Relief and Poor House Business. The Relief Board meets on the Third Friday of each month at the Commiss oners' Office, and the Relief Orders are issued on

One or two boys, not too young, who can board at home, will be taken temporarily, perhaps on time, to learn the printing business.

THE DRAFT .- The evils of the bounty system are now falling upon the rural districts with great severity-so much so that few men liable to draft will be left in our boroughs or townships by the 15th. Of the 172 enrolled men in this borough more than onehalf have already left, and the remain. der are ready to go. Of course no fault can be found with them when the alternative of volunteering with a bounty or a draft without a bounty is presented, yet we suspect this depopulation of the interior will do much towards bringing Philadelphia cityand the eastern counties who are ruining themselves by debt, to a sense of their folly by a heavy decrease in business and products of every descriptions, which in the end must affect them.

The quota of this borough will be considerably larger than we anticipated, in consequence of several districts not having men enough to fill theirs, though where the men are to come from even here by the 15th is beyond our ken. We learn that the calculation is that it will take one out of four, which would require Lewistown to furnish between 43 and 50 men.

The Junior Editor of the Gazette left on Monday last with Capt. Selheimer's company, and by this time is probably enrolled in the service of chasing elsewhere. his country. His absence leaves us in a precarious way in the office, but we will endeavor to do the best we can until better arrangements can be made.

THE WINTER continues with only a slight mitigation of the cold we have had since the middle of December, and the ground continues covered with a coat of ice and snow, still affording good sleighing. Spring will soon be here, and we look for some pleasant days, though if the ground hog is to closed up. be relied on it will not come for six weeks from Candlemas day, that soberlooking fellow having seen his shadow, and is now snoozing away a two score and two days' nap ere he will again show his phiz.

FIRE .-- The frame school house, adtownship, a few miles east of Milroy, was totally destroyed by fire on Thursday night a week. The fire probably resulted from placing kindling wood upon or near the stove.

SELLING OFF .- S. J. Brisbin & Co. are selling off winter goods, such as Merinoes, Wool Delaines, Coburghs, Plaids, Ladies' Cloth, Shawls, Hoods, Blankets, Flannels, Linsey, Cloths, Overcoats, &c., &c., AT GREATLY REDUCED PRICES.

ITEMS .- We learn that the Exchange Hotel, Hollidaysburg, but recently purchased by Samuel Aultz, formerly of this place, was totally destroyed by fire at an early hour on Thursday morning, with nearly all its contents. Many of the inmates made narrow escapes with their lives. There was we believe no insurance, and Mr. Aultz's loss is therefore very severe.

OUR SOLDIERS .- On the 1st of September last, we learn from the Demoerat, Ambrose Johnson, a young man who had been raised by Judge Stine, of Wayne township, volunteered, and joined company A of the 12th Penna cavalry. On the night of the 19th of December, whilst on picket duty in Charleston, Va., he was shot and instantly killed, during an attack made by Moseby's guerrillas. His remains were buried at that place.

Dr. Velpau's French Pills. Ladies, take Particular Notice. THE REAL VELPAU FEMALE PILL.

[WARRANTED FRENCH.] THESE Pills, so celebrated many years ago in Paris for the relief of female ir regularities, and afterward so notorious for their criminal employment in the practice of abortion, are now offered for sale for the first time in America. They have been kept in comparative obscurity, from the fact that the originator, Dr. Velpau, is a physician in Paris of great wealth and strict conscientious principles, and has withheld them from general use, lest they should be employed for unlawful purposes. In overcoming Female Obstructions, Falling of the Womb, Whites, Green Sickness. Suppression, Retention or Immoderate Flow of the Monthly Discharges, they seem to be truly omnipotent, bursting open the flood gates from whatever cause may have stopped them; but they are offered to the public only for legitimate uses, and all agents are forbidden to sell them when it is understood that the object is unlawful. Married ladies should never take them when there is any reason to believe themselves pregnant, for they

will be sure to produce a miscarriage. These pills are entirely safe under all circumstances, being composed entirely of substances from the vegetable kingdom.

Each box has the coat of arms for the city of Paris stamped on the box, with the words 'Trade Mark" in French, to counterfeit which is a misdemeanor, and all persons will be dealt with according to law. Full directions accompany every box. Ladies can obtain a box sealed from the

eyes of the curions, by inclosing One Dollar and six post office stamps to any respectable druggist, or to O. G. STAPLES, General Agent for the United States, Waterton, N. Y. Agents-Chas. Ritz and F. J. Hoffman, Lewistown; Mrs. M. T. Brehman, McVeytown; John Reed and S. S. Smith, Hunting-
