actions no doubt gave rise to the erron- justify confidence. eous ideas prevalent through the county that the debt was in the neighborhood of \$100,000. It is under year there will be three eclipses of the \$50,00, and considering the fact that moon and two of the sun. On the some thousands of old indebtedness 16th of March there will be a partial has been redeemed as well as part of eclipse of the sun. On the 30th of the relief debt-that several thousands March the moon will be totally obscuwere contributed in 1861-2 towards red. On the 14th of April the sun will relief without a tax, and \$41,000 paid be partially eclipsed. September 22d out in bounties, we think every one the moon will be totally invisible. On will concede that there was a due share the 8th of October there is to be a of good management on the part of partial eclipse of the sun, and on the the commissioners.

SAD ACCIDENT .- A young man nam- the United States except in Kentucky ed Holbert A. Barton, aged 24 years and 6 months, son of Robert P. Barton, of Turbett township, Juniata co., was instantly killed on Friday morning a week. He was employed as a brakesman on the Pennsylvania Railroad, and while walking on the top of fails upon Washington's Birthday, a freight car, to get to his brake, was the 22d inst. struck on the back of the head by a bridge. His neck was dislocated and he expired instantly. The accident occurred in the upper end of this county.

appearance of the devil, cased in iron printed papers in the interior. and proof against shot and shell. Other authority has it that a crazy indi vidual had a sheet iron coat made, and erably scared for fear of a visit, but we also hear that when his brimstone majesty got on the top of the mountain and looked over, he concluded he had accordingly turned back.

THE WEATHER .- The sleighing continues fine, an occasional snowsquall replenishing the roads. On Sunday we had another cold day and bitter night, SUPPER. -The Ladies of the Mite and although it has somewhat moder-Society will give a supper in the base- ated since, it is still cold enough for ment of the M E.
