY FACILITY TO SUBSCRIBERS August 10, 1864-3m
