THE "LITTLE FOLKS."-These human miniatures, Comodore Foote and sister and Col. Small, touring under the management of Mr. Wm. Ellinger. were exhibited to crowded and delighted audiences, on Monday evening and Tuesday afternoon and evening. Their performances are truly wonderful. Col. Small we think a prince of dancers-in fact we dare not go into detail, without devoting a lengthy article to their praise-but suffice to say every feature in it gives credit to the management of this great moral exhi-

FESTIVAL AND CHRISTMAS TREE.-For several weeks past the scholars and teachers of the Lutheran Sabbath schools have manifested a lively interadult department were invited to a New Year's festival, prepared for their benefit by the teachers. Hymns were sung, a prayer offered, and then they "walked into" the good things. While they were partaking, toasts were offered, several of which we give: By John Hamilton, Esq.,-The Lutheran Sabbath School, may it never grow less. By J. C. Blymyer, Supt .- Our teachers, God bless them! may they ever be found in the faithful discharge of their duty. By Geo. W. Elberty-The Committee of Arrangements, may they fare as well as they serve.

Remarks were made by Rev. Fleck and J. C. Blymyer, and the happy throng adjourned, all combining in pronouncing it a happy time.

THE DRAFT .- A list of the Borough Enrollment has been procured for the purpose of having it corrected when the board meets. But little has been said thus far as to the proper course to be pursued to avoid the draft. If those liable to it will at once contribute liberally, a fund may possibly be raised. but to do this there must be no hanging back or carping. If this is not done, a club subscription of \$100 or \$200 each would be the next best

R. B. Hoover, U. S. Telegraph Corps, informs us that our old friend Prof. A. Smith, formerly of this place, was presented with a splendid silver tea sett, valued at \$560, on Christmas eve last. From all we can learn no one in the service more deserves the thanks of all with whom he is connected than Prof. Smith. For almost two years he has faithfully discharged his duties as chief clerk and cashier of the Telegraph Corps, Department of the Cumberland, under Capt. J. C. Van Duzer, and the operators of the Corps have shown their appreciation of his kindness and gentlemanly conduct by presenting him with this handsome pres-

We learn from "The Guidon," a paper published in the camp of the 12th, Pa. Cavalry, Charlestown, Va., that two members of Co. E got into a dispute of a most trivial nature, when one of them, corporal Montgomery, deliberately drew his revolver and shot Elias Brown, one of the most inoffensive men of the company. The ball lodged in the brain and the poor fellow lived but a few hours, in a state of insensibility. He was from Huntingdon Co. Pa., and the greatest sympathy is felt for his friends. Montgomery was forwarded to the goal at Harper's Ferry where he will in all probability remain till he expiates his crime by a felon's death.

A little boy named Matters had were elected for the year 1865: his leg broken while coasting on the had procured a "cutter" by subscrip. urer-Charles Henderson; Secretarythey least expect it.

APPLES.-We are indebted to Mr. Henry Garver of Bratton township for five splendid apples, the largest of which measures 14 inches in circumference, and none of them less than 12 quota of that district. inches. If anybody has larger, we should like to see them in our basket.

THE MEN OF SUBSTANCE.-The following is a list of persons in this county who have returned incomes over \$600, with the amount of their extra 5 per cent. tax assessed by the U.S. Government. If this statement is corwill address the people of this place rect all persons not on the list are not realizing more than \$600 per year, and ance on Monday evening next, 9th as it is hardly possible for a family of inst., at 7 o'clock. All are invited to any size to live on that amount now, it follows that all such are spending more than they make! This tax let it be borne in mind, is not based upon the income of the past year, but on the return of 1863, which was eminently prosperous to both business and agricultural productions. The list itself also furnishes food for curiosity. Men reputed to be worth their tens of thousands return less income than sundry "greasy mechanics" who toil late and early for a living-men who have stocks, notes, bonds, houses and perhaps a farm or two are far outstripped by a class who can make no such pretensions. The whole thing is either a farce or exhibits a lamentable state of poverty or dishonesty.

The incomes of those not on the list can be guessed at, while those returned may be estimated as follows: Thus, est in a Christmas tree, erected in the a tax of \$25 shows a taxable income of room of the infant school, and on Mon- \$500, or \$1 on \$20-to which add \$600 day afternoon last the scholars of the not taxed and the total income is

dec23-1v. Dr. Velpau's French Pills. Ladies, take Particular Notice. THE REAL VELPAU FEMALE PILL.

[WARRANTED FRENCH.]

THESE Pills, so celebrated many years ago in Paris for the relief of female ir regularities, and afterward so notorious for their criminal employment in the practice of abortion, are now offered for sale for the first time in America. They have been kept in comparative obscurity, from the fact that the originator, Dr. Velpau, is a physician in Paris of great wealth and strict conscientious prin ciples, and has withheld them from general use, lest they should be employed for unlawful purposes. In overcoming Female Obstruc-tions, Falling of the Womb, Whites, Green Sickness, Suppression, Retention or Immod erate Flow of the Monthly Discharges, they seem to be truly omnipotent, bursting open the flood gates from whatever cause may have stopped them; but they are offered to the pub lie only for legitimate uses, and all agents are forbidden to sell them when it is understood that the object is unlawful. Married ladies should never take them when there is any reason to believe themselves pregnant, for they

will be sure to produce a miscarriage. These pills are entirely safe under all cir cumstances, being composed entirely of substances from the vegetable kingdom.

Each box has the coat of arms for the city of Paris stamped on the box, with the words 'Trade Mark" in French, to counterfeit which is a misdemeanor, and all persons will be dealt with according to law.

Full directions accompany every box.

Ladies can obtain a box sealed from the
eyes of the curious, by inclosing One Dollar and six post office stamps to any respectable druggist, or to O. G. STAPLES, General Agent for the United States, Waterton, N. Y.
