## LOCAL AFFAIRS.

One or two boys, not too young, who can board at home, will be taken temporarily, perhaps on time, to learn the printing business.

THE DRAFT .- We fear our citizens generally are making a great mistake in not devising ways and means to fill the quota of this borough. Though we have no official data to go upon, our estimate is that our quota will be about 34, and if we have a surplus as Grain in the ground, 2 Bureaus, Tables reported it will be reduced to perhaps 31.

ITEMS .- A son of Mrs. Elizabeth Jacobs was knocked down by one of the horses attached to Graham's sled, on Monday forenoon, while standing on Market street, and fell between the runners, making a very narrow escape from serious injury. He was taken to Judge Rit'z drug store, where Dr. Atkinson examined him, and fortunately found no bones broken. The boy had his back towards the horses, which came down street at a full trot.----Monday was greeted by all classes as a pleasant day .---- Several fights occurred on Monday, one countryman having his eye bruised badly .----- We learn that a letter has been received from Henry A. Eisenbise, from which it appears he is a prisoner at Salisbury, N. C.-Capt. A. B. Selheimer is recruiting a company for one year's service, which is fast filling up.

#### Ladies, take Particular Notice. THE REAL VELPAU FEMALE PILL. WARRANTED FRENCH.]

THESE Pills, so celebrated many years ago in Paris for the relief of female ir regularities, and afterward so notorious for their criminal employment in the practice of abortion, are now offered for sale for the first time in America. They have been kept in comparative obscurity, from the fact that the originator, Dr. Velpau, is a physician in Paris of great wealth and strict conscientious prin ciples, and has withheld them from general use, lest they should be employed for unlaw ful purposes. In overcoming Female Obstructions, Falling of the Womb, Whites, Green Sickness, Suppression, Retention or Immod erate Flow of the Monthly Discharges, they seem to be truly omnipotent, bursting open the flood gates from whatever cause may have stopped them ; but they are offered to the public only for legitimate uses, and all agents are forbidden to sell them when it is understood that the object is unlawful. Married ladies should never take them when there is any reason to believe themselves pregnant, for they will be sure to produce a miscarriage.

These pills are entirely safe under all circumstances, being composed entirely of sub-stances from the vegetable kingdom. Each box has the coat of arms for the city

of Paris stamped on the box, with the words 'Trade Mark" in French, to counterfeit which is a misdemeanor, and all persons will be dealt with according to law.

Full directions accompany every box. Ladies can obtain a box sealed from the eyes of the curious, by inclosing One Dollar and six post office stamps to any respectable druggist, or to O. G. STAPLES, General Agent for the United States, Waterton, N. Y. Agents-Chas. Ritz and F. J. Hoffman, Lewistown; Mrs. M. T. Brehman, McVeytown ; John Reed and S. S. Smith, Huntingdon. dec7.ly.
