Cheap Mode of Feeding Horses .- J. Fisk, of Baldwinsville, N. Y., writes to the Rural New Yorker, that he has a horse, 5 years old, used as a family carriage horse, which is frequently let to the neighbors. In the morning he feeds a bushel basket of cut straw, moistens it with water, throws in four quarts of shorts, mixes thoroughly and feeds. At noon he gives straw again. and three or four quarts of shorts clear. At night he mixes hay and straw, equal parts of each, cuts a basketful and mixes shorts again as in the morning. Feeds also all the potato and apple parings, cabbage leaves, &c., to him. His horse is free from cough, lively, healthy and fat; and this practice he is confident saves him 20 per cent. the cost of keeping the horse in the usual way-costs about three minutes' time per day. This is an important item in the days of high feed.

SARSAPARILLA,

HE WORLD'S GREAT REMEDY FOR Scrofula and Scrofulous Diseases.

From Emery Edes, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your SARSAPAEILLA, but never yet one bottle which failed of the
desired effect and full satisfaction to those who took
it. As fast as our people try it, they agree there has
been no medicine like it before in our community."

From Rev. Robt. Stratton, Bristol, England.

"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your Saisapanilla. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your Saisapanilla. She has been well for some months."

From Mrs. Jane E. Rice, a well-known and muchesteened ludy of Dennisville, Cape May Co., N. J.

"My daughter has suffered for a year past with a serofulous cruption, which was very troublesome. Nothing afforded any relief until we tried your Saisapanilla, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known Gage, Marray & Co., manufacturers of enamelled papers in Nashua, N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost every thing a man could of both advice and medicine, but without any relief whatever, until I took your Saisapanilla. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your Saisapanilla."

Erysipelas—General Debility—Purify the Blood.

From Dr. Robt. Sawin, Houston St., New York.

"Dr. Ayer. I seldom fail to remove Eruptions and Scrafulous Sores by the persevering use of your Sarsap-Arellla, and I have just now cured an atlack of Malignant Erysipelas with it. No alterative we possess equals the Sarsaparilla you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Wakeman, Ohio.

"For twelve years, I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your Sarsaparilla. Took two bottles, and some of your Pills. Together they have cured me. I am now as well and sound as any body. Being in a public place, my case is known to every body in this community, and excites the wonder of all."

From Hon, Henry Monro, M. P. P., of Newcastle,

From Hon. Henry Monro, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliament.

"I have used your SARSAPARILLA in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted."

St. Anthony's Fire, Rose, Salt Rheum, Seald Head, Sore Eyes.

From Harvey Sickler, Esq., the able editor of the Tunkhannock Democrat, Pennsylvania.

"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and aetnally blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing clse we had any hope from, we began giving your SARSAPARILLA, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had fluished the second. The child's eyelashes, which had comout, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die." St. Anthony's Fire, Rose, Salt Rheum,

Syphilis and Mercurial Disease.

From Dr. Hiram Slout, of St. Louis, Missouri.
"I find your Sarsaparilla a more effectual remedy for the secondary symptoms of Syphilis and for syphilite disease than any other we possess. The profession are indebted to you for some of the best medicines we have." From A. J. French, M. D., an eminent physician of

From A. J. French, M. D., an eminent physician of Lawrence, Muss., who is a prominent member of the Legislature of Mussachusetts.

"Dr. AYER. My dear Sir: I have found your SarsarArilla. An an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required."

Mr. Chas. S. Van Liev, of New Brunswick, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SAISAFARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.

Leucorrhæa, Whites, Female Weakness,

Leucorrhesa, Whites, Female Weakness, are generally produced by internal Scrofulous Ulceration, and are very often cured by the alterative effect of this Sarsafarilla. Some cases require, however, in aid of the Sarsafarilla, the skilful application of local remedies.

From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati.

"I have found your Sarsafarilla an excellent alterative in diseases of females. Many cases of Irregularity, Leucorrhesa, Internal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment. A laigh, unwilling to allow the publication of her name, writes:

"My daughter and myself have been cured of a very debilitating Leucorrhesa of long standing, by two bottles of your Sarsafarilla."
