SUPPER.—The Ladies of the Mite Society will give a supper in the basement of the M. E. Church, on the 22d inst., the proceeds of which will be contributed towards repairing the church. Contributions of turkeys, chickens, &c, from friends in the country, are solicited and will be thankfully received. Contributions may be left at S. J. Brisbin's, West Market street, Lewistown.

RELIGIOUS.—Rev. J. B. Reimensnyder will deliver a sermon in the Lutheran church on Sabbath evening next, on Sudden Death, as illustrated by the recent events which have taken place in our community. All are invited to attend.

MEAT.—Charley Stahl has again opened shop under the old Lewistown Hotel, and will regularly keep on hand Beef and other meats of the best quality that can be obtained. He had some of the finest beef last week we have seen for some time, and being ready to oblige all who may call, we recommend our readers to look in.

TABLEAUX.—Some young ladies design giving a tableaux, music and refreshments at the Town Hall on Friday evening next, the proceeds to be devoted towards an organ for the Presbyterian church. As it is in hands which know no such word as fail, we have no doubt it will afford a pleasant time to all who will favor them with a visit.

We are indebted to Hon. Isaac Newton, the able head of the Agricultural Department at Washington, for a package of seeds, to which we will devote proper attention this Spring.

Much of the snow disappeared during the past week, but this morning it again commenced snowing.

This district we judge will go for Gen. Geary for Governor. We are fortunate in having such men as Geary, Morehead, Ketchum, and other good men to choose from.

James Froshay, an operator at the railroad bridge west of this place, had his ankle sprained yesterday in attempting to get on the cars while in motion.

Surgeon Grier, a son of Judge Grier of this State, was among the unfortunate victims of a steam boat explosion at Vicksburg, Mississippi.

Rev. McMurray, in addition to his ministerial duties, frequently delivers temperance lectures, generally followed by the opening of Good Templar lodges.

Harrison Dufer was severely burnt last week, at the Glamorgan Iron Works, by hot iron running inside a glove and also down his pants. He however continues at work.

Samuel A. Black, Esq., has been appointed Acting Superintendent for the Middle Division of the Pennsylvania Railroad, vice Samuel D. Young, deceased.

An old citizen of Derry township was struck by a piece of ice or icy snowball last week while driving past the public schoolhouse in Third street. The perpetrator of course was not discovered. The directors and teachers owe it to the community to take measures to stop the infamous practice indulged in of throwing snowballs, stones &c, at almost every one passing there in sleighs, wagons, or on horseback.
