

**FOR THE YOUNG FOLKS**

**SCRIPTURAL PUZZLE.**  
 God made Adam out of dust,  
 But thought it best to make me first;  
 So I was made before the man  
 According to God's holy plan.  
 My body he did make complete,  
 But without legs or arms or feet,  
 My way and actions did control,  
 And I was made a living soul.  
 A living creature I became,  
 And Adam gave to me a name,  
 Then from his presence I withdrew,  
 Nor more of Adam ever knew.  
 From Him I never went astray,  
 Thousands of miles I run in fear,  
 But seldom on the earth appear.  
 But God in me did something see  
 And put a living soul in me;  
 A son in me the Lord did claim  
 And took from me that soul again.  
 And when from that soul was freed  
 I was the same as when first made,  
 And without hands, or feet, or soul,  
 I travel now from pole to pole.  
 I labor hard both day and night,  
 To tell men I give great light,  
 Thousands of people, young and old,  
 Do by my death great light behold.  
 No fear of death I feel, for I know,  
 Nor happiness I cannot see;  
 To heaven above I may not go,  
 Nor to the grave below.  
 The scriptures I cannot believe—  
 If right or wrong I can't conceive,  
 Although my name therein is found,  
 They are to me an empty sound.  
 And when my friends these lines you read,  
 Do search the scriptures with all speed,  
 And if my name you can't find there,  
 It will be strange I may declare.

**THE HOUSEKEEPER.**

**RECIPES.**  
**Filling Ice-houses with Snow.**—As the time is now approaching when the supply of ice for the ensuing year is to be secured, I beg leave to give you the experience of one of our 'Clifton Farmer's Club,' of Clifton, Ohio. His ice-house is situated on the side of a gravel hill, covering a pit 10 feet deep and 12 feet square, and is a simple frame structure over the pit about 4 or 5 feet in height; the sides of the pit are boarded up, and the drainage is through the gravel.  
 Finding it expensive to haul ice from the neighboring ponds and rivers, he last winter filled his house with snow, after the custom prevailing in Switzerland and California, (for my friend is a traveler,) simply rolling it up in masses, and with a wheelbarrow conveying it to the house—first lining the sides of the pit with straw, and after it was filled covering the snow with the same material, thus filling his house without cost, and securing an abundant supply of good ice for his large family during the whole summer. The snow settled down into a compact mass, and a spring and summer heats affected it, and a portion still remains at the bottom of the pit as solid as a glacier of the Alps.—*Verbun Sap, in Country Gentleman.*

**Indelible Ink.**—Dissolve two drachms of lunar caustic and one half ounce gum arabic in one gill of water.

**Inflammatory Rheumatism.**—A sure remedy. Take one ounce of pulverized saltpetre, and put it into a pint of sweet oil. Bathe the parts affected, and a sound cure will speedily be made. Tested,

**Botts, Murrain and Rot.**—For young cattle and horses. Mix occasionally 1 part of salt, 4 parts of wood ashes. It promotes appetite and health. Good against both murrain and rot.

**To Curl Hair.**—Rub it with the beaten yolk of an egg, then wash off with clean water, and put on a little pomatum.

**Bites of Poisonous Animals.**—Indigo, 4 drachms; gum camphor, 8 drachms; alcohol, 8 ounces; mixed and kept in close bottles. Apply to the wound, and the cure is soon completed.

**Ayer's SARSAPARILLA,**

THE WORLD'S GREAT REMEDY FOR SCROFULA AND SCROFULOUS DISEASES.  
 From Emery Ely, a well-known merchant of New York, N. Y.  
 "I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As a testimonial to the public, I have had it analyzed by the most eminent chemists, and they have no medicine like it before in our community."  
**Eruptions, Pimples, Blisters, Pustules, Ulcers, Sores, and all Diseases of the Skin.**  
 From Rev. Robt. Stratton, Bristol, England.  
 "Only do my duty to you and the public, when I add my testimony to the merits of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her ears, eyes, and nose for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."  
 From Mrs. J. E. Ely, a well-known and much-respected lady of New York, N. Y.  
 "My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief, and we were obliged to try your SARSAPARILLA, which soon completely cured her."  
 From Charles P. Gage, Esq., of the widely-known Gage, Murray & Co., manufacturers of emulsified cod liver oil, New York, N. Y.  
 "I had for several years a very troublesome humor in my face, which grew constantly worse until it required the assistance of a medical professional. I tried almost every thing a man could do of both advice and medicine, but without any relief. I then tried your SARSAPARILLA. It immediately made my face as smooth as any body's, and it kept so for a long time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."  
**Erysipelas—General Debility—Purify the Blood.**  
 From Dr. Robt. Savin, Houston St., New York.  
 "DR. AYER. I seldom fail to remove Eruptions and Scrofulous Sores by the persevering use of your SARSAPARILLA, and I have cured many cases of Malignant Erysipelas with it. No alternative we possess equals the SARSAPARILLA you have supplied to the profession as well as to the people."  
 From J. E. Johnston, Esq., Wabensan, Ohio.  
 "For twelve years, I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The ulcers were so bad that the cords became visible, and the doctor decided that my arm must be cut off. I then began taking your SARSAPARILLA. Took two bottles, and some of your PILLS. Together they have cured me, and my arm is as good as new. Being in a public place, my case is known to every body in this community, and excites the wonder of all."  
 From Hon. Henry Monroe, M. P., of Newmarket, C. W., a leading member of the Canadian Parliament.  
 "I have used your SARSAPARILLA in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confident in commending it to the afflicted."  
**St. Anthony's Fire, Rose, Salt Rheum, Spots, Itch, and Sore Eyes.**  
 From Harvey Siebler, Esq., the editor of the "Lancashire Democrat," Pennsylvania.  
 "Our only child, about three years of age, was attacked by pimples on his forehead, which spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skillful physician applied nitrate of silver and other remedies, without apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the face. Having tried every thing else we had any hope, we began giving your SARSAPARILLA, and applying the iodine lotion, which grew more direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he became healthy and fair as any other. The whole neighborhood predicted that the child must die."  
**Syphilis and Mercurial Disease.**  
 From Dr. Hiram Stout, of St. Louis, Missouri.  
 "I have used your SARSAPARILLA a more effectual remedy for the secondary symptoms of Syphilis, and for syphilitic disease than any other we possess. The profession long resorted to you for some of the best medicines we have."  
 From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts.  
 "DR. AYER. My dear Sir: I have found your SARSAPARILLA an excellent remedy for Syphilis, both of the primary and secondary types, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alternative is required."  
 Mr. Chas. S. Van Lee, of New Brunswick, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.  
**Leucorrhoea, Whites, Female Weakness,**  
 are generally produced by internal Scrofulous Eruptions, and are very often cured by the alterative effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skillful application of local remedies.  
 From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati.  
 "I have found your SARSAPARILLA an excellent remedy for Leucorrhoea of females. Many cases of Irrregularity, Leucorrhoea, Internal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not when its effect is properly aided by local treatment."  
 A lady, unwilling to allow the publication of her name, writes:  
 "My daughter and myself have been cured of a very debilitating Leucorrhoea of long standing, by two bottles of your SARSAPARILLA."  
**Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia,**  
 when caused by Scrofula in the system, are rapidly cured by this EXR. SARSAPARILLA.
