With ceaseless course once more the sun, Hath its annual journey run, And with the revolving year Filled each heart with Hope or Fear. The Carrier too, true to his time, Comes to claim his welcome dime. Though should you offer quarter or half He'll not object-now don't you laugh-But give a thankee and make a bow, Such as is not often seen we vow.

And now we'll take a glance and look To see how reads our country's book, Since Old Abe called on U.S. Grant To shoulder M'Clellan's elephant. The sly old chap sat down and said "We must load our guns with solid lead, For don't you see that paper balls Don't batter down rebellion's walls." "You're right," said Abe, "for I can't see How going backwards can science be, E'en though you call it 'change of base' It has made no change in the rebel's face. So go to work, and as I live. Whate'er you ask I will give, For I tell you now, come weal or woe,

Into the stake of war we'll throw The Stars and Stripes-our glorious right

Under whose folds all freemen fight. Henceforth let none in shape of man, In whom the 'human' we can scan, From lake to gulf-from sea to sea, Wear the chains of Slavery.'

The Warrior rose, and from his eye, Shone forth the will to do or die. "To arms, brave soldiers, we will go The rebel hosts to overthrow." From fort and tower, hill and plain The patriot shout was heard again-A shout that told the traitor's clan That now the fight was man for man. Forward went the glorious host, Until, like snakes, the rebs were holed Where Davis sat within his fold. "I'll hold you there," said gallant Grant, "Until each one with fear shall pant, And meanwhile I will Sherman call To open up the western ball.

Sheridan too shall make them reel And follow up with glistening steel." Just then, like croaking raven, came,

A squeaking voice-"That's not the game;

hart our brethren, they'll come back If we but give them inside track-

That is, let them rule and thrive On labor of the Northern hive Or let's make peace, such as we may, And trust Union to a future day! Besides the war's a failure, don't you see We're no match for Jef and Lee!

I st. Then rose the people in their might num nd at the polls declared for fight. I told the vulture copper crew

That coward cry they should rue. The soldiers too with stern resolve, Refused to see the States dissolve, And by an unexampled vote, Declared Old Abe should steer the boat Till Treason by their arms was crushed And Traitors in their graves were hushed.

So spoke the People, and soon our flag, Was seen where long the rebel rag Had flaunted like a golden calf Invoking aid in its behalf. Not for its worth or liberty But for the demon Slavery.

Since then bold Sherman, at slow gait, Led his men o'er Georgia's State, M'Allister falls without delay, Savannah surrenders for Christmas day. Thomas but waits to hear the news, Then develops his deep ruse, And sends the rebel General, Hood, Back flying, stript of guns and food. Meanwhile the work goes bravely on Under the flag of Washington, And ere another year comes round. All shall hear the welcome sound That peace once more has spread her

wand O'er a free and happy land. Not such a peace as traitors sought, Or British gold would have bought-Nor such as Chicago's tory band, Who'd kneel to kiss the traitor's hand, And like the cringing, fawning slave Would act the part of tool and knave.

No! NEVER! For When freedom from her mountain height Unfurl'd her standard to the air, She tore the azure robe of night,

And set the stars of glory there! She mingled with its gorgeous dyes The milky baldric of the skies, And striped its pure celestial white, With streakings from the morning light! Then, from her mansion in the sun, She called her eagle bearer down, And gave into his mighty hand The symbol of her chosen land!

Flag of the brave! thy folds shall fly, The sign of hope and triumph high! When speaks the signal trumpet's tone, And the long line comes gleaming on; Ere yet the life-blood, warm and wet, Has dimmed the glistening bayonet-Each soldier's eye shall brightly turn, To where thy meteor glories burn, And as his springing steps advance, Catch war and vengeance from the

glance! And when the cannon's mouthings loud. Heave in wild wreaths the battle shroud And gory sabres rise and fall,

Like shoots of flame on midnight pall! There shall thy victor glances glow, And cowering foes shall fall beneath Each gallant arm that strikes below That lovely messenger of death!

Flag of the seas! on ocean's wave Thy stars shall glitter o'er the brave. When death, careering on the gale, Sweeps darkly round the bellied sail, And frightened waves rush wildly back Before the broadside's reeling rack; The dying wanderer of the sea Shall look at once to heaven and thee, And smile to see thy splendours fly, In triumph o'er the closing eye,

Flag of the free heart's only home, By angel hands to valor given! Thy stars have lit the welkin dome

And all thy hues were born in heaven; For ever float that standard sheet! Where breathes the foe but falls before us.

With freedom's soil beneath our feet, And freedom's banner streaming o'er

Odd Fe lows' Hall. SARSAPARILLA,

THE WORLD'S GREAT REMEDY FOR Scrofula and Scrofulous Diseases.

Scrottlia and Scrottlious Diseases.

From Emery Edes, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your Sarsaparilla, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community." Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Robt. Stratton, Bristol, England.

"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your Sarsapardlla. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your Sarsapardlla. She has been well for some months."

From Mrs. Janc E. Rice, a well-known and muchesteemed lady of Dennisville, Cape May Co., N. J.

"My daughter has suffered for a year past with a scrofulous cruption, which was very troublesome. Nothing afforded any relief until we tried your Sarsapardlla, which soon completely cured her."

From Charles P. Gage, Eag., of the widely-known Gage, Murray & Co., manufacturers of enamelled papers in Machaa, N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost every thing a man could of both advice and medicine; but without any relief whatever, until I took your Sarsapardlla. It immediately made my face worse, as you told ine it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your Sarsapardlla.

Erysipelas—General Debility—Purify the Blood.

From Dr. Robt. Savin, Houston St., New York.

"Dr. Ayer. I seldon fail to remove Eruptions and Scrofulous Sores by the persevering use of your Sarsaparrilla. And I have just now cured an attack of Malignant Erysipelas with it. No alterative we possess equals the Sarsaparrilla you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Wakeman, Ohio.

"For twelve years, I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The ulcers were so had that the cords became visible, and the do-fors decided that my arm must be amputated. I began taking your Sarsaparilla. Took two bottostors decreed that my arm mass be amputated. I began taking your SARSAPABILLA. Took two bottles, and some of your PILLS. Together they have cured me. I am now as well and sound as any body. Being in a public place, my case is known to every body in this community, and excites the wonder of all.? all."

st. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.

From Havrey Sickler, Esq., the able editor of the Tunkhannock Democrat, Pennsylvania.

"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhout predicted out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease. From Dr. Hiram Stoot, of St. Louis, Missouri.
"I find your Sarsaparilla a more effectual
remedy for the secondary symptoms of Syphilis
and for syphilitic disease than any other we possess.
The protession are indebted to you for some of the
best medicines we have."

best medicines we have."

From A. J. French, M. D., an eminent physician of Laurence, Muss., who is a prominent member of the Legislature of Mussachusetts.

DR. AYER. My dear Sir: I have found your SARSAPARILLA an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required."

Mr. Chas. S. Van Lier., of New Brunswick, N. J.

ful alterative is required."

Mr. Chas. S. Van Liew, of New Brunswick, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.

Leucorrhœa, Whites, Female Weakness, are generally produced by internal Scrofulous Ul-ceration, and are very often cured by the alterative effect of this Sarsaparilla. Some cases require, however, in aid of the Sarsaparilla, the skilful application of local remedies.

application of local remedies.

From the well-known and widely-celebrated Dr. Jucob Morvill, of Cincinnati.

"I have found your SARSAPARILLA an excellent alterative in diseases of females. Many cases of fregularity, Leucorthea, Internal Ulceration, and local debility, arising from the scrofulous disthesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."

A lady, unwilling to allow the publication of hermane, writes: "My daughter and myself have been cured of a very debilitating Lencorrhea of long standing, by two bottles of your SARSAPARILLA."

Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia, when caused by Scrofula in the system, are rapidly cured by this EXT. SARSAPARILLA.

AYER'S CATHARTIC PILLS

possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.
